****Removed from Town

WARRANT FOR ANNUAL TOWN MEETING
COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To the Constables of the Town of Weymouth in said County,

GREETINGS:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid qualified to vote in Town affairs to meet in the hall of the Weymouth High School on

MONDAY, THE SIXTH DAY OF MARCH, 1933

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

BUDGET

ARTICLE 1. To see what sums of money the Town will vote to raise or borrow and appropriate for the salaries, operation and expenses during the current fiscal year of each of the following Town Departments and activities, to wit:

A. General Government

1. Appropriation Committee
2. Selectmen's Department
3. Town Accountant's Department
4. Town Treasurer's Department
5. Collector of Taxes.
6. Assessors' Department
7. Legal Department
8. Payment of damages
9. Town Clerk's Department
10. Elections and Registrations
11. Engineering Department, including Town survey, bound stones, street surveys, and such other engineering work as may be authorized by the Board of Selectmen.
12. Planning Board

13. Maintenance and upkeep of Town Hall and War Memorial.
14. Maintenance and upkeep of Civil War Soldiers Monument and other memorials in charge of Selectmen.

B. Protection of Persons and Property.

15. Police Department
16. Fire Department
17. Building Inspector
18. Sealer of Weights and Measures
19. Gypsy Moth and other Insect Pest Extermination
20. Care of shade trees
21. Street Lighting
22. Harbor Master

C. Health and Sanitation

23. Board of Health
24. Employment of Nurses, including the determination of the way in which said nurses shall be employed, whether by contract or otherwise.
25. Maintenance of Norfolk Tuberculosis Hospital
26. Garbage Disposal

D. Relief Activities

27. Charities, including
 - (a) Relief given by the Town of Weymouth to persons having a legal settlement in said Town;
 - (b) Relief given by the Town of Weymouth to persons not having a legal settlement in said Town;
 - (c) Reimbursement of other cities and towns for relief given to persons having a legal settlement in the Town of Weymouth.
28. Old Age assistance under Chapter 118A of the General Laws.
29. Pensions
30. Soldiers' Benefits, including;
 - (a) State Aid;
 - (b) Military Aid;
 - (c) Soldiers' Relief and the Burial of Indigent Soldiers and Sailors.

E. Miscellaneous

31. Highway Department
 - (a) General Maintenance, including salaries
 - (b) Snow and ice
 - (c) Construction
 - (d) Sidewalk construction
 - (e) Purchase and Maintenance of Equipment
32. Schools
33. Libraries

- 34. Observance of Memorial Day under General Laws Tercentenary Edition, Chapter 40, Section 5, Clause 12.
- 35. Parks and Playgrounds
- 36. Miscellaneous Expenses
- 37. Unpaid bills
- 38. Overdrafts under General Laws, Chapter 44, Section 31.

F. Public Service Enterprises

- 39. Water Department

 - (b) Maintenance and operation
 - (c) Replacements
 - (d) Equipment
 - (e) Commercial Expenses
 - (f) Salaries
 - (g) Interest
 - (h) Debt
 - (i) Acquisition of land bordering Pond, as authorized by vote of previous Town Meetings.
- 40. Alewife Fishery

G. Care of Graves

- 41. Care of Soldiers' Graves.

H. Interest and Debt Requirement.

- 42. Interest Requirement
- 43. Bonds and Notes due in 1933

I. Insurance

- 44. Municipal Buildings Insurance Fund
- 45. Fire and other insurance

J. 46. Reserve Fund

and to determine in each case how and under whose direction the money shall be expended, to impose any conditions and restrictions thereon which the Town may see fit; to determine how much money so appropriated shall be available for expenditures under Clause (34) of Section 5 of Chapter 40 of the General Laws as amended by Chapter 36 of the Acts of 1928; to determine what, if any, sums so appropriated shall remain available after December 31, 1933; to fix the terms and conditions of any loan or loans authorized to procure any of such funds and to authorize the issue of bonds or notes for the same, and fix the term and rate of interest of any such bonds or notes; to fix such salaries as require to be fixed by the Town Meeting; and to impose such conditions upon the drawing of compensation from the Town as the Town may see fit; or take any other action in reference to any of the foregoing subjects.

COMMITTEE REPORTS

(By direction of the Selectmen)

ARTICLE 2. To take any action that the Town may think proper upon the reports of the several Town Boards and Committees and appoint or change any committee that the Town may think proper.

TOWN FINANCES

(By direction of the Selectmen)

ARTICLE 3. To see if the Town will vote to authorize its Treasurer, with the approval of its Selectmen, to borrow money in anticipation of the revenue of the current financial year.

ARTICLE 4. To see if the Town will vote to authorize its Treasurer, with the approval of its Selectmen, on and after January 1, 1934 to borrow in anticipation of the revenue of the year 1934.

ARTICLE 5. To see what sum of money the Town will vote from surplus for the use of the Assessors in determining the tax rate for the year 1933

ARTICLE 6. To determine in what manner taxes shall be collected during the current year, and fix the rate of interest on all taxes remaining unpaid after the time fixed for payment.

ARTICLE 7. To see if the Town will vote to authorize the Selectmen to sell or otherwise dispose of any real or personal property of which the Town may be possessed or seized and for which it has no further use, including all real estate of which the Town has possession or title for non-payment of taxes; to see if the Town will vote to authorize any other department to sell or otherwise dispose of any personal property in its possession and to determine the manner or conditions of such sales, or take any other action in reference thereto.

ARTICLE 8. To see if the Town will vote to authorize its Board of Selectmen to accept conveyances or mortgages of any real or personal property belonging to persons receiving poor relief from the Town and to dispose of said property in the manner they may adjudge for the Town's best interest, and to authorize them to discharge any encumbrances on said property if they consider it for the best interest of the Town so to do, and to see what sum of money the Town will vote to raise and appropriate for the discharging of such encumbrances.

ARTICLE 9. To see what disposition the Town will make of any insurance money which may be recovered from the loss or damage by fire of any Town property and to see what action the Town will take in reference to paying from the Municipal Building Insurance Fund any such losses on property not covered by insurance.

GOVERNMENTAL AND ADMINISTRATIVE CHANGES

ARTICLE 10. To see if the Town will authorize the Board of Selectmen to execute agreements with certain abutters on Broad Street to waive damages in case of a widening in all future cases where public

improvements are under consideration, or take any other action in reference thereto.

WATER DEPARTMENT

ARTICLE 11. To see if the Town will authorize the appropriation of not to exceed \$10,000 from the General Fund of the Water Department for carrying on necessary work for private parties, payment for such work to revert to said General Fund, or take any other action in relation thereto.

ARTICLE 12. To see if the Town will vote to reaffirm the action taken under Article 35 of the warrant of 1928, authorizing the Board of Water Commissioners to acquire by gift or purchase, or take by right of eminent domain for the purpose of protecting the Town's water supply, certain land lying within the water shed of Great Pond and not already owned by the Town, and will authorize the appropriation of not to exceed \$15,000 from the General Fund of the Water Department, for said purpose, or take any other action in relation thereto.

STREETS AND SIDEWALKS

ARTICLE 13. (By direction of the Selectmen and on petition of abutters on the several streets hereinafter named). To see if the Town will accept the several reports of the Selectmen laying out as Town ways the following designated private ways and parts of ways, or any of them, to wit:

Interval Road from Glen Road to Lake Shore Drive.

Glen Road from Lake Shore Drive near Middle St., to Lake Shore Drive near Mill River.

Pine Ridge Road from Glen Road to Lake Shore Drive.

Lake Shore Drive from Middle St. to land of Howe & French Inc., including branch to Mill River.

Westminster Road from end of 1932 layout to a point near division line between land of Bater and land of Klosson.

Robinswood Road from Pine Circle to Lakewood Road and from Lakewood Road to land of Sargent.

Canacum Road from Cliff St., easterly to land of American Agricultural Chemical Co. and from Cliff St. westerly to land of Bradley.

Upland Road from Circuit Ave. near Middle St. running northwesterly to another part of Circuit Ave.

Circuit Ave. from Middle St. to swamp at end of proposed layout as shown on plan filed at town office.

Seminole Ave. from Pleasantview Ave. easterly to Tref-ton Ave. and from Idlewell Boulevard westerly a distance of 140 feet.

Hibiscus Avenue from Idlewell Boulevard westerly a distance of 290 feet.

Hunt Ave. from Central St. 693.86 feet northerly.

or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public street and highway in and over each of said streets as so laid out and accepted, and to see what sum of money the Town will vote to raise and appropriate for the working of each of the above named streets including the acquisition of the easements above referred to and for the building of any bridges, drains and conduits which may be necessary in connection therewith and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets, or to take any other action in reference thereto.

(At the request of Joseph Fern and others)

ARTICLE 14. To see what sum of money the Town will raise and appropriate to relocate the street lines of Pleasant Street in East Weymouth between the location of the Weymouth Police Headquarters and the junction of Water and Pleasant Streets, or take any other action thereto.

ARTICLE 15. To see if the Town will accept the report of the Selectmen relocating the following streets and portions of streets in the Town or any portions of said relocations, to wit:

Forest Street between Randolph Street and Columbian Street.

North Street lying north of Pilgrim Road and not relocated by the vote passed at the annual town meeting in March 1932 but as shown on a Plan of Proposed Relocation of a part of North Street from Weymouth Fore River to Bridge Street (North) Weymouth, Mass. made by Russell H. Whiting, Civil Engineer, dated Jan. 15, 1932

and to see if the Town will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public street and highway in and over the portion of said streets as so relocated and accepted; to see if the Town will vote to abandon any portion of said streets as formerly laid out which are not within the lines of said streets as so relocated; and to see what sum or sums of money the Town will vote to raise and appropriate for the working of each of the above streets as so relocated including the acquisition of the easements above referred to and for the building of any bridges, drains and conduits which may be necessary in connection therewith, or take any other action in reference thereto.

ARTICLE 16. (On petitions as hereinafter specified). To see what sum or sums of money the Town will vote to raise and appropriate for the construction of permanent sidewalks and curbing on the streets of the Town as hereinafter set forth, or take any action in reference thereto:

(On petition of Matthew O'Dowd and others)

On Pleasant Street from Crawford Machine Works to Independence Square.

(On petition of Harry F. Boyle and others)

On either side of Commercial Street from Middle to Putnam Streets.

(On petition of P. W. Thompson)

On the north side of Randolph Street running westerly about two hundred and fifty feet from Pond Street be reconstructed.

(On petition of Mary C. Flynn and others)

On the southerly side of Webb Street from Richmond Street to Commercial Street.

(On petition of Rocco Consentino and others)

On the north side of Lake Street from Henry Whiting's to Middle Street.

ARTICLE 17. (On petition of Guiseppe Valicente and others). To see what sum of money the Town will vote to raise and appropriate for the continuation of the widening of Iron Hill Street, or take any other action in reference thereto.

ARTICLE 18. (On petition of Marion F. French and others). To see if the Town will take any action upon the report of the Committee on the widening of Broad Street made in the Town Report of the year 1931 and to see what sum the Town will raise and appropriate for the purpose of widening Broad Street or any portion thereof.

ARTICLE 19. (On petition of Louis H. Ells and others). To see what sum of money the Town will vote to raise and appropriate for the grading and drainage of Ells Avenue, South Weymouth.

ARTICLE 20. (On petition of John M. and Gertrude L. Sullivan). To see if the Town will accept sufficient land on Broad Street to complete a sidewalk on Broad Street between Lincoln Square and Stetson Street.

VETERANS' ORGANIZATIONS

(On petition of Karl O'Neil and others)

ARTICLE 21. To see if the Town will vote to raise and appropriate the sum of fifty dollars, or any other amount, for the purpose of purchasing and installing a bronze tablet on the rear of westerly side of the Memorial Wall, the tablet to be inscribed "Ralph Talbot Amphitheatre". The expenditure of the amount to be raised and appropriated to be under the direction of the school committee.

ARTICLE 22. To see if the Town will accept the recommendations of the Committee which at the last Annual Town Meeting was instructed to prepare plans for the permanent preservation of the historic relics and other Mementos of Reynolds Post 58, Grand Army of the Republic, and to see what sum of money the Town will vote to raise and appropriate for the purpose of carrying out said recommendation, or take any other action in reference thereto.

(On petition of Joseph Fern)

ARTICLE 23. That the Selectmen be instructed to contract with Wessagusset Post No. 1399 of the Veterans of Foreign Wars of the United States for the care and maintenance of certain cemeteries in the Town; namely Old Cemetery off Park Ave.; Old Cemetery on Pleasant Street opposite Fairmount Cemetery; Old Cemetery opposite Pine Street on Pleasant Street and one located off Randolph Street, and that the sum of \$600.00 be raised and appropriated to be paid to Wessagusset Post V. F. W. No. 1399 for the care of said cemeteries during the current year.

ARTICLE 24. (On petition of Joseph A. Fern and others). To see if the Town will vote to raise and appropriate a sum of money for the purpose of conducting exercises befitting "Armistice Day" or take any other action in regards to perpetuating the termination of the World War.

ARTICLE 25. At the request of the Town Treasurer to see if the Town will vote to convey to Robert W. Jones of Roxbury or James W. Thomson of South Weymouth, the four lots of land on Main St., Pine Grove Park off Union St., numbered 356, 357, 358 and 359, also four lots on Curtis St., Pine Grove Park, numbered 364, 365, 366 and 367; also four lots of land on Curtis St., Pine Grove Park, numbered 441, 442, 443 and 444 for which lots the above-mentioned Jones and Thomson hold receipts, and will authorize the Town Treasurer, with the approval of the Selectmen, to execute and deliver the deeds for the same.

ARTICLE 26. (On petition of John Upton and others). To see if the Town will accept the provisions of Chapter 31, Section 48 of the General Laws, and amendments thereto, insofar as relates to the acceptance of Civil Service for the regular and call members of its Fire Department.

ARTICLE 27. (On petition of Everett Callahan and others). To see if the Town will accept Section 103 of Chapter 41 of the General Laws and to see if the Town will establish a purchasing department in accordance with said section and to see what rules or restrictions the town will adopt for said department and to see what sum of money the town will vote to raise and appropriate for the salaries, expenses and maintenance of said department during the current year, or take any action in reference thereto.

ARTICLE 28. (On petition of Everett E. Callahan and others). To see if the Town will vote to instruct the town counsel to prepare a petition for the enactment of an amendment to Chapter 61, Acts of 1921, which will debar all or any persons receiving a salary from the town from being town meeting members or take any other action relative thereto.

(On petition of Everett E. Callahan and others)

ARTICLE 29. To see if the Town will add the following section to its By-Laws, viz: "No town officer, nor any salaried employee or

official of the town, shall sell materials or supplies to the town, nor receive any compensation or commission, directly or indirectly, for services rendered by him to the town, except his official salary and fees allowed by law, without obtaining in each of the above cases the permission of the Board of Selectmen expressed in a vote which shall appear on their records with the reasons therefor," or take any other action relative thereto.

ARTICLE 30. (On petition of Everett E. Callahan and others). To see if the Town will add the following section to its By-Laws, viz: "Any board or officer in charge of a department may, with the approval of the Board of Selectmen, sell any personal property or material not required by such department and not exceeding three hundred dollars in value, provided that such personal property or material shall be sold at public auction if, in the opinion of the board of selectmen, its sale value is more than fifty dollars," or take any action relative thereto.

ARTICLE 31. (On petition of Everett E. Callahan and others). To see if the Town will vote to add the following section to its By-Laws, viz: "Every officer or board in charge of a department and every committee of the town, when authorized to do any public work, or to purchase any supplies, materials or property, or erect, construct or repair any building, the estimated cost of which exceeds five hundred dollars, shall make a written contract therefor; and, before executing any such contract shall invite proposals therefor; by advertising in one or more Weymouth papers, such notice of proposals stating time and place for opening proposals, provided further that such board, officer or committee shall furnish proper forms and further that such board, officer or committee shall reserve the right to reject any or all proposals.

MISCELLANEOUS

ARTICLE 32. (On petition of Everett E. Callahan and others). To see if the Town will vote to instruct all departments to letter all equipment properly designating its ownership, or take any action relative thereto.

ARTICLE 33. (On petition of Everett E. Callahan and others). To see if the Town will vote to raise and appropriate the sum of \$250.00 for the purpose of equipping land owned by the water department on Reed Avenue, South Weymouth, for a playground, said equipment to be under the control of the Park Department, or take any action relative thereto.

ARTICLE 34. (On petition of Alfred C. Sheehy for the Weymouth Chamber of Commerce). To see if the Town will appoint a committee to investigate the naming of streets within the town and to make recommendations to the next Town Meeting relative to eliminating the duplication or similarity of street names in the several sections of the Town.

TRAFFIC SIGNALS

ARTICLE 35. To see what sum of money the Town will vote to raise and appropriate to reimburse the Commonwealth for the installation of a traffic signal system on Bridge Street, or take any action in reference thereto.

ARTICLE 36. (On petition of the State Reclamation Board). To see if the Town will raise and appropriate the sum of one hundred fifty-five dollars and forty-four cents for the purpose of maintaining, during the ensuing year, the mosquito control works as estimated and certified to by the State Reclamation Board in accordance with the provisions of Chapter 112, Acts of 1931.

You are further required to notify and warn said inhabitants of Weymouth qualified to vote in Town affairs, in case all the articles in the foregoing warrant shall not be acted upon at the meeting called for said sixth day of March, to meet in adjourned session at the hall of the Weymouth High School on

WEDNESDAY, THE EIGHTH DAY OF MARCH, 1933

at seven o'clock and forty-five minutes in the evening, then and there to act upon such of the foregoing articles as shall not have been acted upon on March sixth or action upon which may at said meeting of March sixth have been deferred until said adjourned session.

You are further required to notify and warn the inhabitants of Weymouth qualified to vote in elections to meet at the polling places of their respective precincts, to wit:

- In Precinct 1 in the Fire Engine House located in that precinct;
- In Precinct 2 at the G. A. R. Hall on Commercial Street;
- In Precinct 3 at the Hunt School Gymnasium on Broad Street;
- In Precinct 4 at the building of the Citizens' Association, Inc. on Front Street;
- In Precinct 5 at the building of the Pond School, Pond Street;
- In Precinct 6 at the new Ward 2 Fire Engine House on the North-erly side of Broad Street, which place has been duly designated as the polling place of Precinct 6 in accordance with Chapter 54 of the General Laws;
- In Precinct 7 at the Lovell's Corner Improvement Association building on Washington Street;
- In Precinct 8 at the Weymouth Heights Club building on North Street;
- In Precinct 9 at the building of the Norfolk Club on Pleasant Street; on

MONDAY, THE THIRTEENTH DAY OF MARCH, 1933

at six o'clock in the forenoon, then and there to bring in to the wardens of their several precincts, their votes on one ballot, for the following named public officers, to wit:

Town Treasurer;

Five (5) Selectmen;

One (1) Assessor for three (3) years;

Two (2) Members of the School Committee for three (3) years;

One (1) Park Commissioner for three (3) years;

One (1) Water Commissioner for three (3) years;

Tax Collector;

One (1) Member of the Board of Health for three (3) years;

Three (3) Trustees of Tufts Library for three (3) years;

Tree Warden;

Two (2) Members of the Planning Board for three (3) years;

Annual Moderator;

And for the election of Town Meeting Members from the several voting precincts of the Town as follows:

In Precinct 1 Sixteen (16) Town Meeting Members for three (3) years.

In Precinct 2 Eleven (11) Town Meeting Members for three (3) years.

In Precinct 3 Seventeen (17) Town Meeting Members for three (3) years.

In Precinct 4 Six (6) Town Meeting Members for three (3) years; One (1) Town Meeting Member for two (2) years to fill vacancy.

In Precinct 5 Eight (8) Town Meeting Members for three (3) years; Eight (8) Town Meeting Members for two (2) years; Eight (8) Town Meeting Members for one (1) year.

In Precinct 6 Fourteen (14) Town Meeting Members for three (3) years.

In Precinct 7 Seven (7) Town Meeting Members for three (3) years.

In Precinct 8 Six (6) Town Meeting Members for three (3) years.

In Precinct 9 Eleven (11) Town Meeting Members for three (3) years; Eleven (11) Town Meeting Members for two (2) years; Eleven (11) Town Meeting Members for one (1) year.

THE POLLS WILL BE CLOSED AT EIGHT O'CLOCK
IN THE EVENING

You are directed to serve this warrant by posting a copy thereof, attested by you in writing, in each of two public places in each voting precinct in said Town, seven days at least before the time for holding the first meeting called for in this warrant.

Hereof fail not, make due return of this warrant with your doings to the Town Clerk of said Town on or before the first day of March, 1933.

Given under our hands at Weymouth this Thirtieth day of January in the year of our Lord Nineteen Hundred and Thirty-three.

WILLIAM A. HANNAFORD
WILLIAM A. CONNELL
EVERETT E. CALLAHAN
JOSEPH CREHAN
HERMAN O. COLLYER

Selectmen of Weymouth

A true copy, Attest:

Constable of Weymouth

RETURN OF SERVICE
COMMONWEALTH OF MASSACHUSETTS

Weymouth, February 27, 1933

Norfolk, ss:

Pursuant to the within warrant I have this day notified and warned the inhabitants of Weymouth aforesaid to meet at the respective places and times as set forth in said warrant, by posting true and attested copies of the same in two public places in each voting precinct in said Town seven days before the time of holding said meeting.

EDWARD F. BUTLER,
Constable of Weymouth.

ANNUAL TOWN MEETING

March 6, 1933

Pursuant to the within warrant the annual meeting of the inhabitants of the town of Weymouth, represented by its duly elected and qualified Town Meeting Members was held at the hall of the Weymouth High School, Middle Street, East Weymouth, on Monday evening, March 6, 1933, 243 Town Meeting Members names were checked by police officers stationed at the doors for that purpose.

The meeting was called to order at 7:50 o'clock by George L. Barnes, Annual Moderator, who requested the Town Clerk to read the warrant for the meeting. After reading the call for said meeting, on motion of Mr. Frank E. Loud, it was voted: That the further reading

of the articles in the warrant be dispensed with as each member had a copy of the warrant. The Town Clerk then read the call for the adjournment of this meeting if necessary, and the last three paragraphs of the warrant and the attestation of the Constable who served the warrant.

The Moderator requested Rev. Edward P. Murphy, pastor of the Immaculate Conception Church of East Weymouth, to invoke Divine Blessing upon the deliberations of this meeting.

Before proceeding to the business of the evening, George L. Barnes, Annual Moderator, made the following remarks:

We are meeting here tonight at a time of great national distress. It is surely a time for the exercise of calm judgment, sane and sober thinking.

It is no time for the display of temper or animosity.

We are gathered here to soberly consider the welfare of the town and the 23,000 people to whom Weymouth is home.

Our ancestors founded this town here more than three hundred years ago, setting up here a social democracy under the law and establishing here one of the first town meeting forms of government created in this country.

They knew none of the luxuries of life, even the necessities were greatly restricted. They had little food and only poor and inadequate shelter.

They faced greater problems and more severe adversity than we have ever known but they faced and solved their problems with courage and fortitude.

Let us face ours in the same spirit and with the same courage; tolerant of the views of others; with an appreciation that those who differ from us are nevertheless actuated by quite as high and patriotic purposes and with as sincere a desire to promote the welfare of Weymouth.

We are gathered here to exchange ideas and opinions to the end that out of this debate a result may be obtained that may be for the best interest of all our people.

The great majority of those gathered here are here for the purpose of discussing the questions that are to be presented and conducting the affairs of this meeting in an orderly and proper manner. To the utmost limit of the authority of the Moderator, they will be protected in their right to do so.

We are confronted with a great national emergency. Every financial institution in the land is closed. People, whose life savings, accumulated over years of constant effort, are in those institutions.

Naturally, these people feel apprehensive.

They have viewed with alarm the evidence of unfaithfulness on the part of some bank officials in a neighboring state and justly so; but there is one fact that we should ever remember, that where a few

bank officials may be unfaithful to their trust, there are billions of the people's money that are being handled honestly, efficiently and with the highest regard for the sacred trust that rests on those men that are handling it.

In the management of other peoples money, the handling of this vast amount of money honestly and efficiently is not news. The defalcation and mishandling of people's money is, it has been found necessary by constitutional authority to declare legal holidays to the end that those driven by fear and panic may not be permitted to destroy banks that are perfectly sound and solvent and in whom all other depositors have the greatest confidence.

Those of you who have deposits in our banks are protected and safeguarded in this situation rather than injured.

I have some knowledge of the Weymouth banks. I am glad, yes, proud, to say to you that your Weymouth banks are sound and solvent. Our banks have assets and surpluses amply sufficient to protect every dollar of their deposits. They are officered and managed by men whom you all know.

If you will look over the list of officers and directors of your banks, you will become satisfied, as I have been, that these men have no other purpose to serve than the protection of your savings.

They have managed your banks faithfully and with the greatest regard for the trust that you have reposed in them; that trust and confidence has not been violated and will not be.

Now I want to be wholly frank with you. As I am asking your confidence, I want to be entitled to it. I do not know what the situation is going to be with reference to currency.

Our Weymouth banks have never carried any large amount of cash. It was not necessary. We could obtain it from Boston at any time on short notice.

Apparently, legislation will be passed that will restrict the amount of cash that can be drawn from these banks. We regret any inconvenience this may cause.

My own view is that all of us in this country will, for a time, have to go on rations with reference to cash just as we did on sugar and flour during the war. We accepted that with resignation and good nature. Then let us do the same with reference to currency now; and please remember this, that if a bank cannot at one moment comply with all requests that may be made for currency, it is no indication whatsoever that the bank is unsound.

If you went to your grocer and asked for flour and he told you he was out but had some on the way, you would not think your grocer was broke or insolvent. So it is with the banks.

It may be the amount of currency that may be withdrawn will be restricted, but the banks are nevertheless sound and solvent and your deposits are perfectly safe; in fact they are safer under restriction of this kind than if the banks were thrown at the mercy of all those who

panic stricken or fearful ask for immediate payment of their deposits.

We are ultimately coming out all right in this country and what we need in this emergency is the application to our problems of some plain ordinary common sense mixed with a fair amount of courage, tempered with good nature and good humor and confidence in the future.

Fortunately this town is able to provide for those out of employment and in distress. It will continue to do so.

I have of course heard criticisms of the expenditure of money with reference to welfare work. These criticisms have been directed wholly to the question of the methods used. I have yet to hear any one say that the taxpayers of Weymouth are not ready and willing to stand any necessary burden to the end that no one in Weymouth shall be hungry or without shelter.

On the other hand the taxpayers have the right that all expenditures of the town be made economically and efficiently to the end that our ability to furnish relief may not be restricted or impaired.

Deeply conscious of the record of those who have written the pages of our history of the past, mindful of the serious problems of the present, let us approach the future with confidence in our ability, in our courage and above all, in our willingness to approach these problems manfully and solve them for the interest, the welfare, the happiness and the prosperity of the people of Weymouth.

Mr. Anthony Veader stated that a large number of seats were occupied by minors and asked the Moderator to request all such to relinquish their seats to citizens of the town who were standing. The Moderator requested all such to relinquish their seats.

Mr. Frederick Humphrey moved and it was so voted: That a committee of five be appointed by the Moderator to draft resolutions upon the death of Mr. Bradford Hawes, who was for many years a member of the Board of Assessors, a member of the School Board and also Clerk and Chairman of the Board of Selectmen.

ARTICLE 1

Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved as follows: To provide for the salaries, operation and expenses during the current fiscal year of the several town's departments and activities, for certain permanent improvements and to meet certain requirements of the law, the several sums hereinafter set forth are hereby appropriated for the several purposes and subject to the conditions hereinafter specified, all such sums to be raised by taxation in the levy of the current year unless some other source of revenue is expressed.

Item 1.	For all expenses of the Appropriation Committee	\$525.00
Item 2.	For salaries and expenses of the Selectmen's Department	5,901.04

Item 3.	For the salary and all expenses of the Town Accountant's Department	5,731.25
Item 4.	For the salary of the Town Treasurer and all expenses of the Treasurer's Department	2,525.68
Item 5.	For the compensation of the Tax Collector and all expenses of the Tax Collecting Department	7,200.00
Item 6.	For the salaries and all expenses of the Assessor's Department	8,232.50
Item 7.	For all expenses of the Legal Department including services rendered in the Supreme Judicial Court on the South Metropolitan Sewerage District No. 7321	4,146.77
Item 8.	For the payment of Damages	3,000.00
Item 9.	For the salary of the Town Clerk and all expenses of the Town Clerk's Department	2,832.03
Item 10.	For elections and registrations of voters	1,821.74
Item 11.	For all expenses of the Engineering Department including the Town Survey and placing of bound stones on existing Town Ways, the making of street surveys and such other engineering work as may be authorized by the Selectmen	4,045.00
Item 12.	For all expenses of the Planning Board	100.00
Item 13.	For the maintenance of the Town Hall and War Memorials at the civic center, including the grounds. Of this sum \$2,500.00 shall be expended under the direction of the Building Committee of the Town Hall and War Memorial for major repairs, the balance to be expended under the direction of the Selectmen	9,772.68
Item 14.	For the maintenance of the Civil War Soldiers Monument and the King Philip's War Memorial, including the grounds, to be expended under the direction of the Selectmen	100.00
Item 15.	For the salaries and all other expenses of the Police Department, of which	

	sum \$200.00 shall be for the enforcement of the liquor law	62,136.95
Item 16.	For the salaries and all expenses of the Fire Department	58,838.35
Item 17.	For the compensation of the Building Inspector and all other expenses of the Building Inspector's Department	1,593.12
Item 18.	For the compensation of the Sealer of Weights and Measures and all other expenses	1,331.25
Item 19.	For Gypsy Moth and other Insect Pest extermination	5,426.87
Item 20.	For the care of Shade Trees	2,074.99
Item 21.	For Street Lighting	36,000.00
Item 22.	For Harbor Master and all other expenses of the Harbor Master's Department	271.87
Item 23.	For the salaries and all other expenses of the Board of Health	10,373.43
Item 24.	For the employment of Nurses under the direction of the Board of Selectmen who are hereby authorized to contract with the Weymouth Visiting Nurse Association to furnish the services of one or more nurses in cases where such services are a proper charge against the town	1,812.50
Item 25.	For the maintenance of the Norfolk County Tubercular Hospital	12,212.24
Item 26.	For Garbage Removal	6,000.00
Item 27.	Charities PROVIDED that \$20,000.00 of this sum be used for the purchase of materials and equipment including the staking of and placing of stone bounds and \$100,000.00 for relief of persons having a legal settlement in the Town, \$60,000.00 for the relief of persons not having a legal settlement in the Town, and \$8,500.00 for reimbursement for relief provided by other cities and towns to persons having a legal settlement in the Town and provided further that unless specifically appropriated otherwise this entire appropriation shall be expended under the di-	188,500.00

rection and supervision of a Committee composed of the elected members of the Board of Public Welfare and six citizens to be appointed by the Moderator, said Committee as so constituted to be known as the Committee of Charities and Work in Lieu of Charity, and provided further that the said Committee shall have full power to suitably relieve, support and maintain persons in distress in such manner as they may determine; provided further that the Moderator appoint a Committee of five to petition the General Court for the enactment at this session of an act, the provisions of which are fully set forth in the recommendations of the Appropriation Committee under Item 27, Article 1.

Provided further that the several streets hereinafter named shall be accepted by the Town and the conditions of the votes under Articles 13 and 15 of the warrant for the present Town Meeting shall be complied with except in so far as Article 15 relates to Forest Street between Randolph and Columbian Street, the work to be performed and the money to be expended shall in each instance be done under the direction and supervision of the aforesaid Committee of Charities and Work in Lieu of Charities.

Intervale Road from Glen Road to Lake Shore Drive.

Glen Road from Lake Shore Drive near Middle St., to Lake Shore Drive near Mill River.

Pine Ridge Road from Glen Road to Lake Shore Drive.

Lake Shore Drive from Middle St. to land of Howe & French Inc., including Branch to Mill River.

Westminster Road from end of 1932 layout to a point near division line between land of Bater and land of Klosson.

Item 42.	For interest and discount		1,381.25
Item 43.	For the retirement of bonds and notes		55,000.00
Item 44.	For the municipal buildings Insurance Fund		80,000.00
Item 45.	For fire and other insurance		1.00
Item 46.	For a Reserve Fund		25,000.00

Mr. Alfred C. Sheehy offered the following resolution:

Whereas, the report of the Appropriation Committee recommends a drastic reduction in the amount of the several salaries of the officials and employees in the several Town Departments, said reductions amounting in the aggregate to the sum of \$55,170.30, and,

Whereas, the various groups comprising the full complement of permanent salaried officials and employees of the Town of Weymouth have, through the heads of each department, submitted a proposal to contribute for welfare, charity and relief purposes by assigning to the Town Treasurer an amount equal to one tenth of the total of each respective salary for the period commencing March 1, 1933 and ending December 31, 1933, said contributions amounting in the aggregate to the sum

of \$43,819.54, and

Whereas, there has always existed a relationship of loyalty and devotion between the Town of Weymouth and its officials and employees, now,

BE IT RESOLVED that the Town of Weymouth, in Annual Representative Meeting assembled, commends the spirit of willingness and co-operation thus manifested by its several officials and employees and accepts their offer to contribute one tenth of their several respective salaries for the period stated and the purpose manifested, in lieu of all other recommendations for salary reductions. (Note: The difference in amounts is \$11,360.76)

After three hours debate on the merits of this resolution Mr. J. B. Reed offered the following amendment:

All teachers receiving \$1100 per year remain at \$1100.

Those receiving \$1200 to \$1500 be reduced 5 per cent.

Those receiving \$1550 to \$2300 be reduced 7 per cent.

Those receiving \$2350 to \$4000 be reduced 12 per cent.

After a long discussion on this amendment George H. McKinley moved the previous question. It was so voted.

Mr. Francis A. Gunn moved that a roll call be taken on this question.

The Moderator declared the motion lost.

More than seven members doubted the vote and a recount was ordered. The Moderator appointed John P. Lovell, J. Edward Mulligan and Francis W. Rea as tellers and they were sworn to the faithful performance of that duty. On the motion to take a roll call on the amendment of Mr. Reed, the tellers reported 21 voting in favor and 145 voting in the negative. The motion was declared lost.

The amendment of Mr. Reed was then put before the meeting and it was declared not a vote.

The resolution as offered by Mr. Sheehy was put before the meeting and the tellers reported 150 voting in the affirmative and 61 in the negative. The resolution was declared voted.

Mr. J. W. Field moved that a roll call be had on the resolution. The motion was declared not a vote.

Mr. Frederick Humphrey moved that the Moderator be a member of the Committee to draft resolutions upon the death of Mr. Bradford Hawes. So voted.

On motion of Mr. John Heffernan, it was voted to adjourn this meeting, to convene at the Weymouth High School, on Wednesday evening, March 8, 1933, at 7:45 o'clock, in order that the Appropriation Committee might be able to revise their figures to conform to the vote of the above resolution.

Adjourned at 10:40 P. M.

CLAYTON B. MERCHANT,

Town Clerk.

TOWN CLERK'S CERTIFICATE

I hereby certify that notice of the adjourned Town Meeting was posted in ten or more public places in said Town under the provisions of Section 3 of Chapter 61 of the Acts of 1921 and amendments thereof.

CLAYTON B. MERCHANT,

Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

March 8, 1933

The time to which the annual town meeting adjourned as stated in the warrant having arrived, the meeting was called to order at 7:50 o'clock p. m. by George L. Barnes. Prayer was offered by Rev. Edward P. Murphy, Chaplain of the evening. 217 Town Meeting Members names were checked at the door by officers stationed there for that purpose.

Article 1 Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved as follows: To provide for the salaries, operation and expenses during the current fiscal year of the several town departments and activities, for certain permanent improvements and to meet certain requirements of the law, the several sums hereinafter set forth are hereby appropriated for the several purposes and subject to the conditions hereinafter specified, all such sums to be raised by taxation in the levy of the current year unless some other source of revenue is expressed.

- | | | |
|---------|---|----------|
| Item 1. | For all expenses of the Appropriation Committee
Tentatively adopted. | \$600.00 |
| Item 2. | For salaries and expenses of the Selectmen's Department
Tentatively adopted. | 6,341.66 |
| Item 3. | For the salary and all expenses of the Town Accountant's Department

Mr. John W. Field offered as an amendment that this sum be \$4,684.00. This amendment was put before the meeting and it was declared not a vote. The motion of the Appropriation Committee was tentatively adopted. | 6,200.00 |
| Item 4. | For the compensation of the Town Treasurer and all expenses of the Treasurer's Department

Mr. John W. Field moved as an amendment that this sum be \$2,090.00. This amendment was put before the meeting and it was declared not a vote. The motion of the Appropriation Committee was tentatively adopted. | 2,746.00 |
| Item 5. | For the compensation of the Tax Collector and all expenses of the Tax Collection Department

Mr. John W. Field offered as an amendment that this sum be \$5,888.00. Mr. David A. Tobin moved as an amendment that the salary of the Tax Collector be \$2,000.00. The amendment of Mr. Tobin was put before the meeting and declared not a vote. The amendment of Mr. Field was put before the meeting and was declared not a vote. The motion offered by Mr. Heffernan was put before the meeting and was declared tentatively adopted. | 7,200.00 |
| Item 6. | For the salaries and all expenses of the Assessors Department
Tentatively adopted. | 8,960.00 |
| Item 7. | For all expenses of the Legal Department including services rendered in the Supreme Judicial Court on the South Metropolitan Sewerage District No. 7521 | 4,287.40 |

Mr. John W. Field moved as an amendment: For the payment of all expenses of the Legal Department \$3,646.77. Recommended that remaining \$500 of Town Counsel's salary be paid by Water Department. This amendment of Mr. Field was put before the meeting and was declared not a vote.

The motion as offered by the Appropriation Committee was put before the meeting and it was tentatively adopted.

Item 8.	For the payment of damages	3,000.00
---------	----------------------------	----------

Item 9.	For the salary of the Town Clerk and all expenses of the Town Clerk's Department	2,925.78
---------	--	----------

Mr. John W. Field moved as an amendment that this sum be \$2,678.00. This amendment was put before the meeting and was declared not a vote. The motion offered by the Appropriation Committee was tentatively adopted.

Item 10.	For elections and registration of voters	2,054.00
----------	--	----------

Mr. John W. Field offered as an amendment that this sum be \$1,552.00. This amendment was put before the meeting and was declared not a vote. The motion offered by Mr. Heffernan was tentatively adopted.

Item 11.	For all expenses of the Engineering Department including the Town Survey and placing of bound stones on existing Town Ways the making of street surveys and such other engineering work as may be authorized by the Selectmen	4,045.00
----------	---	----------

Mr. John W. Field moved as an amendment that this sum be \$3,744.00. This amendment was put before the meeting and was declared not a vote. The motion as offered by Mr. Heffernan was tentatively adopted.

Item 12.	For all expenses of the Planning Board \$100.00.	
----------	--	--

Mr. John W. Field moved as an amendment that this sum be \$15.00. This amendment was put before the meeting and declared not a vote. Mr.

Francis A. Gunn moved as follows: It is moved, henceforth, the rules governing the taking of a roll call vote in the Weymouth Town Meetings shall be the same as the Massachusetts House of Representatives, Rule No. 68, which stipulates that the vote will be called by calling the roll whenever required by thirty members. After quite a discussion on this subject Mr. Gunn moved as an amendment: that when 12½ per cent of the members requested a roll call it be taken. Mr. Prince H. Tirrell moved as an amendment: that when 60 members of the members present request a roll call it be taken. Mr. Tirrell's amendment was put before the meeting and it was declared not a vote. Mr. Gunn's amendment was put before the meeting and it was declared not a vote. Mr. Gunn's original motion was then put before the meeting and it was declared not a vote. Mr. Thomas J. Kelly moved as an amendment to the Appropriation Committee's motion that the sum be \$50.00. This amendment was put before the meeting and it was so voted. The original motion as amended was then put before the meeting and was tentatively adopted.

50.00

- Item 13. For the maintenance of the Town Hall and War Memorials at the Civic Center, including the grounds. (Of this sum \$2,500.00 shall be expended under the direction of the Building Committee of the Town Hall and War Memorial for major repairs, the balance) to be expended under the direction of the Selectmen \$10,194.00.

Mr. John W. Field offered as an amendment: For the maintenance of Town Hall and War Memorials at the Civic Center, including the Grounds to be expended under the direction of the Board of Selectmen \$7,315.00.

This amendment was put before the meeting and was declared a vote. More than seven members having doubted the vote, a recount was ordered. The tellers reported 96 voting in the affirmative and 75 voting in the negative, the amendment was declared carried.

The motion of the Appropriation Committee as amended was tentatively adopted.

- Item 14. For the maintenance of the Civil War Soldiers Monument and the King Phillip's War Memorial, including the grounds, to be expended under the direction of the Selectmen 100.00

The motion of the Appropriation Committee was put before the meeting and was tentatively adopted.

- Item 15. For the salaries and all other expenses of the Police Department, of which sum \$200.00 shall be for the enforcement of the liquor law 68,054.00

This motion was put before the meeting and was declared tentatively adopted.

- Item 16. For the salaries and all expenses of the Fire Department 63,910.27

This motion was put before the meeting and was declared tentatively adopted.

- Item 17. For the compensation of the building Inspector and all other expenses of the Building Inspector's Department 2,530.62

This motion was put before the meeting and was declared tentatively adopted.

- Item 18. For the compensation of the Sealer of Weights and Measures and all other expenses 1,425.00

Mr. John W. Field moved as an amendment this sum be \$1,048.00 (no allowance for transportation). This amendment was put before the meeting and was declared not a vote. More than seven members having doubted the vote a recount was ordered. The tellers reported 70 voting in the affirmative and 78 voting in the negative, the amendment was declared not a vote. The motion offered by the Appropriation Committee was put before the meeting and was declared tentatively adopted.

- Item 19. For Gypsy Moth and other Insect Pest extermination 5,755.00
This motion was tentatively adopted.

- | | | |
|----------|---|------------|
| Item 20. | For the care of Shade Trees | 2,425.00 |
| | This motion was tentatively adopted. | |
| Item 21. | For Street Lighting | 36,000.00 |
| | This motion was tentatively adopted. | |
| Item 22. | For Harbor Master and all other expenses of the Harbor Master's Department | 275.00 |
| | Mr. John W. Field moved as an amendment that this sum be \$75.00. The amendment was put before the meeting and was declared not a vote. The motion of the Appropriation Committee was then put before the meeting and was tentatively adopted. | |
| Item 23. | For the salaries and all other expenses of the Board of Health | 10,575.00 |
| | This motion was tentatively adopted. | |
| Item 24. | For the employment of Nurses under the direction of the Board of Selectmen, who are hereby authorized to contract with the Weymouth Visiting Nurse Association to furnish the services of one or more nurses in cases where such services are a proper charge against the town | 2,000.00 |
| | This motion was tentatively adopted. | |
| Item 25. | For the maintenance of the Norfolk County Tuberculosis Hospital | 12,212.24 |
| | This motion was tentatively adopted. | |
| Item 26. | For Garbage Removal | 6,000.00 |
| | This motion was tentatively adopted. | |
| Item 27. | For Charities | 197,980.00 |
| | Of this sum \$152,980.00 is to be raised in the levy of the current year, the balance to be provided by the 10 per cent contribution in accordance with the provisions of the resolution adopted at the Annual Town Meeting of March 6, 1933, which contribution is to be paid to the Town Treasurer and is hereby appropriated for the purposes of this article. Provided that \$20,000.00 of this sum be used for the purchase of materials and equipment including | |

the staking of and placing of stone bounds and \$100,000.00 for relief of persons having a legal settlement in the Town, \$5,980.00 for the Town Infirmary, \$2,000.00 for Welfare Worker and expenses, \$1,000.00 for investigations, \$500.00 for miscellaneous expenses, \$60,000.00 for the relief of persons not having a legal settlement in the Town, and \$8,500.00 for reimbursement for relief provided by other cities and towns to persons having a legal settlement in this Town, and further provided that unless specifically appropriated otherwise this entire appropriation shall be expended under the direction and supervision of a committee composed of the elected members of the Board of Public Welfare and six citizens to be appointed by the Moderator, said committee as so constituted to be known as the Committee of Charities and Work in Lieu of Charity, and provided further that the said Committee shall have full power to suitably relieve, support and maintain persons in distress in such manner as they shall determine; provided further that the Moderator appoint a committee of five to petition the General Court for the enactment at this session of an act, the provisions of which are fully set forth in the recommendations of the Appropriation Committee under Item, Article 1.

Provided further that the several streets hereafter named shall be accepted by the Town and the conditions of the votes under Articles 13 and 15 of the warrant for the present Town Meeting shall be complied with, except in so far as Article 15 relates to Forest street between Randolph and Columbian streets, the work to be performed and the money to be expended shall in each instance be done under the direction and supervision of the aforesaid Committee of Charities and Work in Lieu of Charity,

Intervale Road from Glen Road to Lake Shore Drive.

Glen Road from Lake Shore Drive near Middle Street to Lake Shore Drive near Mill River.

Pine Ridge Road from Glen Road to

Lake Shore Drive.

Lake Shore Drive from Middle St., to land of Howe & French, Inc., including branch to Mill River.

Westminister Road from end of 1932 layout to a point near division line between land of Bater and land of Klosson.

Robinswood Road from Pine Circle to Lakewood Road and from Lakewood Road to land of Sargent.

Canacum Road from Cliff St., easterly to land of American Agricultural Chemical Co. and from Cliff St. westerly to land of Bradley.

Upland Road from Circuit Ave. near Middle St. running northwesterly to another part of Circuit Ave.

Circuit Ave. from Middle St. to swamp at end of proposed layout as shown on plan filed at town office.

Seminole Ave. from Pleasantview Ave. easterly to Trefton Ave. and from Idlewell Boulevard westerly a distance of 140 feet.

Hibiscus Ave. from Idlewell Boulevard westerly a distance of 290 feet.

Hunt Ave. from Central St. 693.96 feet northerly.

North Street lying north of Pilgrim Road and not relocated by the vote passed at the annual town meeting in March 1932 but as shown on a plan of Proposed Relocation of a part of North Street from Weymouth Fore River to Bridge Street (North) Weymouth, Mass. made by Russell H. Whiting, Civil Engineer, dated Jan. 15, 1932, as defined in description accompanying said plan.

Mr. Everett E. Callahan moved as an amendment: (1) That the Town raise and appropriate the sum of thirty thousand dollars for relief to persons, unable to work, having a legal settlement in Weymouth, said sum to be expended under the direction of the Board of Public Welfare.

(2) That the Town raise and appropriate the sum of one hundred and forty thousand dollars, no more than twenty thousand dollars of which sum shall be expended for materials and equipment, all of said sums to be ex-

pended for work in lieu of charity, under the supervision of a committee of nine, (one from each precinct), appointed by the moderator, said committee to have full authority to act as they deem fit for the best interests of the town, and, further, that all departments be and are, hereby ordered to procure all labor in excess of their regular winter crews from this committee, provided further, that only persons with a legal settlement in Weymouth be employed. The amendment of Mr. Callahan was put before the meeting and was declared not a vote. More than seven members having doubted the vote a recount was ordered. The tellers reported on the recount that 69 voting in the affirmative and 86 voting in the negative the amendment was declared not a vote. The motion of the Appropriation Committee was then put before the meeting and was tentatively adopted.

This motion was tentatively adopted.

Item 33. For the maintenance of Tufts Library and its branches. 19,576.00

For maintenance of the Fogg Library reading room, to be disbursed on vouchers signed by the Librarian thereof.

-

1,500.00

Mr. John W. Field moved as an amendment

(a) For the maintenance of Tufts Library and Branches. 16,699.00

(b) For maintenance of the Fogg Library Reading Room to be disbursed on vouchers signed by the Librarian there. 1,500.00

making a total of 18,199.00

This amendment of Mr. Field was put before the meeting and was declared not a vote.

The motion as offered by the Appropriation Committee was put before the meeting and it was tentatively adopted.

Item 34. For the observance of Memorial Day, to be expended under the direction of a committee of nine to be appointed from the several veteran and hereditary organizations in accordance with the provisions of General Laws (Ter. Ed.) Chapter 40, Section 5, Clause 12, by the Moderator, who shall designate the chairman, said amount to be available only in case evidence shall be filed with the Town Accountant that the graves of veterans of all wars have been decorated without discrimination. 700.00
This motion was tentatively adopted.

Item 35. For Parks and Playgrounds to be disbursed under the direction of the Park Commissioners, 4,787.50

Provided that no part of this sum shall be used for the care of Bailey Green, Rufus O. Clark Park, Jackson Square Plot or Weymouth Heights Green. Provided further that the care and maintenance of Bailey Green, Rufus O. Clark Park, Jackson Sq. Plot and Weymouth Heights Green be under the direction and supervision of the Commissioner of Public Works and work in lieu of Charity.

Mr. John W. Field moved as an amendment: For Parks and Playgrounds to be disbursed under the direction of Park Commissioners

2,425.00

(Eliminate Lights and Sidewalks, trim trees in Weston Park and supervise play of 1,790 total. Use unemployed for other work necessary. This amendment was put before the meeting and was declared not a vote. Mr. George H. McKinley moved as an amendment by substituting in place of previous amount five thousand dollars. This amendment was put before the meeting and was declared not a vote. The motion as offered by the Appropriation Committee was then put before the meeting as was tentatively adopted.

Item 36.	For Miscellaneous expenses, to be expended under the direction of the Board of Selectmen.	1,660.20
Item 37.	Unpaid bills; presented after the appropriation made for the purpose was expended.	6,354.26
Item 39.	For the salaries and other expenses of the Water Department all of which sums shall be paid from the revenue of said Department as follows:	
	(a) For minor construction	15,000.00

This motion was tentatively adopted. | 14,373.00 |
| Item 46. | For a Reserve Fund.

This motion was tentatively adopted. | 25,000.00 |

Mr. Melville F. Cate moved: That all motions tentatively adopted be regularly adopted.

Mr. John W. Field offered the following amendment:

That the total sum of money appropriated for the following departments for 1933 shall not exceed eighty-five per cent of the amount appropriated in 1932 for the same department.

Appropriation Committee	Collector of Taxes
Town Accountant's Department	Town Clerk's Department

Engineering Department	Assessors' Department
Maintenance and upkeep of Town	Elections and Registrations
Hall and War Memorials	Planning Board
Building Inspector	Police Department
Gypsy Moth and other Insect Pest	Fire Department
Extermination	Sealer of Weights and Measures
Harbor Master	Care of Shade Trees
Schools	Street Lighting
Parks and Playgrounds	Highway Department
Alewife Fishery	Libraries
Selectmen's Department	Water Department
Town Treasurer's Department	Police and Fire Signal Systems

This amendment was put before the meeting and was declared not a vote.

Mr. Francis A. Gunn moved to reconsider the amendment. The motion was put before the meeting and was declared not a vote.

Mr. John W. Field moved as an amendment to Article 1.

That no money appropriated under this article shall be used for mileage allowance for private owned automobiles; telephone service at homes of municipal employees, elected and appointed officers; and traveling expenses of officials and employees of all the departments outside the Commonwealth upon matters which may tend to improve the service in their respective departments; nor as compensation for any official or employee who shall be required to leave the Town for the purpose of attending on behalf of the Town any hearing before an administrative Board of official or before a court or otherwise as a witness. This amendment was put before the meeting and was declared not a vote. More than seven members having doubted the vote a recount was ordered. The tellers reported 57 voting in the affirmative and 80 in the negative.

The motion of Mr. Cate to adopt the several items in Article 1 as amended. This question was put before the meeting and was so voted.

Mr. Francis A. Gunn moved to reconsider the vote whereby it was voted to adopt the several items in Article 1 as amended.

This motion was put before the meeting and was declared not a vote.

William W. Wakeman moved to adjourn until Friday evening, March 10, 1933.

Mr. Burton F. Johnson moved as an amendment that this meeting do now adjourn to meet to-morrow (Thursday) evening at 7:45 o'clock.

The amendment was put before the meeting and it was so voted.
Adjourned at 11:35 o'clock.

I hereby certify that 10 notices of the adjournment was posted in ten places in the town, as provided in Chapter 33 of the Acts of 1930.

CLAYTON B. MERCHANT,
Town Clerk.

TOWN CLERK'S CERTIFICATE

I hereby certify that notice of the adjourned Town meeting was posted in ten or more public places in said Town of Weymouth, under the provisions of Section 3 of Chapter 61 of the Acts of 1921 and amendments thereof.

CLAYTON B. MERCHANT,
Town Clerk.

ADJOURNED ANNUAL TOWN MEETING

March 9, 1933

Pursuant to the vote taken at the adjourned annual town meeting on Wednesday evening, March 8, 1933, the meeting was called to order at 7:50 o'clock, George L. Barnes, Annual Moderator presiding. Prayer was offered by Rev. William G. Sewall, pastor of the Pilgrim Congregational Church of North Weymouth.

Article 2. Mr. John W. Heffernan, Secretary of the Appropriation Committee moved: That all committees that have not rendered a final report be continued until the work under their charge is completed.

Mr. George S. Peterson moved as an amendment (1) That the committee on the report of the Laban Pratt Hospital Memorial Fund be accepted and the committee be discharged. (2) That a new committee be appointed at this time to investigate all possibilities of building Memorial Hospital and Nurses Home at once with the stipulation that only Weymouth citizens be employed on all works of construction only. (3) If said Hospital and Nurses Home could be built and completely equipped for \$300,000. leaving a balance of \$121,000. for maintenance. The committee to be authorized to carry on work of construction at once. The amendment of Mr. Peterson was put before the meeting and was declared not a vote.

The motion of the Appropriation committee was put before the meeting and was declared a vote.

The Town Clerk read a report of the committee appointed at the last annual town meeting to investigate the advisability of petitioning the Legislature of an amendment to Chapter 61 Acts of 1921, which will debar all or any persons receiving a salary from the town from being Town Meeting Members as follows: Your committee, consisting of John P. Lovell, Chairman, Howard M. Clark and Matthew O'Dowd, have given the following petition due consideration and are pleased to submit their findings to you:

"To see if the town will vote to instruct the Town Counsel to prepare a petition for the enactment of an amendment to Chapter 61 Acts of 1921, which will debar all or any persons receiving a salary from

the town being town meeting members or take any other action relative thereto."

Statistics have proven that no one time have the town meeting members consisted of over 10 per cent of any person or persons receiving a salary from the town. In the Town of Weymouth the average is much below this percentage, and particularly at the present time.

As tax-payers of the Town of Weymouth, any man or woman who is a property owner has the right to become a town meeting member. Also, as this is an electorate condition, it behooves the voters to pass their judgment as to whether or not they shall become a member. In other words, the town voters are in a position to defeat at the polls, by their individual vote, the candidacy of any person or persons who may be under the payroll of the town, or an officer of the town.

Again we find that there are certain advantage in perhaps having one of the members of various departments representing the town as members of the town assembly. In weighing the advantages and disadvantages, it seems that the right course should prevail, due to the fact, as above stated, that the voters have the privilege of defeating the candidate for membership by their vote at the polls.

We therefore agree and do hereby hope that the town meeting members will allow the condition to remain as it has formerly; that is, that all or any persons being citizens of Weymouth, who desire to become town meeting members, whether or not they hold office, or are so favored by their election.

Respectfully,
JOHN P. LOVELL, Chairman
MATTHEW O'DOWD
HOWARD W. CLARK

Voted that the report of the committee be accepted.

Voted on motion of Everett E. Callahan that Article 28 be now taken up.

Everett E. Callahan moved: that the town vote to instruct the Town Counsel to prepare a petition for the enactment of an amendment to Chapter 61 Acts of 1921, which will debar all or any persons receiving a salary from the town from being town meeting members.

This motion was put before the meeting and was declared not a vote.

Everett E. Callahan moved to reconsider the above vote. The question was put before the meeting and declared not a vote.

Under Article 2 Mr. Wallace H. Bicknell moved: That the Moderator appoint a committee of five (5) to draft a petition and proposed act to introduce into the session of the present General Court designed to repeal all provisions of laws whereby the Town of Weymouth has become a member of the South Metropolitan Sewerage System. This motion was put before the meeting and was declared not a vote.

Mr. William B. Dasha moved: That the Selectmen be instructed to petition the General Court for legislation providing the members of the Board of Selectmen shall be elected by the respective wards of the town.

This motion was put before the meeting and was declared not a vote.

On motion of John W. Hefferban, Sec. Ap. Com.

Article 3. Voted unanimously: That the Town Treasurer, with the approval of the Selectmen, be and hereby is authorized to borrow money from time to time, in anticipation of the revenue of the financial year beginning January 1, 1933, and to issue a note or notes therefor, payable within one year, and to renew such note or notes as may be given for a period of less than one year in accordance with Section 17, Chapter 44, General Laws; any debt or debts incurred under this vote to be paid from the revenue of the financial year beginning January 1, 1933.

On motion of John W. Heffernan, Sec. App. Com.

Article 4. Voted unanimously: That the Town Treasurer, with the approval of the Selectmen be and hereby is authorized on and after January 1, 1934, to borrow such money from time to time in anticipation of the revenue of the fiscal year beginning January 1, 1934, and to issue a note or notes therefor, payable within one year from the date of issue and that any debt or debts incurred under this vote to be paid from the revenue of the fiscal year in which they were contracted.

Article 5. John W. Heffernan of the Appropriation Committee moved: To appropriate from Surplus Revenue, for the use of the Assessors in determining the tax rate for 1933, the sum of \$83,943.30, this being the amount of the assessments in 1931 and 1932 for Weymouth's apportionment as a member of the South Metropolitan Sewerage District.

This question was put before the meeting and was declared a vote.

Article 6. John W. Heffernan moved: That the salary of the Tax Collector be six mills on each dollar of taxes collected, and that the Selectmen be authorized to insure the Tax Collector in the sum of \$15,000.00 hold-up insurance; and further that in any case where the Building Inspector certifies to the Tax Collector that the building on any property where taxes are unpaid is not in conformity with the building laws, the Collector shall instead of selling the property, take the same for the town under General Laws, Chapter 60, Section 53, and following. The time of payment and rates of interest on unpaid taxes shall be fixed in accordance with the provisions of Chapter 59, Section 57, of the General Laws.

Mr. William D. Parker moved as an amendment: That the rate of interest on unpaid taxes be 4 per cent instead of 6 per cent. The Town Counsel ruled that the General Laws fixed the rate of interest and Mr. Parker asked unanimous consent to withdraw his amendment, which was duly granted.

The motion of the Appropriation Committee was put before the meeting and was declared a vote.

Article 7. Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved: That the Selectmen be authorized to sell or otherwise dispose of all real estate of which the town has possession or

title, including all property taken for non-payment of taxes, and to execute and acknowledge sufficient deeds therefor, all such sales of real estate to be by public auction unless in the opinion of the Selectmen the fair value of the property to be sold in each case does not exceed \$100.00 in which case and in the case of all sales of personal property the sale may be made by public auction or private sale as the Selectmen may deem for the best interests of the town, and that the Board or officer in charge of any other town department may, with the approval of the Board of Selectmen, sell at public auction or private sale as the Board of Selectmen may approve, any personal property belonging to said department which in the opinion of the officer or board in charge of the department is no longer needed by the town and which in the opinion of the Selectmen is not needed by any other town department. So voted.

Article 8. Mr. John W. Heffernan, Secretary of the Appropriation Committee moved: That the Board of Selectmen be authorized to accept conveyances or mortgages of any real or personal property belonging to persons receiving poor relief and to dispose of said property under the provisions of Article 7 in such manner as they may judge for the best interests of the town and where said property is subject to any incumbrance if they consider it for the best interest of the town to discharge said incumbrance they are hereby authorized to do so and the sum of \$1.00 be raised and appropriated for the purpose of discharging any such incumbrance. So voted.

Article 9. Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved: That all insurance money which the town may receive between now and the next annual Town Meeting for the destruction or damage by fire or lightning of any town property is hereby appropriated for the purpose of replacing or repairing the property so destroyed or damaged and with the approval of the board in charge of the Municipal Buildings Insurance Fund may be paid out for said purpose on the order of the board or official in charge of the department having control of the property so destroyed or damaged. Voted further that in case any town property not covered by insurance or of which the town is co-insurer under any provision of the policy shall be destroyed or damaged by fire or lightning before the next annual Town Meeting, the board in charge of the Municipal Buildings Insurance Fund are hereby authorized to pay from said fund and its accumulations of interest for the replacing or repairing of said property a sum not exceeding the fair replacement value of the uninsured property so destroyed or damaged and not exceeding the town's proportion of said fair replacement value of any property of which the town is co-insurer. This motion was put before the meeting and was so voted.

Article 10. Mr. John W. Heffernan moved: That the Board of Selectmen are hereby authorized to execute agreements with certain abutters on Broad Street to waive damages in case of a widening in all future cases, where public improvements are under consideration. This motion was put before the meeting and was declared voted.

Article 11. Mr. John W. Heffernan moved: To appropriate from the General Fund of the Water Department \$10,000.00 for carrying on work for private parties, payment for such work to revert to the Gen-

eral Fund of the Water Department. This motion was put before the meeting and was declared voted.

Article 12. Mr. John W. Heffernan, Secretary of the Appropriation Committee moved: To re-affirm the action taken under Article 12 of the warrant for the annual Town Meeting in 1928, Article 12 of the warrant for the annual Town Meeting in 1929, Article 18 of the annual Town Meeting of 1930, Article 12 of the warrant for the annual Town Meeting in 1931, and Article 21 of the warrant for the annual Town Meeting in 1932 authorizing the Board of Water Commissioners to acquire by gift or purchase or take by right of eminent domain for the purpose of protecting the purity of the town's water supply certain land lying within the watershed of Great Pond and not already owned by the town, and that the sum of \$15,000.00 be appropriated from the surplus of the Water Department for the acquisition of said land including the expense of any legal proceedings and the payment of any recording fees for instruments or taking or conveyances.

Mr. Stuart Briggs moved to amend: That the sum of \$15,000. be taken from the income of the Water Department and applied to the General Fund of the town to help in reducing the tax rate for 1933.

Mr. Phillips B. Hunt moved as an amendment that the sum be \$1.00 instead of \$15,000. The amendment of Mr. Briggs was put before the meeting and was declared not a vote. More than seven members doubted the vote. A recount was ordered. The tellers reported 58 voting in the affirmative and 58 voting in the negative. Mr. Prince H. Tirrell moved to reconsider the above vote. The tellers reported 83 in the affirmative and 33 in the negative. Mr. Prince H. Tirrell raised the point of order that the amendment was not germane to the question before the meeting and the Moderator ruled that the amendment of Mr. Briggs was not germane to the question before the meeting and ruled the amendment out of order.

Mr. Everett E. Callahan moved to amend as follows: That the amount to read \$1.00 and add the following words, "That the sum of \$14,000.00 be taken from the surplus of the Water Department to be expended on the improvement of land already owned by the town."

Mr. Francis A. Gunn moved: That the subject matter of this article be laid on the table. The tellers reported 32 voting in the affirmative and 84 in the negative. The motion was declared not a vote.

The motion of Mr. Hunt was put before the meeting and was declared voted. More than seven members having doubted the vote, a recount was ordered. The tellers reported 66 voting in the affirmative and 56 voting in the negative. The motion was declared voted.

The amendment of Mr. Callahan was then put before the meeting and was declared not a vote.

The motion of the Appropriation Committee as amended by the amendment of Mr. Hunt was then put before the meeting and was declared voted.

Article 13. Mr. John W. Heffernan moved: That the town accept

the several reports of the Board of Selectmen laying out as town ways the following private ways and parts of ways, to wit:

Intervale Road from Glen Road to Lake Shore Drive.

Glen Road from Lake Shore Drive near Middle Street, to Lake Shore Drive near Mill River.

Pine Ridge Road from Glen Road to Lake Shore Drive.

Lake Shore Drive from Middle Street, to land of Howe & French, Inc., including branch of Mill River.

Westminister Road, from end of 1932 layout to a point near division line between land of Bater and land of Klosson.

Robinswood Road from Pine Circle to Lakewood Road and from Lakewood Road to land of Sargent.

Canacum Road from Cliff Street, easterly to land of American Agricultural Chemical Co. and from Cliff Street westerly to land of Bradley.

Upland Road from Circuit Avenue near Middle Street running northwesterly to another part of Circuit Avenue.

Circuit Avenue from Middle Street to swamp at end of proposed layout as shown on plan filed at town office.

Seminole Avenue from Pleasantview Avenue easterly to Trefton Avenue and from Idlewell Boulevard westerly a distance of 140 feet.

Hibiscus Avenue from Idlewell Boulevard westerly a distance of 290 feet.

Hunt Avenue from Central Street 693.86 feet northerly. and that the Board of Selectmen be authorized to acquire by gift or purchase or take by right of eminent domain as easement for all purposes of a public street and highway in and over each of said streets as so laid out and accepted, and that the sum of \$1.00 be raised and appropriated for the acquisition of each of the foregoing easements, provided, however, that no money shall be paid out or expended for the work of any of said streets until the Town Counsel files with the Town Accountant a certificate that a release which he regards as sufficient covering said streets has been delivered to him for record.

Mr. Robert H. Buchan moved: To strike out so much of the report as relates to Canacum Road. Mr. George H. McKinley asked to have the motion of the Appropriation Committee divided. Mr. Buchan moved: To strike out that part of Canacum Road as relates from Cliff Street westerly to land of Bradley. This motion was put before the meeting and was declared not a vote.

Mr. McKinley moved that the report relating to Canacum Road be accepted. The tellers reported 76 voting in favor and seven voting in the negative.

The motion of the Appropriation Committee under this article was

then put before the meeting and the tellers reported 89 voting in the affirmative and none in the negative, the Moderator declared it an unanimous vote.

Article 14. John W. Heffernan, Secretary of the Appropriation Committee, moved: That no action be taken under this article. So voted.

Article 15. John W. Heffernan, Secretary of the Appropriation Committee, moved: That the town accept the report of the Selectmen relocating that portion of North Street lying north of Pilgrim Road and not relocated by the vote passed at the annual Town Meeting in March, 1932, but as shown on a plan of proposed relocation of a part of North Street from Weymouth Fore River to Bridge Street (North) Weymouth, Mass., made by Russell H. Whiting, civil engineer, dated January 15, 1932, (and defined in the description accompanying said plan) and that the Board of Selectmen be authorized to acquire by gift or purchase or take by right of eminent domain as easement for all purposes of a public street and highway in and over each of said street as so laid out and accepted, and that the sum of \$1.00 be raised and appropriated for the acquisition of the foregoing easement, provided, however, that no money shall be paid out or expended for the work of said street until the Town Counsel files with the Town Accountant a certificate that a release which he regards as sufficient covering said street has been delivered to him for record.

The tellers reported 87 voting in the affirmative and none in the negative, the Moderator declared it an unanimous vote.

Article 16. Mr. John W. Heffernan moved: That the town raise and appropriate the sum of \$1,000.00 for the construction of a permanent sidewalk and curbing on Pleasant Street from Crawford Machine Works to Independence Square. This motion was put before the meeting and declared voted.

Article 17. John W. Heffernan moved: That the subject matter of this article be referred to the Street Department. So voted.

Article 18. John W. Heffernan, Secretary of the Appropriation Committee, moved: That the subject matter of this article be referred back to the committee heretofore appointed in reference to the matter. So voted.

Article 19. John W. Heffernan, Secretary of the Appropriation Committee, moved: That the town raise and appropriate the sum of \$1,500.00 for the grading and drainage of Ells Avenue, South Weymouth. So voted.

Article 20. John W. Heffernan, Secretary of the Appropriation Committee, moved: To raise and appropriate the sum of \$1.00 for the purposes of this article. So voted.

Article 21. John W. Heffernan, Secretary of the Appropriation Committee, moved: To raise and appropriate the sum of \$50.00 for the purpose of purchasing and installing a bronze tablet on the rear of the westerly side of the Memorial Wall, the tablet to be inscribed

Lieutenant Ralph Talbot Theatre. The expenditure of this amount to be under the direction and supervision of the Building Committee of the Town Hall and War Memorial.

Mr. Prince H. Tirrell moved as an amendment by striking out the words "Building Committee of the Town Hall and War Memorial" and by inserting the words "School Committee." This amendment was put before the meeting and it was so voted. The motion of the Appropriation Committee as amended was put before the meeting and it was so voted.

Article 22. Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved: That the Town Hall and War Memorial Building Committee be and hereby are directed to erect on the land southerly of the Memorial Cross and easterly of the High School Driveway a building which shall be a reduced copy of Holden Chapel of Harvard University, for the housing of such relics and other mementos of the military history of Weymouth as may be placed in the custody of the town by Reynolds Post No. 58, Grand Army of the Republic, or any other veteran organizations in accordance of the vote of the town under Article 40 of the warrant for the annual Town Meeting of 1932; and that for the erection of said building the said committee be authorized to call upon the officials in charge of charities and work in lieu of charity for labor not in excess of \$4,000.00 and for not exceeding 8 per centum of the moneys heretofore appropriated for the purchase of material in connection with charities; and that to meet the other expenses which may be incurred in the erection of said building the interest of the John B. Rhines Fund now on hand or which may accumulate before the next annual town meeting be and hereby is appropriated for the use of said committee.

Mr. Frederick Humphrey moved: That the subject matter of this article be postponed until the next annual Town Meeting. After a long discussion on this subject, Mr. Harold F. Loud moved the previous question and it was so voted. The question of Mr. Humphrey was put before the meeting and declared not a vote. More than seven members having doubted the vote, a recount was ordered. The tellers reported 29 voting in the affirmative and 78 in the negative. The motion was lost.

Mr. Frederick V. Nolan moved as a substitution motion: That the town accept the report of the committee but not its recommendations and further move that we thank and dismiss the committee.

This substitute motion was put before the meeting and was declared voted.

Article 23. Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved: That the care and maintenance of the cemeteries cited under this article be under the direction and supervision of the Committee on Charity and in lieu of charities.

Mr. Joseph A. Fern moved as a substitute motion: That the Selectmen be instructed to contract with Wessagusset Post No. 1399 of the Veterans of Foreign Wars of the United States for the care and maintenance of certain cemeteries in the town, namely: Old Cemetery

off Park Avenue; Old Cemetery on Pleasant Street opposite Fairmount Cemetery; Old Cemetery opposite Pine Street on Pleasant Street and one located off Randolph Street, and that the sum of \$600.00 be raised and appropriated to be paid to Wessagusset Post, V. F. W. No. 1399, for the care of said cemeteries during the current year.

This substitute motion was put before the meeting and it was so voted.

Article 24. Voted on motion of Mr. Heffernan: That no action be taken under this article.

Article 25. Mr. John W. Heffernan, Secretary of the Appropriation Committee, moved: To authorize the Town Treasurer with the approval of the Selectmen to execute and deliver to Robert W. Jones of Roxbury or James W. Thompson of South Weymouth sufficient deed or conveyance of the four lots of land on Main Street, Pine Grove Park off Union Street, numbered 356, 357, 358, and 359, also four lots on Curtis Street, Pine Grove Park, numbered 364, 365, 366 and 367; also four lots of land on Curtis Street, Pine Grove Park, numbered 441, 442, 443 and 444 for which lots the above-mentioned Jones and Thompson hold receipts, and will authorize the Town Treasurer, with the approval of the Selectmen, to execute and deliver the deeds for the same. This motion was put before the meeting and it was so voted.

Article 26. The Appropriation Committee recommended no action under this article.

Mr. Mathias E. Doyle moved as a substitute motion: That the Town of Weymouth accept Chapter 31, Section 48 of the General Laws and amendments thereto, insofar as relates to the acceptance of civil service for the regular members and it shall include the call members of the Fire Department.

After a long discussion on this question, Mr. George S. Peterson moved the previous question, and it was so voted.

The question on the motion of Mr. Doyle was put before the meeting and it was so voted.

Mr. Doyle under this article further moved: That the town request the Legislature for an enabling act to allow the Chief of the Weymouth Fire Department to be under Civil Service laws, and that the Moderator appoint a committee to draft and introduce a petition to the General Court at this session for this purpose.

This motion was put before the meeting and was so voted.

Article 28. Already acted upon.

Article 29. Mr. Everett E. Callahan moved as an amendment to the By-Laws: "No town officer, nor any salaried employee or official of the town, shall sell materials or supplies to the town, nor receive any compensation or commission, directly or indirectly, for services rendered by him to the town, except his official salary and fees allowed by law, without obtaining in each case of the above cases the permission of the Board of Selectmen expressed in a vote which shall appear

on their records with the reasons therefor."

This amendment to the By-Laws was regularly adopted.

Article 30. Mr. Everett E. Callahan moved to add the following section to its By-Laws: "Any board or officer in charge of a department may, with the approval of the Board of Selectmen, sell any personal property or material not required by such department and not exceeding \$300.00 in value, provided that such personal property or material shall be sold at public auction if, in the opinion of the Board of Selectmen, its sale value is more than \$50.00."

This amendment was regularly adopted.

Article 31. Mr. Everett E. Callahan moved as an amendment to the By-Laws: "Every officer or board in charge of a department and every committee of the town, when authorized to do any public work, or to purchase any supplies, material or property, or erect or construct or repair any building, the estimated cost of which exceeds five hundred dollars, shall make a written contract therefor; and, before executing any such contract shall invite proposals therefore; by advertising on one or more Weymouth papers, such notice of proposals stating time and place for opening proposals, provided further that such board, officer or committee shall furnish proper forms and further that such board, officer or committee shall reserve the right to reject any or all proposals.

This amendment was regularly adopted.

Article 32. Mr. Everett E. Callahan moved: To instruct all departments to letter all equipment properly designating its ownership. Mr. Callahan moved as an amendment, by adding the words: except the motor vehicles of the Police Department. This amendment was so voted. The motion as amended was then put before the meeting and it was so voted.

Article 33. Mr. Heffernan moved that the subject matter of this article be referred to the Park Commissioners. Mr. Matthew O'Dowd moved as an amendment by striking out the words Park Commissioners and insert the words Water Department. So voted. The motion as amended was so voted.

Article 34. Mr. John W. Heffernan moved: That a committee of five be appointed to investigate the naming of streets within the town and to make recommendations to the next Town Meeting relative to eliminating the duplication or similarity of street names in the several sections of the town. So voted.

Article 35. Mr. Heffernan, Secretary of the Appropriation Committee, moved: That the town raise and appropriate the sum of \$1,399.50 for reimbursing the Commonwealth for the installation of a traffic signal system on Bridge Street. This motion was put before the meeting and it was so voted.

Article 36. Mr. Heffernan, Secretary of the Appropriation Committee, moved: To raise and appropriate the sum of \$155.44 for the purpose of maintaining, during the ensuing year, the mosquito control works as estimated and certified to be the State Reclamation

Board in accordance with the provisions of Chapter 112, Acts of 1931. This question was put before the meeting and it was so voted.

VOTED: That the thanks of the town be extended to George L. Barnes, annual Moderator, for the able and efficient manner in which the annual Town Meeting of 1933 has been conducted, these thanks were extended by a rising vote of the members present.

Adjourned without date at 11:50 P. M.

CLAYTON B. MERCHANT, Town Clerk

PETITION FOR RECOUNT

Weymouth, March 18, 1933

We, the undersigned of Precinct 8 voters, petition for a recount of the ballots cast in the election on Monday, March 13, 1933, for Town Meeting Members between Everett E. Leavitt, 110 Hibiscus Avenue, Idlewell, Weymouth, and Edwin R. Hanson, 25 Richards Road, Weymouth, and we believe that a recount will affect the election of one or the other candidates voted for such election.

The recount to be on the above two candidates for the purpose of deciding a tie vote of 156 votes each received by the candidates in question for Town Meeting Member from Precinct 8.

Everett L. Leavitt — Mabel Ritchie — Alexander Ritchie — Arthur H. Hayward — Gertrude Cook — Ernest C. Morse — Nowell C. Kelley — Nora N. LaBaron — George J. LaBaron — Russell L. Beale — Francis A. Chamberlain — Annie M. Beale.

(Signed) EVERETT E. LEAVITT

Commonwealth of Massachusetts

Weymouth, March 16, 1933

Norfolk ss.

Then personally appeared the above Everett L. Leavitt and acknowledged the above statement true to the best of his knowledge and belief.

CLAYTON B. MERCHANT

Justice of the Peace

My commission expires Aug. 16, 1933

Weymouth, March 24, 1933

Upon the above petition the Board of Registrars of voters met at the Selectmen's room and proceeded to recount the ballots cast at the election March 13, 1933, for Town Meeting Members from Precinct 8, the Town Counsel gave a decision that the Registrars were obliged to recount the ballots cast for all candidates and they proceeded to recount

The result of the recount was as follows:

H. Scott Brown	156
Anthony L. Cassese	118
Benjamin M. Gowan	195
John W. Coyle	217
Edwin R. Hanson	158
Everett L. Leavitt	156
Richard M. Little	133
Paul A. Newsome	168
James H. Phalan	47
Charles S. Sholes	37

Arthur R. Tilton	65
Fred W. Webb	97
Charles H. Wilder	231

Attest: EMERSON R. DIZER, Ass't Town Clerk

Town Clerk, Clayton B. Merchant

Dear Sir:

Petition to fill vacancy Precinct 8, Town Meeting Member

We, the undersigned Town Meeting Members of Precinct 8, do petition you to fill a vacancy which exists in our Precinct 8 due to a tie vote between Everett E. Leavitt and H. Scott Brown.

We ask you to proceed to call us together under the Representative Town Meeting Laws, Section 7, Chapter 61, Acts of 1931.

The purpose of such a meeting is to vote by ballot to choose one of the above candidates as a Town Meeting Member of Precinct 8. Allan C. Emery — B. M. Gowan — A. H. Hayward — John W. Coyle — Parker T. Pearson — Paul A. Newsome — Harry E. Johnson — Edwin R. Farren — C. H. Wilder — Frederick E. Lunt — Edwin R. Hanson — R. Edward Bates — Prescott Brown.

Notices were sent to all Town Meeting Members of Precinct 8 to meet at the Town Hall Wednesday, May 3, 1933, at 7 o'clock, for the purpose of electing a Town Meeting Member for said precinct to fill a vacancy caused by a tie vote in the election of March 13, 1933.

Charles H. Wilder was elected chairman and Paul A. Newsome as Secretary. Wilbur T. Roberts, 447 Commercial Street, was elected to fill the vacancy for 1 year.

Attest: EMERSON R. DIZER, Ass't Town Clerk

WARRANT FOR SPECIAL TOWN MEETING COMMONWEALTH OF MASSACHUSETTS

Norfolk, ss.

To the Constables of the Town of Weymouth in said County.
GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in Town affairs, to meet in the Weymouth High School Gymnasium (Boy's) on

Wednesday, the Third Day of May, 1933

at seven o'clock and forty-five minutes in the evening, then and there to act on the following articles, namely:

Article 1. (By direction of the Selectmen and on petition of abutter son the several streets hereinafter named).

To see if the Town will accept the several reports of the Selectmen laying out as Town ways the following designated private ways and parts of ways, or any of them, to wit:

Intervale Road from Glen Road to Lake Shore Drive; Glen Road from Lake Shore Drive near Middle Street to Lake Shore Drive near Mill River;

Pine Ridge Road from Glen Road to Lake Shore Drive; Lake Shore Drive from Middle Street to land of Howe & French, Inc., including branch to Mill River;

Westminster Road from end of 1932 layout to a point near division line between land of Bater and land of Klosson;

Robinswood Road from Pine Circle to Lakewood Road and from Lakewood Road to land of Sargent;

Upland Road from Circuit Avenue near Middle Street, running northwesterly to another part of Circuit Avenue;

Circuit Avenue from Middle Street to swamp at end of proposed layout as shown on plan filed at Town office;

Seminole Avenue from Pleasantview Avenue easterly to Trefton Avenue and from Idlewell Boulevard westerly a distance of 140 feet; Hunt Avenue from Central Street 693.86 feet northerly;

Hibiscus Avenue from Idlewell Blvd. westerly a distance of 290 feet or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public street and highway in and over each of said streets as so laid out and accepted, and to see what sum of money the Town will vote to raise and appropriate for the working of each of the above named streets, including the acquisition of the easements above referred to and for the building of any bridges, drains and conduits which may be necessary in connection therewith and to see whether the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets or to take any other action in reference thereto.

Article 2. (By direction of the Selectmen and on petition of abutters on the street hereinafter named).

To see if the Town will accept the report of the Selectmen laying out as a Town way the following designated private way or any portion of said way, to wit:

Canacum Road from Cliff Street easterly to land of American Agricultural Chemical Co. and from Cliff Street Westerly to land of Bradley,

and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public street and highway, and to see what sum of money the Town will vote to raise and appropriate for the working of the above named street, including the acquisition of the easement above referred to and for the building of any bridges, drains and conduits which may be necessary in connection therewith and to see whether

the Town will authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with said street, or to take any other action in reference thereto.

Article 3. To see if the Town will vote to authorize the Moderator to appoint a Committee of five to petition the General Court at this session for legislation to enable the Town to lay out, construct and maintain a system or systems of mains, drains and common sewers for the disposal of sewage, and to enable the Town to issue notes, bonds or scrip for the purpose of defraying the expense thereof, or take any other action relative thereto.

Article 4. (By direction of the Selectmen) To see what sum of money the Town will vote to raise and appropriate for the repair and improvement of Middle Street between Main Street and Washington Street, provided an appropriation is made and allotted by the Dept. of Public Works, Division of Highways, of the Commonwealth under the provisions of Section 34, Chapter 90 of the General Laws, Tercentenary Edition, to help defray the expense thereof, or take any other action in relation thereto.

Article 5. To see what sum of money the Town will vote to raise and appropriate for the payment of unpaid bills of prior years, or take any other action relative thereto.

Article 6. (By direction of the Selectmen) To see if the Town will vote to accept the provisions of House Bill No. 1246, or take any other action in relation thereto.

You are directed to serve this warrant by posting a copy thereof, attested by you in writing, in each of two public places in each voting precinct in said Town, seven days at least before the time for holding said meeting.

Hereof fail not, make due return of this warrant with your doings thereon to the Town Clerk of said Town on or before the first day of May, 1933.

Given under our hands at Weymouth this twentieth day of April, in the year of our Lord, One Thousand Nine Hundred and Thirty-three.

EVERETT E. CALLAHAN, Chairman
JOSEPH A. FERN, Clerk
JOSEPH CREHAN,
WILLIAM A. CONNELL,
H. FRANKLIN PERRY,

Selectmen of Weymouth

A true copy, Attest:

Constable of Weymouth

SPECIAL TOWN MEETING

May 3, 1933

Pursuant to the within warrant a special meeting of the inhabitants of the town of Weymouth, represented by its duly elected and qualified Town Meeting Members, was held at the Boys' Gymnasium of the Weymouth High School on Wednesday evening, May 3, 1933.

The meeting was called to order at 7:50 p. m. by George L. Barnes, annual moderator, presiding and he requested Emerson R. Dizer, assistant Town Clerk, to read the warrant. After reading the call for the meeting on motion of Mr. Frank G. Hale Jr. it was voted: that the further reading of the warrant be omitted. The clerk then read the last three paragraphs of the warrant and the attestation of the constable who served the warrant.

The moderator then requested Rev. Dr. Winfield S. Randall, pastor of the Congregational Church, East Weymouth, to invoke Divine Blessing upon the deliberations of this meeting.

The following were sworn as Town Meeting Members:

Thomas H. Calnan, John A. Carter, Charles W. Clark, Emerson J. Coldwell, William B. Dasha, Joseph A. Delorey, R. Chester Lopaus, Warren F. Roulston, Edwin R. Sampson, Roland T. Seabury, Henry O. Tutty, Wilbur F. Woodworth, Corydon S. York.

James D. Bosworth, Thomas J. Kelly, Harry A. Mattson, Robert E. Mitchell, Albert R. Schofield, Benjamin B. Sylvester.

C. Lincoln Abbott, George H. Bicknell, Leon P. Bourke, A. Warren Clapp, William J. Coyle, Joseph Crehan, Samuel F. Cushing, Francis M. Dodge, Edward W. Hunt, Flurence I. Lyons, Thomas Sweeney, John F. Tracy.

John F. Pierce, Everett E. Callahan, William A. Connell, Chesley Cormack, Richard Halloran, Arthur B. Tirrell, Theron L. Tirrell.

Edgar C. Alger, Wallace A. Bicknell, William M. Chance, Ernest G. Crowther, Jacob Denbroeder, James C. Fairweather, Frank G. Hale Jr., Arthur W. Harkinson, Guy W. C. Hartt, Phillips B. Hunt, Arthur I. Negus, William G. B. Park, R. Craig Pierce, Wallace S. Raymond, Arthur F. Sargent, Daniel P. Sullivan, Ralph E. Taylor, Porter W. Thompson, Marcus L. Tirrell.

Chester C. Boyle, Louis A. Cipullo, Charles T. Cotter, James E. Downes, Joseph A. Fern, L. Henry Godin, William A. Hannaford, Philip T. Jones, Oakley A. Kunz, Sheldon W. Lewis, John H. Moran, Henry C. Pratt, Robert T. Whitmarsh.

Charles J. Downing, Charles E. Eddy, E. Lillian Rea, Warren E. Garey, William T. Wyman.

Benjamin M. Gowan, John W. Coyle, Edwin A. Hanson, Paul A. Newsome, Wilbur T. Roberts, Charles H. Wilder.

Sumner P. Bowker, Melville F. Cate, Harrison I. Cole, John W. Field, Walter R. Field, Francis A. Gunn, John E. Horace, Ritchie T. Howe, George J. Husband Jr., John S. Jennings, Joseph W. Kohler, Frank E. Loud, Daniel L. O'Donnell, Matthew O'Dowd, Fred H. Oliver, Charles H. Putnam, George Reed, Josiah B. Reed, Arthur R.

Taylor, Joe Taylor, Prince H. Tirrell, Albert H. Silvester, James B. West.

Article 1. John W. Heffernan, secretary of the Appropriation Committee, moved:

That the Town accept the several reports of the Selectmen laying out as Town Ways the following designated private ways and parts of ways or any of them, to wit:

Intervale Road from Glen Road to Lake Shore Drive;

Lake Shore Drive from Middle Street to land of Howe and French, Inc., including branch to Mill River;

Pine Road from Glen Road to Lake Shore Drive; Glen Road from Lake Shore Drive near Middle Street to Lake Shore Drive near Mill River;

Westminster Road from end of 1932 layout to a point near division line of Bater and land of Klosson;

Robinswood Road from Pine Circle to Lakewood Road and from Lakewood Road to land of Sargent;

Upland Road from Circuit Avenue near Middle Street, running northwesterly to another part of Circuit Avenue;

Circuit Avenue from Middle Street to swamp at end of proposed layout as shown on plan filed at Town Office;

Seminole Avenue from Pleasantview Avenue easterly to Trefton Avenue and from Idlewell Boulevard westerly a distance of 290 feet or any portion of said ways and will authorize the Board of Selectmen to acquire by gift or purchase or take by right of eminent domain an easement for all purposes of a public street and highway in and over each of said streets as so laid out and accepted, and that the appropriation made for the working of the above named streets at the Annual Town Meeting in March, 1933, is hereby re-appropriated for the working of each of the above named streets, including the acquisition of the easements above referred to and for the building of any bridges, drains and conduits which may be necessary in connection therewith and to authorize the Board of Selectmen to accept deeds of any reservation strips existing in connection with any of said streets.

This question to accept the reports was put before the meeting and it was unanimously voted.

Article 2. John W. Heffernon, secretary of the Appropriation Committee, moved: That no action be taken under this article.

Mr. William B. Dasha moved as an amendment: That the east portion of Canacum Road as laid out by the plans of Russell H. Whiting, Civil Engineer, be accepted as a Town Road. The motion was declared lost. More than seven members doubting the vote a recount was ordered.

The moderator appointed Alfred C. Sheehy and Arthur R. Taylor as tellers and they were sworn as such.

The tellers reported 74 voting in the affirmative and 70 in the negative.

Mr. Dasha moved that the sum of \$1.00 be raised and appropriated for the building of the easterly portion of Canacum Road as above voted.

Mr. Marshall F. Spear moved to reconsider Article 2 and it was so voted.

Mr. Melville F. Cate moved: That the subject matter of this article be indefinitely postponed and it was so voted.

Article 3. Mr. John W. Heffernan, secretary of the Appropriation Committee, moved: That the subject matter of this article be referred to a committee to be appointed by the moderator and that such committee shall consider the cost of construction and the method of procedure and shall report its recommendation with a draft copy of any proposed legislation to the next Annual Town Meeting and that such report and draft copy shall be printed in the next Annual Town Report.

Mr. Josiah B. Reed moved as a substitute motion: That the Town vote the authority and the action as set forth in Article 3 of the warrant, as follows: "That the moderator appoint a committee of five (5) to petition the General Court at this session for legislation to enable the Town to lay out, construct and maintain a system or systems of mains, drains and common sewers for the disposal of sewage, and to issue notes, bonds or scrip for the purpose of defraying the expense thereof."

Mr. William A. Thurston moved as an amendment: That a committee of 5 be appointed by the Board of Selectmen, each Selectman appointing one member. After quite a long discussion on the subject Mr. Frank G. Hale moved the previous question, so voted.

The first question to be put before the meeting was the motion of the Appropriation Committee, that being a question of referring and as Mr. Thurston's amendment was to amend the appointing of the committee, the amendment was put first and was declared lost.

The question on the motion of the Appropriation Committee, that being a motion to refer (see Section 105 of the By-Laws) taking precedence over Mr. Reed's motion, was put before the meeting and was declared lost.

More than seven members having doubted the vote a recount was ordered.

The tellers reported 75 voting in the affirmative and 79 in the negative the motion was declared lost.

The next question was on Mr. Reed's substitute motion. That the Town vote the authority and action as set forth in Article 3 of the warrant.

The moderator declared the motion carried.

More than seven members having doubted the vote a recount was ordered.

The tellers reported 87 voting in the affirmative and 60 in the negative.

Mr. George E. Cunniff moved as an amendment: That the committee insert in the bill a provision that will provide a referendum by the voters at large, so voted. The motion as amended was so voted.

Article 4. John W. Heffernan, secretary of the Appropriation Committee, moved: That no action be taken under this article.

Mr. Joseph A. Fern moved as a substitute motion: That the sum of \$15,000.00 be raised and appropriated to carry out this article as specified in the warrant. Mr. George E. Cunniff moved as an amendment: That the men willing to work out their taxes be employed on that project. The question on Mr. Cunniff's motion to amend was put before the meeting and was so voted.

Mr. Ralph H. Haskins moved to amend by making the sum \$5.000 to be raised and appropriated for the purpose specified provided the State will expend the same amount of money.

Mr. George E. Cunniff moved as an amendment: that the sum of \$10,000 be raised and appropriated for the purpose specified.

The question of Mr. Fern's motion as amended by Mr. Cunniff's first amendment, it being the largest sum in accordance with Section 110 of the By-Laws, was put before the meeting and it was declared not a vote.

More than seven members doubting the vote a recount was ordered.

The tellers reported 92 voting in the affirmative and 47 in the negative, the moderator declared the motion as carried.

This vote for the largest sum nulifies the amendment of Mr. Haskins and the amendment of Mr. Cunniff.

Article 5. Mr. John W. Heffernan, secretary of the Appropriation Committee, moved: To raise and appropriate the sum of \$275.55 for the payment of unpaid bills as follows: Insurance \$258.60; Street Department \$16.95, making a total of \$275.55.

Mr. Everett E. Callahan moved as an amendment: That the total amount be \$370.55, this to include a bill of \$95.00 received from Dr. J. Herbert Libby from January, 1931, to January, 1933. The amendment was so voted.

The motion as amended was so voted.

Article 6. Mr. John W. Heffernan, secretary of the Appropriation Committee, moved that the subject matter of this article be referred to the Board of Selectmen, so voted.

Mr. Francis A. Gunn offered the following Resolution:

To the Town Meeting Committee of Weymouth:

Whereas, the Town Meeting of 1924 set up and defined a rule of guidance and instruction to the Board of Selectmen, to wit: That the Town Insurance would be shared equally by all the Weymouth agents, and

Whereas, such definition is ambiguous in meaning and has been the cause of considerable of opinion, as to the exact meaning and intention thereof, to the extent that the interests of the Town is jeopardized, it now appears necessary to formulate a more exact and definite set of rules, which will qualify those who are to participate in the Town Insurance, for the guidance and instruction to the Board of Selectmen.

Therefore, it is moved that the following resolutions be adopted to govern the above mentioned participation in Town Insurance.

Resolved that all agents and brokers who serves the Weymouth public with a full line of general insurance of all kinds, shall participate equally in all insurance placed by, or required by contract or terms of employment, by the Town of Weymouth.

It is further resolved, that the list of participating agents and or brokers shall be determined by the following qualifications:

- 1 Applicant shall be a registered citizen of Weymouth and serving the Weymouth public with insurance of all kinds.
- 2 Applicant must be spending the major part of his income from the insurance business.
- 3 Applicant must be duly licensed as an Insurance Broker by the State of Massachusetts.

It is further resolved: that the authority and responsibility of all Town Insurance shall be vested in the Board of Selectmen, subject to the following rule: The Board of Selectmen shall select one agent from the list established by the above qualifications, to act as manager for the group. He shall supervise the details and placing and caring for all Town Insurance, including the allotting and acceptance of the proportionable shares of the other agents and or brokers of the selected group and the distribution of the commissions when not written direct by the agent and or broker.

The remuneration of the manager shall be determined by agreement between the other members of the duly qualified list and himself. The term of service of this manager of the Town Insurance shall be the same period as the term of the Town Insurance Schedule.

It is further resolved, that the above regulations and instruction governing the handling of the Town Insurance shall be effective from the date of the passage of this resolution and shall govern the handling of the Fire Insurance Schedule for the term beginning April 1st 1933, and the Board of Selectmen are hereby authorized and instructed to adjust any prior arrangements accordingly.

The question came on the adoption of this resolution.

Mr. John J. Norton raised the question of a quorum present, the tellers reported 129 members present, as 148 members was necessary for a quorum the moderator declared he could not entertain the motion to adopt the resolution. Voted: at 11 p. m. to adjourn.

Emerson R. Dizer, Assistant Town Clerk

SUMMARY OF EXPENDITURES

SPECIAL TOWN MEETING

May 3, 1933

Art. 1	Re-appropriation under article 1, Item 27 Annual Meetings	\$ 152,980.00	\$ 45,000.00

WARRANT FOR SPECIAL TOWN MEETING

COMMONWEALTH OF MASSACHUSETTS

NORFOLK, ss.

To the Constables of the Town of Weymouth, in said County,

GREETING:

In the name of the Commonwealth of Massachusetts you are hereby required to notify and warn the inhabitants of Weymouth aforesaid, qualified to vote in Town affairs to meet in the hall of the Weymouth High School on

Tuesday, the Twentieth Day of June, 1933

at seven o'clock and forty-five minutes in the evening, then and there to act upon the following articles, namely:

Article 1. To see what sums of money the Town will vote to raise or borrow and appropriate for the expenses and operation during the remainder of the current fiscal year of each of the following Town Departments and activities, to wit:

Item 1. For Charities, including:

(a) Relief given by the Town of Weymouth to persons having a legal settlement in said Town;

(b) Relief given by the Town of Weymouth to persons not having a legal settlement in said Town.

Item 2. Soldiers' Relief.

Item 3. Selectmen's Dept.

and to determine in each case how and under whose direction the money shall be expended; to fix the terms and conditions of any loan or loans authorized to procure any of such funds and to authorize the issue of any such bonds or notes, or take any other action in reference to any of the foregoing subjects.

Article 2. To see what sum of money the Town will vote to raise and appropriate for the working of Randolph Street and for the removal of the ledge at the junction of Winter and Main Street, or take any other action in relation thereto.

You are directed to serve this warrant by posting a copy thereof, attested by you in writing, in each of two public places in each voting precinct in said town, seven days at least before the time for holding said meeting.

• Hereof fail not, make due return of this warrant with your doings thereon to the Town Clerk of said Town on or before the fifteenth day of June, A. D., 1933.

REPORT AND RECOMMENDATIONS APPROPRIATION COMMITTEE

On Articles in the Warrant For Special Town Meeting

June 20, 1933

To the Town Meeting Members of the Town of Weymouth:

We wish to reaffirm our belief that money is in some instances being expended without adequate investigations as to the worthiness or necessitous condition of the recipient. We believe this may be obviated immeasurably if a sufficient investigation is properly conducted in each case. We recommend again that the Police Department undertake this work. We feel the result would be a curtailment in public welfare expenditures, and we therefore recommend the appropriation of \$70,000 for this purpose rather than the \$80,000 as requested by the Board of Public Welfare under Article I, Item 1, subdivision (a).

We report and recommend as follows:

ARTICLE I.

Item (1) (a)	\$70,000.00
(b)	\$25,000.00
Item (2)	\$15,000.00

Item (3) Due to a vacancy on the Board of Selectmen we feel

that the appropriation made under Article I, Item 2, at the Annual Town Meeting will be sufficient, therefore we recommend no appropriation for this item.

ARTICLE II.

Randolph Street	\$400.00
Winter and Main Street	\$400.00

Respectfully Submitted:

For the Appropriation Committee.

RALPH H. HASKINS, Chairman,

JOHN W. HEFFERNAN, Secretary.

SPECIAL TOWN MEETING

June 20, 1933

Pursuant to the within warrant a special meeting of the inhabitants of the town of Weymouth, represented by its duly elected and qualified Town Meeting Members, was held at the hall of the Weymouth High School, East Weymouth, on Tuesday evening, June 20, 1933.

The meeting was called to order at 8:50 o'clock by George L. Barnes, Annual Moderator, who requested the Town Clerk to read the warrant for the meeting. After reading the warrant the Moderator requested Rev. Fr. Thomas L. Burns, of St. Francis Xavier Church, South Weymouth, to invoke the Divine Blessing upon the deliberations of this meeting.

Elliot Sabens, Lester Tisdale and John W. Kennedy were sworn as Town Meeting Members.

Mr. Joseph A. Fern moved and so voted: That the members and audience arise and bow our heads in silent prayer one minute in memory to Mr. H. Franklin Perry, a member of the Board of Selectmen who passed away June 12, 1933.

George L. Barnes, Moderator relinquished the chair to the Town Clerk, and proceeded to read resolutions in appreciation of the life and service of Bradford Hawes, this resolution was signed by a committee appointed at the annual town meeting in March 1933.

RESOLUTIONS

Adopted by the Representative Town Meeting
of the Town of Weymouth in appreciation
of the life and service of

Bradford Hawes

June 20, 1933

Bradford Hawes died on the twenty-first day of February, 1933 in the ninetieth year of his age.

Then there passed from the rolls of the citizenship of Weymouth one of its most distinguished and honored citizens. He commenced his service to his country on November 11, 1861 when at the age of twenty years he enlisted in Company K of the First Massachusetts Cavalry, and for the next three years he saw service in the armies of the Union in Florida and with the army of the Potomac.

One of his comrades pays this tribute to his military service:

"He performed the duties assigned to him without question or complaint. Having given himself to a worthy cause, he asked no favors and demanded no exemption of duty."

He became a member of Reynolds Post G. A. R. at twenty-four years of age and held the highest positions of trust and confidence within the gift of the Post. He was Quartermaster of the Post at the time of his death.

In 1889 he was elected to the School Board of the Town of Weymouth and served in that capacity for eleven years.

In 1894 he was elected to the Board of Selectmen and Overseers of the Poor and served in those positions for twenty-six years, the condition of his health forcing him to offer his resignation in 1920, but the value of his information and acquaintance with affairs of the town was such that the town meeting was not willing to relinquish the benefit of his services and he was unanimously elected as Advisor to the Board of Selectmen and the town meeting was not willing to relinquish the benefit of his services and he was unanimously elected as Advisor to the Board of Selectmen and was continued in that position until the date of his death.

He also served as a member of the Board of Trustees of Tufts Library and as an Assessor of the Town of Weymouth for shorter periods. His further service to the town consisted of membership upon the Building Committee for the construction of the main high school building, membership upon the Building Committee of the Humphrey School, the Pratt School and the Town Infirmary.

Thus there was established a record of unusual service both in war and peace. Thus there is set forth the record of his service to his fellowmen in Weymouth, but this record indicates only too slightly the high regard and affection in which Mr. Hawes was held by all who knew him.

No one ever heard Bradford Hawes express any view that was not the result of his honest, sincere and mature judgment. He was wholly unacquainted with artifice. He knew nothing of the method of creating popularity by being all things to all men. Whatever opinion he expressed was honest and sincere; it mattered not whether it gave him friends or foes. Those of us who had the good fortune to enjoy the friendship of Mr. Hawes will never forget his kindly and yet many characteristics; tall, erect, of fine figure, genial presence and kindly manner, he generated friendship and confidence wherever he went. He was an ambassador of good will and an apostle ever teaching the principles of the golden rule.

The Town of Weymouth has lost much in his death, but it has gained greatly by the example of the life that he led among us. His

record is an inspiration to all who are aware of it and an encouragement to those of our citizens who endeavor to emulate his example of doing the day's work manfully, courageously and with justice to all.

The name of Bradford Hawes will ever remain in Weymouth as a symbol of sterling character and high conception of duty and its performance to the best of one's judgment and ability.

Few, if any, of our citizens were more truly of Weymouth than Bradford Hawes. He lies in a Weymouth cemetery beside the graves of three generations of his ancestors dating backward to those of his great grandfather. In the days of the Empire it was said that the highest title that could be borne by man was that of "Roman Citizen." Those ancestors bequeathed to Mr. Hawes the title of a "Citizen of Weymouth." He carried it undimmed and untarnished throughout a long period of public service and has now delivered it to his posterity ennobled and enhanced by his service to this town. It has been well and truly said of him that he was

"Faithful to his home and family, faithful to his country,
faithful to his town and faithful to his God."

Now the Town of Weymouth by its representatives in meeting assembled adopt these resolutions, and to perpetuate them permanently, order that they be inscribed upon the records of the town and copies sent to the relatives of Mr. Hawes.

Waldo Turner

George L. Barnes

Parker T. Pearson

Frederick Humphrey

John F. Dwyer

Mr. George L. Barnes moved that these resolutions be adopted by the meeting by a rising vote of the members. The Town Clerk put the question to the meeting and all members as well as the audience arose.

Mr. Ronald A. MacDonald asked unanimous consent of the meeting to make a statement upon the work to be done on Middle Street, no objection Mr. MacDonald proceeded and offered the following resolutions regarding regulations for work by citizens of the town on the Middle Street project.

Regulations for work on Middle Street

Any veteran with an honorable discharge will be eligible for work.

Citizens who are not veterans and owe a considerable amount of Taxes, and who out of employment, shall be eligible for work.

Single men, who are veterans, shall be entitled to two days work per week.

Any citizen who is married, with one to three dependents, and owing taxes, shall receive three days work per week.

Any citizen who is married, with four or more dependents, and owing taxes, shall receive four days work per week.

The total number of days received by any citizen shall be based as near as possible in proportion to the total amount of taxes they owe the town.

The selectmen in cooperation with the superintendent of streets shall have full power to enforce these regulations.

Submitted by

RONALD A. MacDONALD

Mr. Everett E. Callahan moved that these resolutions regarding regulations be sent to the Division of Highways, Department of Public Works. So voted.

Article 1. Mr. John W. Heffernan, secretary of the Appropriation Committee moved: To raise and appropriate for the expenses and operation during the remainder of the current fiscal year of each of the following Town Departments and activities, to wit:

Item 1	For Charities	
	(a) Relief given by the Town of Weymouth to Town	\$70,000.00
	(b) Relief given by the Town of Weymouth to persons not having a legal settlement in said Town	25,000.00
Item 2	Soldiers Relief	15,000.00
Item 3	Selectmen's Department	No action

Mr. Heffernan moved that these items be taken up separately, so voted.

Mr. Benjamin W. Cowan, Chairman of the Committee of six appointed by the Moderator at the adjourned annual town meeting held on March 8, 1933 read a report as follows:

Preliminary Report To Moderator
Town of Weymouth, Massachusetts
From Committee on Public Welfare

It is understood that the committee of six citizens of Weymouth appointed by the Town Moderator to work with the Board of Selectmen in connection with public welfare was created for the following specific purposes:

1. To see if worthy cases are being given suitable aid.
2. To ascertain if unworthy cases are receiving aid.
3. To find out the methods of keeping historical records, investigating cases, and giving aid.
4. To investigate the issuing of orders for groceries, rent, medical aid, shoes and clothing.

5. To endeavor to see that those receiving aid work for the town in lieu of charity.
6. To establish a system whereby the spending of hundreds of thousands of dollars can be accomplished through proper channels and with the greatest economy to the town.

After ten independent meetings, as well as five joint meetings with the Board of Selectmen and Public Welfare, the committee has concluded that:

1. Worthy cases are receiving suitable aid and that the town has been very generous in its treatment to all recipients.

2. It is impossible to find out, due to lack of cooperation from the Board of Public Welfare, how many unworthy cases are receiving aid from the town.

One of the first requests made of the Board of Public Welfare by the committee was for a list of the recipients of aid.

A questionnaire was prepared and printed copies issued for use by the Chief of Police and the Welfare Investigator as an aid in checking up all welfare cases. These have never been used to any extent, yet the committee believes that it is extremely important that it should be done. Instructions to use these apparently have not been officially given to the proper persons and very little assistance has been given the committee along the lines of extensive investigation which are so essential in all cases of welfare to prevent dishonesty.

The committee believes that much economy to the town would result if each and every welfare case is thoroughly investigated by an unbiased person assisted by the Chief of Police. In fact, it is quite probable that more economy can be developed through adequate investigation and the strict denial of aid to unworthy cases than in any other manner. To accomplish this will require an entirely different attitude on the part of the Selectmen, individually and as a whole, than has been shown.

3. The system of handling cases now in vogue, whereby long hours are devoted by the Selectmen in interviewing applicants, should be turned over to the person employed for the purpose, and disposition of the case be made in a systematic and orderly manner. The committee has endeavored to install a system and has received some cooperation along this line. It is believed better historical records are being kept. Some improvement has been shown in the handling of cases at the welfare office and coordination of the work is progressing.

4. The issuing of a new form of grocery order, on which is listed certain essential articles of food has been beneficial since it permits the recipient to trade where the most goods can be obtained for the money allowed, and simplifies the auditing of bills, and should prevent abuses formerly practiced in obtaining luxuries or unessential goods. Rents formerly paid have been altogether too high. Many towns do not pay any rents. Weymouth has been over-liberal on this item and to bring about economies a plan has been put into operation whereby rents are paid on a basis of the assessed valuation of the property rented to welfare cases. There have been many abuses of the

rent privilege and considerable economy has been achieved through the plan suggested by the committee and adopted by the Selectmen. However, additional savings are possible if greater care is exercised in agreeing to assumption of rent payment. The supplying of shoes and medical aid to welfare recipients has developed into a considerable item of expense to the town. Consideration has been given to the plan of carrying a stock of shoes in the welfare office at town hall, the shoes being purchased at wholesale prices. This idea is still being considered and some feasible plan will be recommended that, if adopted, will result in additional economies. The cost of medical aid to recipients was analyzed and found to be of considerable proportions. A letter was drafted and sent to practically all the doctors of the town suggesting methods of reducing and controlling this expense, and asking for advice and cooperation. The answers received are now being analyzed and doctors are being interviewed in an endeavor to obtain a broad understanding of the problems which have developed in connection with medical attention and hospitalization of welfare cases and some feasible plan will be recommended that, if adopted, will result in additional economies.

5. Many recipients have been dilatory in working out their allotments, resulting in the accumulation of a large number of hours of labor owing to the town. An effort is being made by the Selectmen to obtain remunerative work from these cases, by using the Inspector of Buildings to aid in rounding up those in arrears and putting them to work.

Conclusion :

With the unfortunate conditions existing at the present time of a definite alignment of the majority of the Board of Selectmen and Public Welfare always voting as a unit against the wishes of the minority, there is bound to be difficulty in arriving at a satisfactory plan of economical handling of welfare work.

Lack of harmony in the Board is in evidence frequently and instructions emanating from the Chairman of the Board are sometimes disregarded by the Clerk with consequent confusion and delay in matters vital to the town's business.

The thought has always prevailed that the "welfare" committee had the power to act only in an advisory capacity and whether or not recommendations made to the Board of Public Welfare were adopted depended entirely on the majority vote of the five selectmen.

As stated previously in this report, this committee believes great economies can be obtained by cutting off from the welfare roll those individuals and families, who, after careful and impartial investigation have been found capable of taking care of themselves or unworthy of aid.

It was the intention of this committee to have a capable, determined man appointed as an investigator of all welfare cases, who would frequently present to the Board of Public Welfare and this committee his report and detailed questionnaire for their inspection to acquaint them at all times of conditions in the welfare cases. Very unfortunately, the Selectmen voted and appointed, without consulting the committee, an assistant to the Welfare Investigator who, while capable enough for clerical work, is not, in the opinion of the com-

mittee, the type of a person most qualified to function as an investigator.

We believe that the Board of Public Welfare should have recognized the urgent need for reform in the indiscriminate granting and acceptance for aid and used every means at its command to limit and curtail the demands made upon the town for aid by people, some of whom were not even residents of Weymouth.

It appears to us, and we strongly recommend, that at the next town meeting, which we understand will be held this month, a sum of \$2,000. should be appropriated for use and salary and transportation for a man to be appointed by the committee to act as a special investigator of all welfare cases. This investigator should be empowered to report his findings to the Welfare Director and request removal of such cases as he discovers unworthy. Should the Welfare Director fail to remove such cases promptly, then the special investigator's report, together with any other facts relative to the cases, should be reviewed before a joint meeting of the Board of Public Welfare and this committee of six, and after reasonable consideration the case in question disposed of by a joint majority of this committee and the Board of Public Welfare. Formal requests relative to cases should also be made independently to this committee.

By such a procedure welfare cases can be impartially checked up and abuses corrected. Through diligent investigations it is estimated that savings can be made in the next eight months approximating a total of \$25,000.

Since the ramifications of town welfare have assumed such a burden upon the tax paying citizens of the town, and have, at this time, become the most difficult problem of the entire business of the town, it becomes the duty of its citizens to take more than a passive interest in the situation, and face the facts at the special town meeting, and take proper measures to control the expenditures before too grave a financial condition of the town has developed.

On the attached sheet is listed some pertinent figures relative to number of welfare cases and expenditures in 1932 and to June 1, 1933.

Yours very truly,

John B. Holland	Edith M. Goodrich
John F. Pierce	Charles Griffin
Francis A. Poole	Benjamin W. Cowan
	Committee

EXPENDITURES FOR WELFARE TOWN OF WEYMOUTH, MASSACHUSETTS

	1932	1933
Number of average cases per month	245	578
Expenditures	12 Months to June 1, only	
(a) Welfare (incl. work in lieu of charity)	\$144,319.45	\$83,516.09
(b) Soldiers' Relief	20,000.00	15,961.39
(c) Old Age	47,000.00	23,628.40

(d) Town Farm	6,449.58	2,124.28
(e) Mothers' Aid	6,458.17	Inc. in (a)
Total	224,226.20	125,230.16
Average per month	18,700.00	25,000.00
Total Estimated for 1933		325,000.00
Classification		
Board	6,899.34	Not
Groceries	43,213.19	available
Rents	19,766.50	for 1933
Medical	5,199.20	

Mr. Everett E. Callahan spoke on the welfare question, his time for debate having expired, Mr. Heffernan moved that he be granted further time and so voted.

Mr. Joseph A. Fern also spoke on this question, his time having expired, Mr. Louis A. Cipullo moved that he be granted further time.

Mr. John A. Norton moved that that the thanks of the town be given to Mr. Benjamin W. Gowan for the able work he has made as chairman of the committee of six upon the welfare question.

Mr. Joseph A. Fern moved to amend the motion offered by the Appropriation Committee by substituting the figures under Item 1 sub-division (a) from \$70,000. to \$80,000.

Mr. Guy W. C. Hartt moved that the report of the committee of six in regard to the welfare question be accepted and their recommendations adopted.

Mr. William A. Thurston raised the question of a quorum present. The moderator appointed James D. Bosworth, Paul A. Newsome and John E. Horace as tellers, and they were sworn as such. They proceeded to count the members present by a show of hands and reported 126 members as being present. The question arose that quite a number of members did not raise their hands and requested another count of the members, the tellers again counted the members in their chairs and reported 134 members present, the moderator declared a quorum not present.

Mr. Frank E. Loud moved to adjourn.

Mr. Everett E. Callahan moved to amend by making the time to adjourn to be Friday evening, June 23, 1933 at 7:45 o'clock.

Mr. George E. Cuniff moved that the time be set at 8 o'clock, so voted.

Mr. Everett E. Callahan again moved to amend by making the time to reconvene be Tuesday evening, June 27, 1933 at 8 o'clock. So voted.

CLAYTON B. MERCHANT.

TOWN CLERK'S CERTIFICATE

I hereby certify that a notice of the adjournment was posted in ten or more public places in the several precincts, also a notice was mailed four days at least to each Town Meeting Member as provided by section 3 of Chapter 61 of the acts of 1921 and amendments thereto.

CLAYTON B. MERCHANT, Town Clerk

ADJOURNED SPECIAL MEETING

June 23, 1933

Pursuant to the vote taken at the special town meeting held on Tuesday evening, June 20, 1933, the members of the Representative Town Meeting, reconvened at the hall of the Weymouth High School, this Friday evening, June 23, 1933, with 168 Town Meeting Members names being checked by Police stationed at the doors for that purpose out of 294 members eligible.

The meeting was called to order at 8:06 o'clock, by George L. Barnes, annual moderator, who requested the Chaplain of the evening Rev. Fr. Thomas L. Burns, Curate of the Francis Xavier Church, South Weymouth, to invoke the Divine Blessing.

Before proceeding to the business of the evening the following were sworn as Town Meeting Members: Stanley Heard, Roy A. Wheaton, Arthur A. Sargent, John W. O'Donnell, Leon P. Bourke and William B. Thomas.

The following reply was read by the Town Clerk from Frank E. Lyman, Commissioner of the Department of Public Works of Mass., in answer to the resolution offered by Ronald A. MacDonald at the meeting of June 20, 1933 and voted at said meeting that the contents of said resolution be referred to the Department of Public Works.

Boston, June 23, 1933

Clayton B. Merchant, Town Clerk

Dear Sir:

I am glad to receive your letter of June 22 enclosing regulations as to the method of distributing the labor on the proposed Chapter 90 work on Middle Street. While this is of no concern of ours, it is interesting to note that you have been very fair and liberal in your method, and it should satisfy numerous complaints that we have heard in connection with the proposed work. If I were to comment at all on the situation, I should say that while veterans should be eligible I cannot see why they should have 100% as compared with the general distribution among other groups. However, this is strictly a town affair, and I do not wish this suggestion to be taken in any way as an order or a request.

Yours very truly

FRANK E. LYMAN, Commissioner.

The first business of the evening was the amendment offered by Mr. Joseph A. Fern to the motion of the Appropriation Committee under Item 1, sub-division (a) of Article 1 of the warrant, by substituting the figures \$70,000. to that of \$80,000.

Mr. William D. Parker moved as follows: I amend the motion for raising money for settled welfare cases shall be partly or wholly liquidated by a pay cut of the employees of the town to take effect July 1, 1933 and continue to April 1, 1934.

Those receiving \$2,000. to \$3,000. 12 1-2% cut not including \$2,000. amount.

Those receiving \$3,000. to \$4,000. 15% cut.

Those receiving \$4,000. to \$5,000. 17% cut.

Those receiving \$5,000. to \$6,000. 22 1-2% cut.

Mr. John W. Heffernan further moved to amend: That a complete survey and investigation in accordance with a form of questionnaire prepared by the Committee of Six hereafter referred to, be made by the Police Department of all cases of welfare who have a legal settlement in the town who now or hereafter receive relief or apply for relief from the town and that duplicate reports of said investigations be filed with the Board of Public Welfare and with the Committee of Six as appointed by the Moderator under authority of the vote of the Annual Meeting in March, 1933, under Article Item 27.

After quite a discussion on the question, Mr. Alfred C. Sheehy moved the previous question.

Mr. Francis A. Gunn raised the question of a quorum. Mr. John Griffin was appointed as a teller in place of James D. Bosworth who was absent.

The tellers reported 162 members as being present, a quorum was declared present. Voted: That the main question be now put.

The first question before the meeting was the amendment of Mr. Fern's to change the figures from \$70,000. to \$80,000. for relief given by the town of Weymouth to persons having a legal settlement in said Town.

This amendment was declared lost.

The next question was the motion of Mr. Heffernan, secretary of the Appropriation Committee of the sum of \$70,000. to be raised and appropriated under Item 1, sub-division (a) of the warrant. This motion was so voted.

The motion of Mr. Heffernan that investigations of welfare cases be made by the Police Department was put before the meeting and was so voted.

The next question was the motion of Mr. Parker as to the method of raising a part of the appropriation for welfare cases.

After quite a discussion on the question, Mr. Robert H. Buchan moved the previous question, which was voted.

Mr. Parker's motion was put and declared lost.

The next question was on Mr. Hartt's motion of June 20, 1933, to accept the report of the Committee of Six and that the recommendations be adopted.

After a long discussion on this motion Mr. Marshall F. Spear moved the previous question be now put which was so voted.

Mr. Benjamin W. Cowan moved to amend that the report and recommendation be accepted except that part of the recommendation which relates to an appropriation of \$2,000. for use as salary and transportation for a man to be appointed to act as a special investigator of all welfare cases.

The question to the acceptance and recommendation of the Committee of Six was put before the meeting and it was unanimously adopted.

Under Item I sub-division (b) Mr. John W. Heffernan, secretary of the Appropriation Committee moved: That the sum of \$25,000. be raised and appropriated for relief given by the Town of Weymouth to persons not having a legal settlement in said Town.

Mr. William A. Connell moved to amend: That the same investigations be made by the Police Department in regard to these cases. The amendment was so voted. The motion as amended was so voted.

Item 2. Mr. John W. Heffernan, secretary of the Appropriation Committee moved: That the sum of \$15,000. be raised and appropriated for Soldier's Relief.

Mr. Joseph A. Fern moved as an amendment: That the figures be changed from \$15,000. to \$20,000. Mr. Lester W. Tisdale moved: That these cases be also investigated by the Police Department.

The amendment of Mr. Fern was put before the meeting and was declared lost.

The question of Mr. Heffernan was then put before the meeting and it was so voted. The question of Mr. Tisdale's motion was then put before the meeting, after a long discussion on this subject, Mr. Ralph H. Haskins moved the previous question, which was voted. The motion was declared carried.

More than seven members having doubted the vote a recount was ordered.

The tellers reported 84 voting in the affirmative and 29 in the negative.

Mr. Everett E. Callahan moved: That the sum of \$2,000. be raised and appropriated for the Police Department, under Item 1, sub-division (a) and (b) and Item 2 of Article 1. By unanimous consent of the meeting Mr. Callahan withdrew the motion.

Item 3. Voted: That no action be taken under this item.

Mr. John P. Lovell asked unanimous consent to bring before the meeting the question of Town Insurance. Objection was raised and the moderator stated as objection was raised it could not be brought before the meeting as no article was inserted in the warrant for said question.

Mr. Francis A. Gunn raised the question of a quorum. The tellers reported 134 members as being present in the hall. Mr. William A. Connell moved: That this meeting do now adjourn. Not a vote. Mr. Marshall F. Spear moved: To adjourn this meeting sine die. Not a vote.

Mr. Daniel L. O'Donnell moved: That another vote be taken as to whether a quorum was present and the tellers reported 150 members being present, more than a quorum.

Article 2. Mr. John W. Heffernan, secretary of the Appropriation Committee moved: To raise and appropriate the sum of \$400. for the working of Randolph Street and \$400. for the removal of the ledge at the junction of Winter and Main Streets, this appropriation to be accounted for and disbursed as one fund.

Mr. Francis A. Gunn raised the question of a quorum being present.

The tellers reported 136 members present in the hall, a recount was ordered and the tellers reported 144 members present, again a recount was ordered as some members were in the corridors and they were requested to enter the hall and be counted, the tellers reported 150 members being present, more than a quorum. The questions was put before the meeting and it was unanimously voted.

Voted at 10:30 to adjourn.

CLAYTON B. MERCHANT, Town Clerk.

CLAYTON B. MERCHANT, Town Clerk.

REPORT OF AN AUDIT OF THE ACCOUNTS
OF THE TOWN OF WEYMOUTH

For the Period From January 1, 1932 to April 4, 1933

Made in accordance with the provisions of Chapter 44, General Laws

COPY OF REPORT OF STATE AUDITORS

May 22, 1933

To the Board of Selectmen

Mr. Everett E. Callahan, Chairman

Weymouth, Massachusetts

Gentlemen :

I submit herewith my report of an audit of the books and accounts of the Town of Weymouth for the period from January 1, 1932, to April 4, 1933, made in accordance with the provisions of Chapter 44 of the General Laws. This is in the form of a report made to me by Mr. Edward H. Fenton, Chief Accountant of this Division.

Very truly yours,

(signed) THEODORE N. WADDELL

Director of Accounts

Mr. Theodore N. Waddell

Director of Accounts

Department of Corporations and Taxation

State House, Boston

Sir :

As directed by you, I have made an audit of the books and accounts of the Town of Weymouth for the period from January 1, 1932, to April 4, 1933, and report thereon as follows :

The financial transactions of the town, as recorded on the books and records of the several departments receiving or disbursing money for the town of committing bills for collection, were examined and checked for the period of the audit.

The books and accounts in the town accountant's office were examined and checked. The recorded receipts were compared with the records of the several departments collecting money for the town and with the treasurer's books, while the recorded payments were checked with the selectmen's warrants authorizing such payments and with the treasurer's books.

The appropriations, as entered in the town accountant's books, were checked to the town clerk's records of appropriations voted at town meetings.

An analysis of the accountant's general and supplemental ledgers was made, a trial balance was taken off, proving the accounts to be in balance, and a balance sheet, which is appended to this report, was prepared showing the financial condition of the town as of April 4,

1933. The balance sheet indicates that the financial condition of the town is satisfactory.

The books and accounts of the town treasurer were examined and checked. The recorded receipts were compared with the accountant's books, with the records in the several departments collecting money for the town, and with the other sources from which money is paid into the town treasury. The payments were checked with the warrants of the selectmen authorizing the treasurer to disburse from funds, with the selectmen's books, and with the original bills and payrolls on file.

The cash balance on April 4, 1933, was verified by an actual count of cash in the office and by reconciling the bank balances with statements furnished by the banks of deposit.

An examination of the paid vouchers on file showed payments of salary to members of town boards for clerical services rendered by them while acting as secretaries or clerks of such boards. No town vote could be found authorizing such remuneration, in which connection attention is called to Section 4-A, Chapter 41, General Laws, which reads as follows:

Except as otherwise expressly provided, a town board may, if authorized by vote of the town, appoint any member thereof to another town office or position for the term provided by law, if any, otherwise for a term not exceeding one year. The salary of any such appointee shall be fixed by vote of the town, notwithstanding the provisions of section one hundred and eight. In this section, the word "town" shall not include city.

It was also found that the amount of the pay-roll of the call firemen is sent to the clerk of the fire company for disbursement. Such pay-rolls should be disbursed directly by the town treasurer, as required by Section 35, Chapter 41, General Laws.

The payment of a bill for traveling expenses outside the Commonwealth was found to be charged to the highway appropriation in January 1933. Such expenditures are proper charges only against specific appropriations for out-of-state expenses, as provided by Clause 34, Section 5, Chapter 40, General Laws.

Specific appropriations for the purchase of departmental equipment should also be voted by the town.

The payment on account of maturing debt and interest were checked with the amounts falling due and with the cancelled securities and coupons on file. The cash balances in the bond and coupons accounts were checked with the list of bonds and coupons due and not presented for payment.

The securities and savings bank books representing the investments of the several trust and investment funds in the custody of the town treasurer were personally examined. The income was proved and the disbursements were verified.

The books and accounts of the tax collector for all tax levies from 1930 to date were examined and checked. The commitment lists were verified and checked with the assessors' warrants for their collection. The recorded collections were compared with the payments to the

treasurer, the abatements, as recorded, were checked with the assessors' records of abatements granted, and the outstanding accounts were listed and approved to the accountant's ledger. A further verification of the outstanding accounts was made by mailing notices to a number of persons whose names appeared on the books as owing money to the town, the replies received thereto indicating that the outstanding accounts, as listed, are correct.

The tax collector's department is to be commended for the accuracy with which the books and records have been kept. It is recommended, however, that all abatements after payment, payments after abatement, collections of taxes not committed, overpayments, and partial payments be recorded on the collector's books, so that these records may show the complete transactions affecting the tax accounts.

The deeds representing the tax tiles, the tax titles taken by the town during the last ten years were examined, and checked with the accountant's, treasurer's and collector's records, the accountant's ledger being adjusted to agree with the detailed list. It was noted that subsequent taxes on property taken or purchased by the town under tax titles were not assessed as required by Section 78, Chapter 60, General Laws. Attention is called to Section 50, Chapter 60, General Laws, which provides that the town treasurer, at the expiration of two years from the date of taking or purchase of tax titles, shall institute proceedings toward foreclosure of rights of redemption.

In cases where the land is not sufficient value to warrant the expense of a petition in the land court, action should be taken in accordance with the provisions of Section 78, and 80, Chapter 60, General Laws.

The practice of making cash payments to the tax collector for taxes on property held by the town under tax titles should be discontinued and credit by journal entry substituted to conform with the provisions of Section 95, Chapter 60, General Laws.

The computation of the 1932 tax rate by the assessors was checked, it was noted that appropriations from available funds were not considered in the determination of the tax rate. In this connection, attention is called to Section 23, Chapter 59, General Laws, as amended by Chapter 428, Acts of 1931, which requires that the assessors raise all sums appropriated since the last preceding annual tax assessment, which also provides that deductions on account of appropriations voted from available funds in the treasury may be made by the assessors only upon the approval of the Commissioner of Corporations and Taxation. It is, therefore, essential that all appropriations voted by the town, whether they are to be raised by taxation or transferred from available funds in the treasury, should be certified by the town clerk to the assessors, as required by Section 15-A, Chapter 41, General Laws.

It was noted that the assessor's warrant to the tax collector and the tax lists were given to him during the past three years not earlier than October 13, thus preventing the collector from issuing the tax bills by October 15 of each year, as required by Section 57, Chapter 59, General Laws. This practice naturally delays the collection of taxes and accordingly increases the interest on temporary loans in anticipation of tax receipts.

The town clerk's records of town meetings and of licenses issued on behalf of the State, county, and town were examined and checked.

It is recommended that a town vote be taken annually relative to the appropriation of the dog fund received from the county for school or library purposes, as required by Section 172, Chapter 140, General Laws, and that the salaries of all elective officials be fixed annually by a vote of the town, as provided in Section 108, Chapter 41, General Laws.

In examining the records of proceedings of the 1933 town meeting it was noted that the sum of \$197,980 was appropriated for seven individual public welfare appropriations, with the provision that \$152,980 is to be raised by taxation in 1933 and \$45,000 is to be provided for from employees' contribution to be received in 1933.

It is recommended that, in the future, the actual amount to be available for each of the several public welfare appropriations are to be included in the tax levy by the assessors be voted and that, instead of appropriating anticipated receipts, only actual receipts be voted by the town in specific amounts and for such purposes as may be necessary.

The books and accounts of the water department were examined and checked. The commitments of charges due the town for sale of water were verified, the recorded collections were compared with the payments to the treasurer, the abatements, as recorded, were checked, and the outstanding accounts were listed and proved with the accountant's ledger and with the controlling accounts as kept in the water department.

All the recommendations made in the report of the previous audit pertaining to accounting and collection procedure in the water department were strictly carried out. The work has been carried on in a highly and efficient and accurate manner thereby facilitating the work of the audit to a great extent.

In addition to the department mentioned, the books and accounts of all other departments collecting money for the town or committing bills for collection were examined and checked.

The surety bonds filed by the several officials for the faithful performance of their duties were examined and found to be in proper form. The 1933 bond of the town treasurer was not on file, but an application for a bond was made toward the end of the audit.

Appended to this report, in addition to the balance sheet, are tables showing a reconciliation of the treasurer's cash, summaries of the tax, assessment, and departmental accounts, as well as tables showing the trust fund transactions.

For the co-operation received from the several town officials during the progress of the audit, I wish on behalf of my assistants and for myself, to express appreciation.

Respectfully submitted,

EDW. H. FENTON, Chief Accountant

SUMMARY OF TOWN CLERK'S STATISTICAL REPORT

Births, Marriages and Deaths, recorded during the year 1933.

BIRTHS

The total number of births received and recorded during the year were 497; Males 258, Females 239; of this number 404 were born in Weymouth and 93 were born in other cities and towns.

There were born in Weymouth of parents living elsewhere 176.

The number of births in each quarter received were 140-117-123-117.

MARRIAGES

The total number of marriages recorded during the year of 1933 were 159; married in Weymouth 90; married in other cities and towns Massachusetts 59; married in other states 10; either party to the marriage were born in Weymouth 70; either party born in other cities and towns in the United States 204; either party born in foreign countries 44.

The number of marriages in each quarter received were 22-52-48-37.

DEATHS

The total number of deaths recorded during the year 1933 were 341; of this number 173 were males and 168 females; died in Weymouth 271; died elsewhere 70; died in Weymouth 53 were residents of other cities and towns. Of the total number 105 were born in Weymouth; 160 were born in other cities and towns in the United States and 76 were born in foreign countries. 98 of the decedents were single; 133 were married; 106 were widowed and 4 were divorced.

The ages of the decedents were as follows: Stillbirth 12; under 1 year of age 26; from 1 to 5 years 4; from 5 to 20 years 15; 20 to 50 years 60; 50 to 80 183; 80 to 90 36 and 5 were over 90 years of age.

The total number of deaths in each quarter were 112-82-67-80.

NOTE: The object of printing the registration of births, marriages and deaths is to afford an opportunity for correction of errors and omissions. If any correction or omission be noted, notice should be sent to the Town Clerk in writing, giving the correct facts, so that the record may be perfected for the Town Records and a corrected copy be prepared for the State Archives.

CLAYTON B. MERCHANT,
Town Clerk.

REPORT OF TOWN ENGINEER

To the Honorable Board of Selectmen of the Town of Weymouth,
Gentlemen:—

My twenty seventh annual report on surveying and engineering work for the town is submitted herewith.

That part which remains constant each year with very little variation as to the amount of work to be done is the annual revision of the 65 assessors sheets or maps covering the entire town.

As in past years data from the Registry of Deeds, and the Registry of Probate for Norfolk County was obtained; plans from private surveys made by my office and copies of plans made by other surveyors, obtained from the records or from them, were used; various surveys made; all new buildings and important changes in existing buildings located and measured; data and plans from the Land Court utilized; and in general all information required to show the correct owner of each parcel of land in Weymouth, the buildings on same, and the area of the land, was obtained and entered on the town survey sheets as of April first and a complete set of prints taken from the revised sheets was furnished the Assessors for their use.

I would note here that transfers recorded after April first of any year do not show on the assessors sheets until the following year as the owner of record of April first is the one to whom the land should be assessed.

I would urge every one to immediately record the deed of any land which is conveyed to them and if an incorrect name is noted on any of the town survey sheets I would appreciate having the matter called to my attention so that the proper correction could be made. In many cases an apparent error is explainable and I am always glad to go over the records with any one interested.

For the year ending April 1, 1933, transfers, takings, releases, and tax deeds (including 9 grants or easements) totaling 1055 and probates numbering 69 were copied, making a total of 1124 as against 1140 the previous year showing very little change in number.

11 dwellings, 129 other buildings, and 284 additions or exterior changes in existing buildings were measured, located and plotted on the sheets.

While the aggregate changes to be made on the sheets increased slightly over the previous year the number of new buildings was materially reduced.

77 buildings were removed from the maps.

A municipal change was the addition of the new Adams School building.

The above is an outline in brief of the town survey work for the year ending April 1, 1933.

Under an act of the legislature effective Dec. 31, 1934 a section relative to taxation changes the date of assessment from April first to January first so that in the year 1934 two revisions will have to be made; one as of April 1, 1934 and the other as of Jan. 1, 1935 and two sets of revised plans correct to the two above dates given to the Assessors.

An appropriation as in former years was made for the purchase and setting of stone bounds on old town ways and this has been used when necessary or desirable to preserve the location of the street line.

Surveying and engineering, common at all municipalities, ordered by various departments, and other special work whenever ordered or authorized by your Board during the year 1933 was given prompt attention.

The total budget for the Engineering department for 1933 voted by the town was \$4045. or about $10\frac{1}{2}\%$ less than for the year 1932, of which amount \$2670. was allotted for the town survey work and expenses.

This later work, as noted above, will have to be done twice during 1934, therefore I would recommend that this item be increased to \$4000. or an addition of 50% for this one year after which there will be only one revision each year as heretofore.

137 stone bounds were set on the following streets accepted by the town in 1933, namely, Lake Shore Drive, Intervale Road, Glen Road, Pine Ridge Road, Circuit Avenue, Upland Road, Robinswood Road, Hunt Avenue, a part of Seminole Avenue, a part of Hibiscus Avenue, and a part of Westminster Road; also one bound was set on Great Pond Road previously accepted.

Practically all the labor for this work was taken from the welfare department.

Since the appropriation in 1931 no money has been recommended or appropriated for the survey and making of plans showing the graves of veterans in the various cemeteries, but with the balance remaining from this appropriation plans of the following cemeteries were completed and prints delivered to your Board; Lakeview Cemetery, Elmwood Cemetery and Reed Cemetery; in addition a plan was made on which the following cemeteries were shown; Ashwood Cemetery, Randolph Street Cemetery, Cemetery off Park Avenue, and an old cemetery on Pleasant Street opposite the Fairmount Cemetery.

I think this completes the survey and plans of all the cemeteries in Weymouth in which there are graves of veterans.

I would list the following general work done during 1933:—

The making of maps showing the subdivision of Ward five into precincts five and nine; the giving of many street lines ordered by your Board at the request of abutting owners; a survey and plan for court purposes (if needed) of an accident on the Fore River Bridge; staking and giving grades for Lake Shore Drive, Intervale Road,

Glen Road, Pine Ridge Road, Circuit Avenue, Upland Road, Robinswood Road, Hunt Avenue, Seminole Avenue, Hibiscus Avenue and Westminster Road, and setting stone bounds on same as listed above; survey and plans for various easements for drainage purposes; staking lots owned by the town from which wood could be cut; staking and giving grades for Ells Avenue; staking and giving grades for curb stones; staking and giving grades for permanent sidewalk construction; staking property line (in part) of Legion Field, of land from which the town was removing gravel, and of land near Weymouth Great Pond; taking profiles on various streets and elsewhere for the study of drainage; drawing plans of land takings with accompanying descriptions; staking and grades for ball field and tennis court at Weston Park; staking and grades for road from bathing beach to the summit of Great Hill Park; taking profiles, establishing grades, staking and giving grades for drains on Commercial Street, Wilson Avenue, Presidents Road, Coolidge Avenue, Broad Street, Union Street and Pond Street; staking and giving grades for a large drain extending from the dam in Weston Park to Washington Street; staking garage in rear of High School building; staking the town boundary line between Weymouth and Braintree just north of Commercial Street for the purpose of building a wall on the Weymouth bank of the brook.

These drains were a major part of the work done under the Civil Works Administration for which work plans had to be made and submitted for approval.

Also a survey and plan was made for a relocation of a part of North Street, Norton Street and East Street, at their intersection near the North Weymouth Cemetery with the intention of removing a constant danger at this junction, if said relocation was accepted by the town.

This with others will be presented to the town for action at the annual meeting in March, 1934.

Included in the above list is work done for your Board, for the street department, water department, park department, school department and those in charge of the welfare department.

I wish in closing to extend to your Board, to all town officials, and to every citizen my thanks for any help given or any courtesy shown to me or to my assistants in our work throughout the town during the past year.

Respectfully submitted,

RUSSELL H. WHITING,
Civil Engineer.

REPORT OF THE POLICE DEPARTMENT

To the Honorable Board of Selectmen,
Gentlemen:

I herewith submit the annual report of the services rendered by the police department for the year ending December 31, 1933.

CAUSES FOR ARRESTS:

Crimes against the person	66
Crimes against property	103
Crimes against public order, etc.	819
Violation liquor laws:	
Keeping and Exposing	10
Unlawful Sale	6
	<hr/>
	1004
Out of town arrests	176
	<hr/>
Total arrests for the year	1180

Miscellaneous report:

Six raids for intoxicating liquors
Five raids for gaming
Complaints investigated, 720
Doors and buildings found open and secured, 516
Street lights reported out, 334
Wagon calls, 198
Ambulance calls, 126
Animals killed, 38
Messages delivered, 213
Fires reported, 10
Defective streets, 26
Lost children found, 16
Property recovered, \$8458.35

Respectfully submitted,

EDWARD F. BUTLER,

Chief of Police.

REPORT OF SUPERINTENDENT OF SIGNAL SYSTEM

To Chief Edward Butler,
Weymouth Police Department,

I respectfully submit the following report of the Police and Traffic Light systems.

The outside wire is in excellent condition, and but minor trouble has been experienced. Electric storms have been the greatest cause, being confined mostly to the controller boxes and arrestors.

The traffic lights have been a great deal of care due to the lamps burning out. It was necessary to renew some 200 lamps in order to keep the system to standard.

I wish to extend my thanks for the generous cooperation shown at all times.

Respectfully submitted,
Supt. of Police and Traffic Signals,
C. F. COOLIDGE

REPORT OF THE ELECTRIC LIGHTING COMMITTEE

Weymouth, Mass., Dec. 30, 1933

To the Honorable Board of Selectmen:

The principal duty of this committee during the past year was the revision of our building schedule in order to keep within the budget voted by the Town. Our appropriation was reduced from \$39,600 to \$36,000. This necessitated, for the remainder of the year, from April to November, the lowering of our monthly bill from \$3300 to \$2850 and was accomplished by the removal of the flood lights on the Cross at the High School, and also by the removal of nine 1000 C. P. lights. The candle power of the remaining 1000 C. P. lights was reduced to 600 C. P. and the power of almost all of the smaller lights was lowered about twenty-five percent. There was no provision for lights on the newly accepted streets or elsewhere.

Many of these changes have been made in the billing schedule only, as the Power Company has seen fit to carry out, for the remainder of the year, much of the old schedule rather than make the changes.

The coming year we hope to revise our schedule and repair some of the damage done and also light the new streets accepted last year and those proposed for this year. This we can do with the following budget which is about \$300 smaller than that of last year.

Maintenance of present service	\$34,583.24
70 new lights (six months service)	686.00
Increase in candle power of lights at various important locations	452.08
	<hr/>
	\$35,721.32

Respectfully submitted,

JOSEPH KELLEY, Chairman
ALFRED S. TIRRELL
WILLIAM B. NASH, JR.
L. HENRY GODIN
J. HERBERT LIBBEY, Clerk

ASSESSORS' REPORT FOR 1933

East Weymouth, Mass.

January 9, 1934

To the Honorable Board of Selectmen:

We have assessed upon the polls, old age assistance, motor vehicle excise and estates of all persons liable to taxation, the sum of \$1,270,950.01, and have committed the same to Frank W. Holbrook, Esq., the duly elected Collector of Taxes, with our warrants in due form of law, for the collections and payments, in accordance with the votes of the town and warrants of the County of Norfolk and the Commonwealth of Massachusetts.

Commitment February 1, 1933	\$ 399.18

ANNUAL REPORT OF THE COLLECTOR OF TAXES

To the Honorable Board of Selectmen of the Town of Weymouth:

I am pleased to submit to you, and through you, to the Citizens of Weymouth, my annual report of the Taxes and Interest collected by me, as Collector of Taxes, during the year 1933. These collections, as made and paid over to the Town Treasurer, apply to the several lists as committed to me for the years 1931, 1932, and 1933, and include assessments of Real and Personal Property, Moth, Polls, Old Age Assistance, and Motor Vehicle Excise.

1931 TAXES

Total \$357,080.78

Respectfully submitted,
FRANK W. HOLBROOK.
Collector of Taxes.

REPORT OF THE SEALER OF WEIGHTS AND MEASURES

To the Honorable Board of Selectmen of the Town of Weymouth:

Gentlemen:

December 31, 1933.

I herewith submit my annual report for the year 1933 with the sealing fees amounting to \$321.02.

There were three convictions made during the year as follows: Two for peddling without a license as required by law, of which they paid fines and the other for using an unsealed and false scale to which the defendant paid a fine.

My general work for the year is as follows:

Sealed	3280 Weighing and Measuring Devices
Not Sealed	154 Weighing and Measuring Devices
Condemned	24 Weighing and Measuring Devices
Sealed	252 Gasoline Pumps
Reweighings	452 Food Packages

Respectfully submitted,
CHARLES W. BURGESS,
Sealer of Weights and Measures.

REPORT OF PARK COMMISSIONERS

To the Honorable Board of Selectmen,

Gentlemen:

December 31, 1933.

BEALS PARK

On this park was built two shuffle-boards this last year and seemed to be enjoyed by all, especially by the older people. The grounds were kept mowed, and some regrading was done on the northerly side of the park by the unemployed.

GREAT HILL PARK

The beach was cleaned and considerable work was done on the beach from the damage of the storms of last winter.

Now of one more of the services rendered by the Park Commissioners this last summer at the municipal bathing beach were the services of an attendant having passed all the Red Cross tests in swimming who gave swimming instructions and we want to express our appreciation to Mr. George Monroe in his efficient services during the three days a week at the beach and we hope to continue these services next summer.

We still contend that money spent at the bath house and bathing beach is a good investment for the people of this town.

WESTON PARK

We are glad to report that the new ball field so long under construction is practically complete. It is the pride of the local baseball lovers. Located as it is between the hills makes an ideal setting to view as well as play the game. If you haven't afforded yourself the opportunity of visiting the park do so and you will be well repaid for your walk.

A new field house has been erected with an opportunity for a dressing room tool room and concession stand. Through the courtesy of the Weymouth Lumber Co. and Cote Brothers Garage we were able to erect a scoreboard that is plainly visible from all sides of the park.

The shuffle board near the Front Street entrance became so popular it was decided to build another near the Broad Street side. Both are in constant use when weather permits.

The sidewalks were all regarded and two new ones constructed.

The children's playground was relocated and graded. Additional swings—a gift of the Hunt School—were put into use and with a cement sandbox afforded a shady, well-equipped playground.

The task of trimming the many trees that needed it, both from a point of beauty and safety was started early in the spring and is now being carried on under a C. W. A. project.

Fences were erected around one end of the park to afford the abutter some protection and it is hoped more can be done this year. A backstop was erected and as new fence on one side of the tennis court to replace one that blew down during a winter storm.

The garden looked as beautiful as ever, thanks to Mr. William Craig, horticulturist.

The firemen at the Ward 3 Station donated fifty flowering shrubs and they were set out around the park.

A new stone wall was erected at the Franklin Street entrance adding to the beauty of the park.

The Park Commissioners were able to get a C. W. A. project and decided to try to fix the long disputed skating pond and complete the open drain.

WEBB PARK

It has been the policy of the Park Commissioners to keep this park presentable and clean for the citizens to enjoy. This year the dump which has been created there by some of our townspeople has been cleaned up and we are in hopes this will not occur again.

The seats around the bandstand have been repaired and also painted.

A new backstop has been erected on the ball field.

SUPERVISED PLAY

The 1933 playground season opened on July 3, 1933, and continued six weeks under the direct supervision of the Park Commissioners. Because of the cut appropriation it was necessary to close several of the playgrounds. It is hoped this will not be necessary another year. The playgrounds open were Pond Plain Lovells Corner, Lake Street, Weston Park and Bicknell School grounds. Those closed were Stetson Field, Webb Park and Beals Park.

Young people who were unable to secure positions during the year yet were trained and fitted as to character and experience were placed in supervisory positions.

The attendance this year was good throughout the town and increased threefold at the Pond Plain ground.

Very little new equipment was added to the grounds but it was the desire of the commissioners to replace and repair what it had on hand so as not to let the equipment deteriorate.

Handwork was not carried on as extensively as in other years because of the lack of funds to buy materials.

The children were taught to enjoy play for play itself and to have the proper spirit and show good sportsmanship in all their games.

It is our purpose to train children in the right use of leisure. Every boy and girl ought to know a limited number of games for use outdoors and indoors so that there will never be occasion for any boy or girl to say that he cannot think of anything to do.

It is hoped to have activities that will interest all ages. The shuffle boards and tennis courts that are on some of the grounds take care of adult play. It is surprising to find the number of adults enjoying the twilight baseball games.

When our parks are constantly in use and by all ages of people we will feel that our goal has been reached.

As usual senior and junior baseball leagues were organized and inter-playground games held regularly. Tennis, paddle tennis, volley ball, quoits and croquet tournaments were held and champions of each ground proclaimed.

Having a special activity day each week has always been successful. Some of the most popular events were doll carriage and cart parades, horrible, vehicle, character representation parades and athletic meets.

Posters of the Safety Patrol were distributed and through the cooperation of the Massachusetts Automobile Rating and Accident Prevention Bureau material was secured for posters, cut-out work and plays which the children thoroughly enjoyed.

The annual picnics to Weymouth Town Beach is looked forward to from year to year. The children were taken by bus and were given an opportunity to take advantage of the town bath house and enjoy water sports.

The Park Commissioners wish to avail themselves of this opportunity to thank those who carried on our program and the newspapers who gave generously of paper space.

LOVELLS CORNER PLAYGROUND

This has been a very successful year at the Lovells Corner Playground, giving enjoyment to hundreds of young people and also adults. Its fine baseball field, tennis court, and playground equipment were used to full capacity. The grounds, under the supervision of Mr. Edwards, who lives opposite, have been kept in fine condition, and regulations have been enforced. We wish to thank Mr. Edwards for his fine work.

This year a noticeable interest has been shown in the parks of Weymouth by the other departments of the town. Mr. Stevens, Mr. Kelley, Mr. Lyons, and the Police Department have all co-operated in trying to make our parks attractive. Early in the spring Mr. Kelley designated some of the welfare men for work at Lovells Corner. The Park Commissioners furnished supervision, and excellent work was done by the men.

A lot in Hawes Grove was chosen for the laying out of the tennis court. It was a wild looking place of rocks and some trees, but an excellent place when finished. The loam was utilized in grading the ball field, the stone in building a five-foot wall on the northwest side and in building a retaining wall at the end of the field, and in filling in the low end. The cement seat on the inside of the tennis court was moved to the outside. Some of the playground equipment was moved from the field to Hawes Grove for the purpose of protecting the children from getting hit by balls. The fence at the west end of the field has been repaired, some posts removed and wire replaced. The work at Hawes Grove speaks for itself. It has been thoroughly cleaned of roots and scrub brush, leaving a cleared pine grove which in years to come will be a valuable asset to our town.

We believe that the parks of any town or city in these days of automobile traffic and danger in the streets are of the utmost importance in the interest of the life, health and happiness of the children, and also adults. The Park Commissioners are interested in this work because we believe the value received means more to use because of the value others receive. We don't mind criticism, but please make it constructive.

POND PLAIN PLAYGROUND

The Pond Plain Playground has been given care. Some grading has been done, and a new wire net provided for the tennis court. The equipment has been moved to the back of the field away from the road.

The tennis court has been used to capacity, and another court is needed, but the Park Commissioners feel that we should have a longer lease before spending more money.

LAKE STREET PLAYGROUND

The Lake Street Playground equipment was cared for and a new diving board and new barrels provided for the float, which had to be put in and taken out of the water. This park was kept used continually during the summer.

LEARY AND BAUER MEADOW

The ditches were cleaned out and the ground clearing for flooding. The dam was taken care of.

Respectfully submitted,
FRANCIS W. REA, Chairman
CHARLES W. BURGESS, Clerk
EVERETT J. McINTOSH,
Park Comimssioners.

REPORT OF THE HARBORMASTER

Honorable Board of Selectmen, Town of Weymouth, Weymouth, Mass.,

Gentlemen:

December 31, 1933.

I herewith submit my sixth annual report as Harbor Master of the Town of Weymouth.

Your Harbor Master's Department is created by General Laws Chapter 102, which is for the enforcement of laws defined within its various sections, and the protection of life and property on our waterfront.

I submit for your approval a brief summary from my records: Lost boats recovered, 11; polution complaints investigated and remedied, 33; mooring permits granted, 36; nude bathing discouraged, 2; assistance to disabled yachts, 14; investigated damage to floating property, 4; exhausted bathers taken out of river, 8; investigated thefts from yachts, 3; dangerous obstructions removed from river, 5; conference with state and town officials, 18; rendered assistance to injured yachtsmen, 1; death on yacht investigated, 1; persons ordered off Edison docks, 6; unlawful use of firearms on river, 1; overcrowded boats taken off river, 2; bodyguarding caretaker of island against river pirates.

The appropriation for my department was \$275.00, sub-divided as

follows: \$250.00 maintenance; and \$25.00 salary. Maintenance cost was \$213.34. The balance of \$36.66 reverting back to our town treasury.

Trusting this report meets with your approval and thanking you for your co-operation.

Respectfully submitted,
A. S. VEADER,
Harbor Master of Weymouth.

REPORT OF THE SUPT. OF THE ALEWIVES FISHERIES

East Weymouth, Mass.

December 12, 1933.

To the Honorable Board of Selectmen of the Town of Weymouth:

I herewith submit my annual report as Superintendent of the Alewife Fisheries for the year ending December 31, 1933.

The run was very good this year and helpful to most of the needy of our town, as many of them took advantage of your offer and salted herring for this winter, although there were some needy townspeople who seemed to think the fish was not good enough to bother with. Possibly the older people can remember when practically every poor family in Weymouth salted three or four hundred alewives, but this year one or two dozen seemed to be the limit for most of the poor families, while others who had to pay for them bought a good many for winter use.

One hundred and forty-six thousand nine hundred (146,900) alewives were deposited in Whitmans Pond for spawning and four thousand eight hundred and eighty (3,880) were given to the people on the welfare.

The appropriation this year was cut from five hundred dollars (\$500) to three hundred and fifty (\$350), a reduction greater in proportion to that given any other department. However, by conservative supervision and with willing servants, the run was conducted in an excellent manner and within the amount appropriated.

I earnestly hope that in a year or two the Town of Weymouth will see its way clear to erect a fishway up to Whitmans Pond, as this is something that has been needed for a long time. I understand the State will pay sixty per cent of the construction cost and this would be a wonderful improvement with very little expense to the town. I have had the measurements taken at the three dams and will submit them at any time for consideration.

In closing my report, I wish to thank the members of your board, the Weymouth Light and Power Company, the Weymouth Wool Scouring Company, Mr. Kelly, Superintendent of Streets and the boys

who worked with me during the run for the assistance and cooperation which was so willingly given.

Respectfully submitted,
FRANCIS H. MAGUIRE, JR.
Supt. of the Alewife Fisheries.

REPORT OF THE WEYMOUTH TOWN INFIRMARY

To the Honorable Board of Public Welfare, Town of Weymouth, Mass.
Gentlemen:

Herewith submit report of the Weymouth Town Infirmary, Essex Street, for the year 1933:

On December 31 two women and fourteen men comprised the family of residents. One man and one woman were lost by death. During the year more than twice as many have been admitted than in the previous year, as detailed in the following table:

Number of residents January 1, 1933	14
Number admitted during year	15
Loss by death, 2; discharged, 11	13
Number of residents December 31, 1933	16

The men residents that are able to work have co-operated in the general work about the place, caring for a large vegetable garden, strawberry bed, the fruit trees, hens, etc. All crops were successful and many surplus vegetables and fruits were canned for winter eating.

The installation of a water meter has been the only addition to equipment, and all minor repairs have been done without outside help.

For mental diversion, reading matter is supplied, and a radio continues to function in the "Smoke" House, the men's club room, in addition to the Christmas celebration, with a tree and gifts for all, made possible by your honorable board and kind friends who send gifts.

Closing my seventh annual report, wish again to thank the town officials for the co-operative assistance given Mrs. Berry and myself in carrying on the Home, also the organizations and citizens who remembered the residents at Christmas time.

Respectfully submitted,
CLIFFORD A. BERRY,
Superintendent.

REPORT OF CUSTODIAN OF VETERAN GRAVES

January 8, 1934

To the Honorable Board of Selectmen:

Herewith report of work done under the appropriation for the care of veterans' graves.

During the year past agreement was entered into with the superintendents of the various cemeteries and care given to 318 neglected graves of veterans. In addition in two cemeteries that are without a superintendent care was given under the supervision of the custodian to twenty-eight graves of veterans. The Veterans of Foreign Wars cared for nine graves in the cemeteries under their charge.

A summary by lots; two or more veteran graves in some lots:

Cemetery	Whole Lots	½ Lots	Singles
Village	35	2	4
Highland	37	1	1
Mt. Hope	25	4	4
Old North	21	4	22
Fairmount	35	1	
Elmwood	26		
St. Francis	19	12	6
Lakeview	34		
*Reed	19		
*Ashwood	9		
**Belcher	2		
**Martin	4		
**Pleasant Street	3		
	<hr/> 269	<hr/> 24	<hr/> 37

*Supervision of Custodian .

**Cared for by V. F. W.

A summary by wars: French and Indian, 8; Revolutionary, 95; 1812, 27; Civil, 206; Spanish, 3; World War, 16.

The hearty co-operation received from the superintendents of the various cemeteries is worthy of comment. This year, as in the previous two, from six to a dozen lots in each of the larger cemeteries have been turned over and re-seeded without cost to the town.

Yours sincerely,
KARL O'NEIL,
Custodian of Veteran Graves.

REPORT OF SUPERINTENDENT OF STREETS

To the Honorable Board of Selectmen:

Herewith is submitted the annual report of the Street Department for the year ending December 31, 1933.

At the annual town meeting in March of this year the appropriation for maintenance of highways, construction of drains and catch basins, oiling of streets, snow removal, bridges and other miscellaneous items including permanent sidewalks and the construction of Ells Avenue amounted to \$121,264, the largest items of which were \$49,000 for general repairs, \$16,964 for oiling of streets and \$10,000 for the removal of snow.

The general repairs appropriations, necessarily the largest amount, is used primarily for maintenance of streets and against which much of the labor charge is applicable. Chargeable to this item during the year work done on widening of Union Street from Columbian Square to the Rockland line, that on Pleasant Street from the vicinity of Pine Street to Park Road, removing ledge and resurfacing part of Granite and Summit Streets and the removal of ledge and widening Commercial Street near Union Avenue, were most important from the safety standpoint.

The importance of street drainage cannot be stressed too strongly, although the funds estimated have usually been somewhat less than the sum expended. Considerable drainage has been constructed during the year, most important of which are along White Street, Bates Avenue, Hawthorne Street, High Street, Birthbrow Avenue, Union Street and the removal of old stone culverts in the several sections of the town.

Sidewalks constructed from the appropriation used by the Selectmen and from special appropriations included certain locations on Pleasant Street, from Crawford Machine Works to Independence Square, Pleasant Street near the Pratt School, Washington Street, between Lincoln and Washington Squares, reconstruction at Foggs Opera House, Randolph Street, Main Street, Saunders Street, Bridge Street, Center Street, Shawmut Street, and West Street. Curbing along Webb Street, between Richmond and Summit Streets, is also included in sidewalk work.

It is imperative that road oil used for surface treatment of streets must comply with Massachusetts standard specifications for highway work in cities and towns. To ascertain that this material conformed to the required specifications, samples were taken at intervals during the summer, submitted to the Massachusetts Institute of Technology laboratories and the proper tests made. The analysis received on all asphaltic materials used by this department met all state requirements. With such materials the streets of the town were treated at a cost of \$15,980.22, a sum less than was estimated in the budget.

On account of the small balance in the snow removal item, over which the department had no control, and the severity of the weather in December it became necessary to exceed the budget of this year. Approval for an overdraft was given by the Board of Selectmen and the emergency was taken care of through the assistance of the Appropriation Committee.

The outstanding accomplishment of the department was the extension of Middle Street, from Circuit Avenue to Main Street, under the supervision of the Massachusetts Department of Public Works.

An appropriation of \$15,000 was made by the town at a special meeting May 3 and subsequently the State authorized the same amount as a Chapter No. 90 project. With the combined amount of \$30,000, work was begun July 10 and was completed and accepted December 23.

The plans for a 50 foot taking, 30 foot traveled way with gravel sub-base, 3 inches broken stone base bound with sand, a 2 inch bituminous concrete surface, retaining walls, and drainage, were drawn by the Public Works Department.

The roadway with banked curves, easy grades, gravel shoulders, deep drainage and culverts, ledge excavation, cable guard rail, and other details of construction made work difficult and hazardous but the results are comparable to any street in town.

A definite cost cannot at this time be ascertained because the Public Works Department has not issued final figures but a close check-up reveals that the cost will be approximately \$29,000.

The streets accepted at the annual town meeting were built by welfare labor under the supervision of the Building Inspector, who was directly in charge of all activities of welfare workers.

In all branches of the street department there have been employed 971 men who have received from the town a sum of approximately \$100,000.

In November the Federal Government effected the Civil Works Administration for the purpose of creating work for the unemployed and requested under the State Administration that projects be submitted as soon as possible for the employment of about 500 men and women. Without delay projects were submitted for drainage on Commercial Street, Wilson Avenue, Coolidge Avenue, Pond Street, Broad Street, Union Street, and subsequently on Lake Shore Park, Circuit Avenue, Robinswood Road and Weston Park. Augmented by the several federal, state and local projects about 800 men and women were employed in a very short time. Nearly all this work is still in progress and will necessitate the expenditure of about \$100,000. Other projects have been submitted but at this time no new one has been approved. It is hoped that such work as the above will continue until such time as the economic condition of the vicinity becomes better.

The co-operation of the Board of Selectmen, the Town Officials and men of the Street Department has been very helpful and much appreciated.

SUMMARY OF STREET DEPARTMENT BUDGET

Superintendent	\$ 3500.00
General Repairs	47,208.25
Maintenance of Trucks	2,924.90
Crusher	1,460.43

Fences and Signs	2,899.22
Street Cleaning	8,627.90
Equipment and Supplies	9,283.28
Bridges	1,100.00
Gravel Sidewalks	2,181.66
Maintenance of Department Building	416.61
Drains and Catch Basins	11,762.12
Snow	12,456.26
Sundries	427.64
Oiling	15,980.22
	<hr/>
	\$120,228.49

Respectfully submitted,
T. J. KELLY,
Superintendent of Streets.

REPORT OF THE TOWN COUNSEL

To the Honorable Board of Selectmen:

I submit my report as Town Counsel for the year ending December 31, 1931.

The following cases stated as pending in the last annual report of the Town Counsel are still pending; many of them are inactive and will soon be ripe for disposal under the rules of the Court:

Philip A. Rich, Jr., p.p.a. vs. Inhabitants of Weymouth,
No. 23158, Norfolk Superior Court.

Stella M. Costanzo vs. Inhabitants of Weymouth, No.
23281, Norfolk Superior Court.

Rose Fay vs. Inhabitants of Weymouth No. 16469, Nor-
folk Superior Court.

Alonzo B. Aldrich vs. Inhabitants of Weymouth, No.
17904, Norfolk Superior Court.

William S. Youngman, State Treasurer, vs. Inhabitants
of Weymouth, No. 195659, Suffolk Superior Court.

Josephine L. Rogers vs. Robert Crawford and Inhabitants
of Weymouth, No. 23533, District Court of East Norfolk.

Peter Healey vs. Inhabitants of Weymouth, No. 25426,
Norfolk Superior Court.

Inhabitants of Weymouth vs. City of Springfield, No. 25429, Norfolk Superior Court.

Frank W. Burbank vs. Inhabitants of Weymouth, No. 26223, Norfolk Superior Court.

Lilliam S. Brown vs. Inhabitants of Weymouth, No. 26222, Norfolk Superior Court.

Weymouth American Legion Corporation vs. Inhabitants of Weymouth, No. 25804, Norfolk Superior Court. This is an action of contract to recover \$600.00 for rent as stated in an alleged lease.

Alfred R. Worthen vs. Inhabitants of Weymouth, Norfolk Superior Court, Ad damnum of the writ is \$5,000. This is a case of tort for injuries received because of an alleged defect in the sidewalk at 150 Pleasant Street, South Weymouth.

Inhabitants of Weymouth vs. Inhabitants of Braintree, No. 22163, Norfolk Superior Court.

The following cases have been terminated during the period this report covers:

Alice E. Major vs. Inhabitants of Weymouth, No. 34606, District Court of East Norfolk. (This matter was settled by the town paying the sum of \$75.00 damages for injuries received by the plaintiff because of a defective dition of one of the town's highways.)

Ella M. Wellbrock vs. Inhabitants of Weymouth, No. 34180, District Court of East Norfolk. (This case was tried and a verdict was entered in favor of the town.) William B. Belcher, et al, vs. Inhabitants of Weymouth, No. 26794, Norfolk Superior Court. (This was a petition for assessment of damages for property taken by eminent domain within the watershed of the Weymouth Great Pond. A settlement was agreed upon by the petitioner and the town in the sum of \$3,500.00.)

The action of Inhabitants of Weymouth vs. 111.4 acres of land—the so-called Golf Course case—was terminated after hearing before a master wherein the only issue was the amount of indemnity that the defendants should receive for any damages they had suffered because of the proceedings instituted. The master found for the defendants in the sum of \$4,350.72.

The cases of Edwin R. Sampson et als vs. Treasurer and Receiver General. Charles F. Hurley; Edwin R. Sampson et als vs. Metropolitan District Commission, Davis B. Keniston et als; Edwin R. Sampson et als vs. Metropolitan District Commision, David B. Keniston et als, No. 7321, Supreme Judicial Court, were heard by the

Supreme Judicial Court during January and the decision of the Court appears in the advance sheets (A. S. 1933 page 361). The decision determined that the town was a part of the South Metropolitan Sewerage System.

One new case has been entered against the town:
Ethel Atkinson et al vs. Inhabitants of Weymouth. This is an action of tort and is based on an alleged defect on Washington Street.

In addition to the cases as set forth above, a number of minor adjustments have been made without the necessity of any legal proceedings and involving in the aggregate a small sum of money. Such other duties as fall within the scope of the town counsel's department have shown no decrease during the past year.

Once more I wish to express my satisfaction at having received from your Honorable Board and from the townspeople and town departments such timely aid and helpful direction in dealing with the work of the town counsel's department.

Respectfully submitted,

KENNETH L. NASH.

REPORT OF THE CHIEF OF THE FIRE DEPARTMENT

The Honorable Board of Selectmen,
Town of Weymouth,
Massachusetts.
Gentlemen:

I respectfully submit for your approval my annual report of the activities of the Fire Department during the past year of 1933.

During this period my department responded to 402 alarms of fire.

Considerable reduction has been realized by the quick action of spreading salvage covers, together with judicious use of fire streams. In the past, flagrant use of water was the greatest cause of insurance loss. It is this loss that we are now striving to reduce.

The members of my department have been placed under "Civil Service", which should prove a benefit to themselves and to the Town.

I would recommend that the committee on "Contributory Pension" report, to see if any action may be taken on this matter.

The apparatus has responded to the various calls in the following manner:

Chief's car	Alarms Answered	Emergency	Pumped at Fires	Pumped at Test	2½ in. Hose	Booster Hose	1 in. Hose	Ladders raised	Salvage covers	Hand Phomeme	Hand Soda & Acid	Large Soda & Acid	Pyrene	Co-2	Chimney Fusseses	Lights used	Cellars sypioned	Hose used	Pump Cans
Chief's car	402												1						34
Engine 1	87	8			12,600	6,150	1,600	124-ft.	2										4
Engine 2	65	2	2	1	11,000	1,400		70-ft.											
Engine 3	63	3	3	1	10,500	2,400		80-ft.	3				2						3
Engine 5	58	2	13½	2	9,700	5,800		73-ft.	3				1	9	2	30			
Squad	198	4	10		17,200	20,700	3,000	48-ft.	38			1			6				
Ladder 1	43	2						580-ft.	13						6				
Ladder 2	130	2						1,728-ft.	16								78	38,450	326
W. W. 2	51						18,750										106	47,400	211
W. W. 5	42						950

Display of fireworks	5	Storage of volatiles	4
Garages	30	Transport explosives	12

BUILDINGS

Ward 1. These quarters are in very poor repair. In the near future considerable expense will be involved to make living conditions better. The heater is in a dangerous condition, being old, and it is necessary to force it to the utmost to get any results. Painting and repairs are urgently needed throughout. New quarters should be provided the company.

Ward 2. This building, though comparatively new, should be waterproofed to stop the dampness from penetrating to the interior and defacing plaster on walls and ceiling. Radiators should be placed on the apparatus floor, as the heating facilities now in use have proven inadequate to heat this space. The woodwork must be painted inside and out.

Ward 3. Due to the leaks which occurred during driving rains, the walls and ceilings need considerable repairs and painting. These quarters are deteriorating fast, due to the lack of upkeep.

Ward 5. This is an old station, and like Ward 1, it is hardly good policy to spend any great amount to keep it up to standard. The floors, which were originally for light horse-drawn equipment, have settled under the load of the heavy motor apparatus and have considerably weakened the whole structure. A new building should be contemplated in the near future.

APPARATUS AND EQUIPMENT

The motor apparatus is in good repair, and has been thoroughly tested. Each piece has been found to be working efficiently. Minor repairs contemplated will be done by department mechanics.

The squad truck experienced some damage, resulting from an accident while responding to a false alarm. The repairs were quickly made by the mechanics of the department, meaning not only a saving to the town, but also decreasing the time that this piece was out of use.

Some 2,000 feet of 2½" hose was purchased and placed in service. I recommend the purchase of the same amount during this year, to maintain the efficiency of the department, as a burst length of hose means considerable delay, and may mean the loss of lives and property.

I commend the men for the way they care for the apparatus and equipment throughout the department.

In closing, I wish to express my appreciation to the members of your board, to the officers and members of my department, and to the other departments of the town for their generous co-operation and assistance during this trying year.

Respectfully,

J. RALPH BACON,

Chief of Fire Department.

To Chief J. Ralph Bacon,
Weymouth Fire Department.

I respectfully submit the annual report of the firm alarm system of the Weymouth Fire Department.

During the year alarms have been transmitted over the system:

Alarms for fires	129	Lost child calls	2
Multiple second alarms	1	Boy Scout calls	2
Multiple third alarms	1	No school signals	1
False	20	7 blows	10

The outside wire is in very good condition, very little trouble being encountered from this source. The constant replacement of new poles has added much to the upkeep of the system. It is also necessary to renew approximately 200 crossarms each year to keep the system in efficient operation.

We have a number of obsolete alar boxes spread over the circuit, which are over 40 years old. I am hoping to get three new boxes this year to take the place of boxes I consider dangerous to the system. In concluding, I wish to extend my sincere thanks to all for the services and co-operation rendered at all times.

Respectfully,

C. F. COOLIDGE,

Superintendent of Fire Alarms.

GENERAL ANNOUNCEMENTS

MEETINGS OF THE COMMITTEE

Regular meetings of the School Committee are held the first Tuesday of each month at the High School Building at 7:30 P. M.

ENTRANCE AGE

No child shall be admitted to school in September unless he has reached the age of five on or before the first day of April preceding. Children entering for the first time will be admitted only during the first two weeks of school.

BIRTH CERTIFICATES

A birth certificate is required for entrance to the first grade.

VACCINATION

No child shall be allowed to enter the first grade without a certificate of successful vaccination.

Quotation from State Law, Chapter 76, Section 15: "An unvaccinated child shall not be admitted to a public school except upon presentation of a certificate like the physician's certificate required by Section 182 of Chapter 3."

EMPLOYMENT CERTIFICATES

No child between the ages of fourteen and sixteen shall be allowed to leave school until a signed promise of employment card has been presented to the principal of the building in which he is attending school. Employment certificates are issued by Mr. Charles Y. Berry, at the Hunt School, Weymouth, every week day except Saturday, between the hours of nine and twelve.

REPORT OF SCHOOL COMMITTEE

To the Citizens of Weymouth:

The School Committee herewith submits its annual report for the year 1933. The annual report of the Superintendent of Schools and the several reports of the department heads will sufficiently record all educational matters pertaining to the schools during the past year.

The appropriation made at the annual meeting in March was considerably less than the appropriation made for 1932, and school expenditures have been kept within the amount appropriated.

Attendance seems to be increasing, although the rate of increase is less than that prevailing for the last few years.

During the latter part of the year it became necessary to co-operate with the Civil Works Administration in providing worthwhile labor projects for citizens of the town who have been unable to find employment. This required considerable expenditure beyond ordinary expectation for the month of December for maintenance purposes, particularly in the purchase of materials.

The largest Civil Works project is the erection of an automobile workshop in the rear of the High School, sixty feet by eighty feet in area, construction of which is now progressing. This shop, when completed, will provide a useful addition to the industrial facilities at the High School, which have lately become overcrowded, and will serve to remove a serious element of danger which has hitherto existed. We have also co-operated with the Civil Works Administration in the painting of school buildings, and in a comprehensive grading project at the Pond School.

The Committee is not making plans for increases in salaries during the coming year, and in submitting the budget which follows, is making every attempt to keep the cost of maintaining the schools as low as possible. It is important that sufficient funds be provided to allow for the employment of citizens of the town in ordinary or skilled labor for the maintenance of buildings and grounds and to a large extent relieve the town of the burden of what otherwise would be a problem for the Welfare Department. A large proportion of the expenditures for maintenance of buildings and grounds has been for labor, and particularly during the past year has been for labor which, without such employment, would have been entirely unemployed or a burden to the Welfare Department. The Committee has, as far as it could, attempted to

relieve this department, and in many cases has furnished employment to taxpayers who needed such work in order that their taxes might be paid.

The following is a summary of expenditures during the past year, and estimates for the coming year:

	Expenditures	Estimates
	1933	1934
Superintendent	\$ 6,500.00	\$ 6,500.00
Other General Salaries	3,226.50	3,350.00
Other General Expenses	1,560.34	1,500.00
Teachers' Salaries	276,688.76	275,225.00
Textbooks and Supplies	12,454.77	15,000.00
Transportation	16,993.80	19,200.00
Support of Truants	21.14	100.00
Tuition	349.52	500.00
Janitors	29,538.46	29,300.00
Fuel	10,694.08	11,500.00
Light	1,920.63	2,500.00
Maintenance	23,737.76	25,000.00
Other Expense	1,057.55	1,000.00
Day Household Arts	3,954.34	4,350.00
Day Industrial	25,552.28	23,800.00
Total	<u>\$414,249.93</u>	<u>\$418,825.00</u>

Respectfully submitted,

PRINCE H. TIRRELL, Chairman

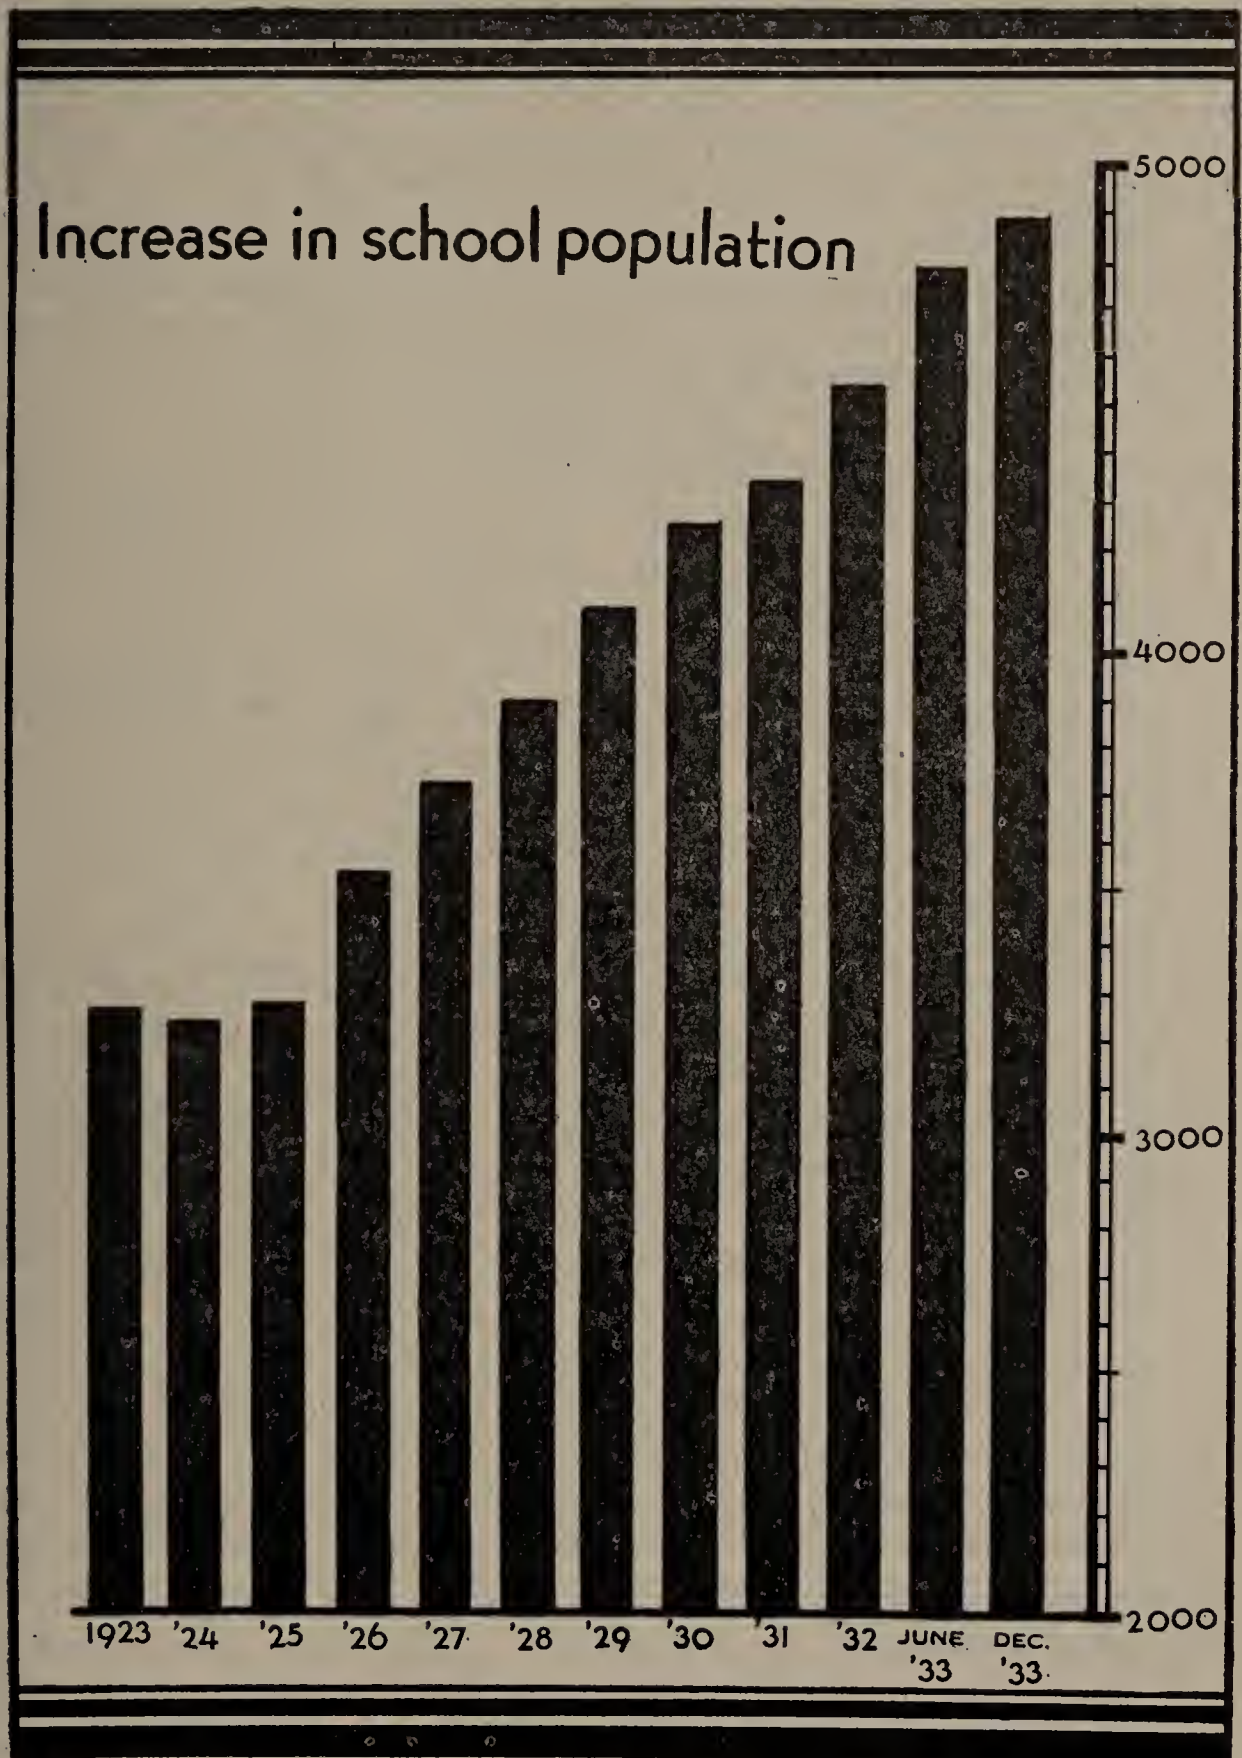

ETHEL G. TAYLOR, Secretary
(Mrs. Arthur R.)

JOHN P. HUNT

J. HERBERT LIBBY, M. D.

FRANCIS W. REA

EDWIN R. SAMPSON

In June 1932, school enrollment records showed 4,587; in June 1933, 4,793; and in December 1933, 4,886. The school population continues to increase, apparently at the same rate as it has since 1925.

REPORT OF SUPERINTENDENT OF SCHOOLS

Members of the School Committee:

I take pleasure in presenting to you my twenty-fifth report, the forty-eighth in the series of annual reports of superintendents of this town.

Reports for special departments and for the High School are also presented herein. Those interested will do well to read them, as valuable information has been included.

For ninety miles along the Columbia River from Portland to a little town called The Dalles, stretches one of the most beautiful highways in the world. This road runs high above the river, and to many the beautiful scenery is its chief merit; but to one interested in construction and engineering, the great buttress walls rising from the edge of the river or from the mountainside to support this road are a source of wonder and admiration. These walls are built of dry-point masonry, a type of construction which was used in the time of the Cæsars, whose memorial arches still stand, despite the shock of earthquake and the wearing action of the elements. To build these walls skilled workmen were brought from Italy, descendants of those who had built the enduring walls of previous ages.

A visitor, noticing the care with which one of the workmen was fitting each individual stone, asked why he was taking so great pains. His answer might serve as a slogan for any type of work or for any class of people: "I am building this wall in order that my grandchildren may be proud of it." The buttress walls which support our educational system have been in the process of construction for three hundred years. They have been built with infinite care and patience. Washington, our first President, laid a foundation stone when he said, "In a country like this, if there cannot be money found for education, there is something amiss in the ruling political power." Our own John Adams, the second President of the United States, and the greatest town meeting orator of all time, laid a second foundation stone when he said, "The whole people must take upon themselves the education of the whole people and must be willing to bear the expense of it."

It is proper that the people of the present generation should not fall below the standard set by the past. Education must and will continue to be the first duty of the state and the prime responsibility of those who desire to prepare the coming generation for the duties of citizenship which they in turn must assume.

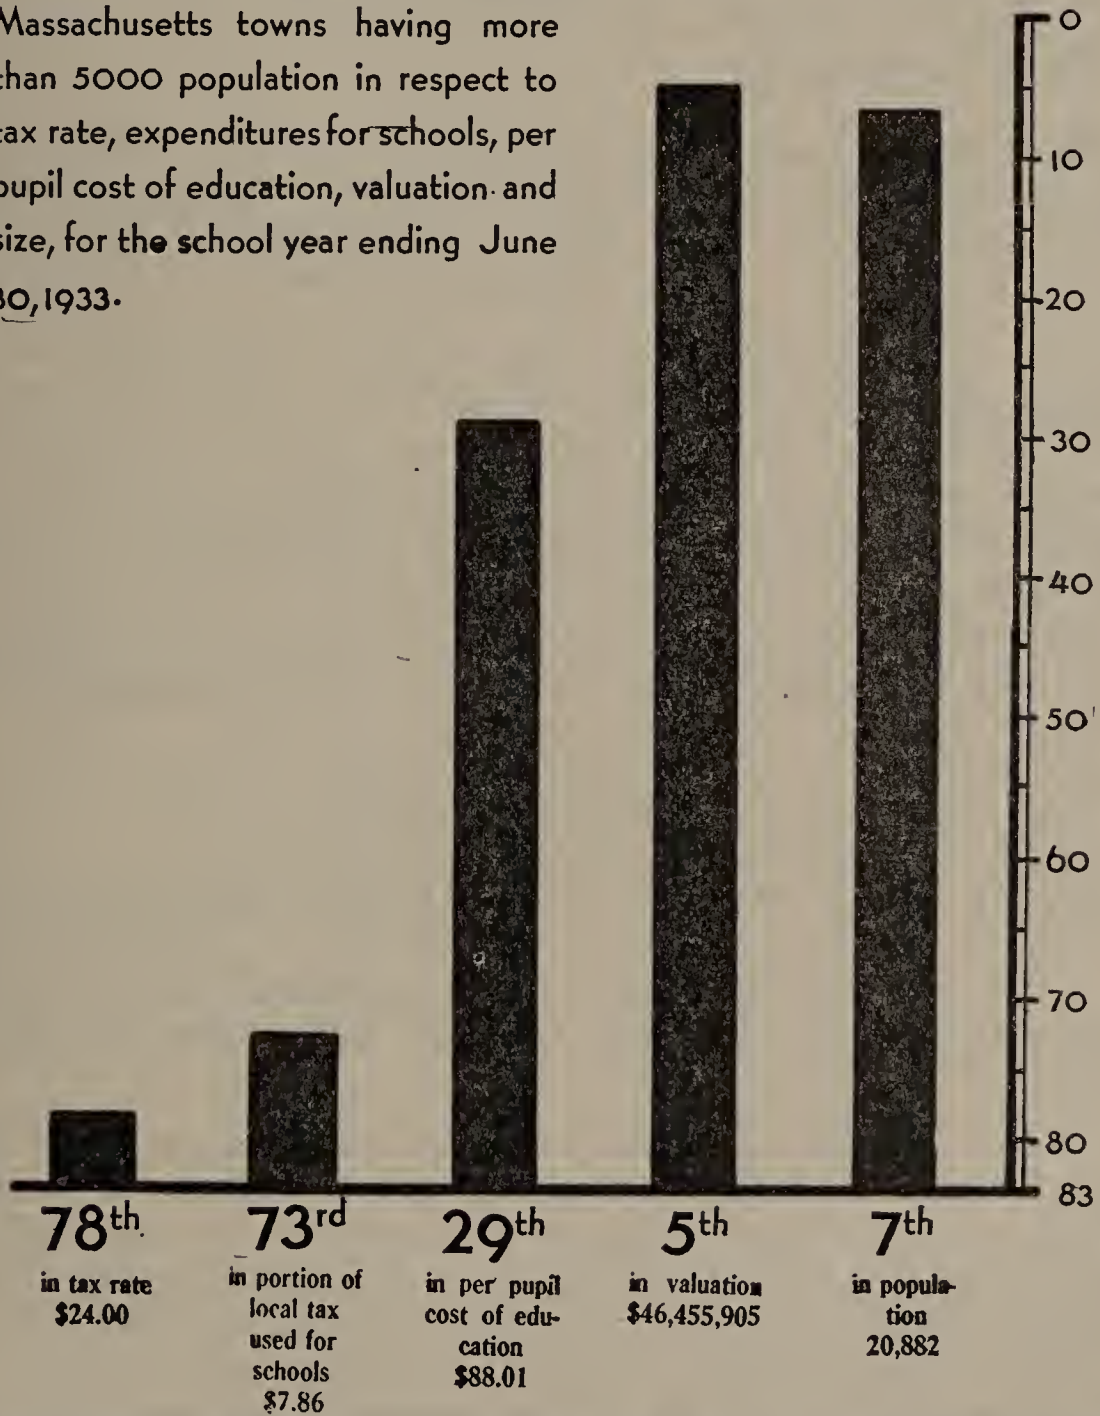

Three hundred years before the birth of Christ, Euclid presented the proposition that a straight line is the shortest distance between two points. This statement has been neither proved nor disproved in a period of more than two thousand years, although many people have made the attempt. It is, however, accepted as a fact.

How easy it would be in school work, as well as in other lines of business, if we could follow a straight line! How easy it would be if we could prove to those who desire to follow a curve that a straight line is the easiest path between two points!

It is a well-known fact that a person lost in a forest, becoming bewildered, will walk in a circle, ultimately returning to the point from which he departed. Many during the present period of economic stress have become bewildered and have lost their bearings. Their tendency is to develop a curve, but in the end they will return to their original starting point. The more nearly the activities of a school system can be kept in a straight line, avoiding bulges or excesses, the greater will be the efficiency of the system, and the less will be the economic loss to the community from sudden and drastic changes.

It has been the policy of the School Department for many years to avoid costly experiments in education. It has been its policy to keep the best, eliminate the useless, and add such things as have been proved to be of merit. As an interesting sidelight, it may be well to mention that during the ten-year interval from 1918 to 1929, which covered the period of greatest extravagance and inflation, our schools were run at an average cost of about \$20.00 per pupil below the average cost in the state. When the number of children is taken into account, this represents a saving of about \$60,000.00 a year, or \$600,000.00 for the period. Our cost per pupil is still below the average in the state. I doubt if at the present time any parent would desire to give the children of this town less valuable training than is given elsewhere.

THIS chart shows the rank of Weymouth among the eighty-three Massachusetts towns having more than 5000 population in respect to tax rate, expenditures for schools, per pupil cost of education, valuation and size, for the school year ending June 30, 1933.

From the above chart may be noted that Weymouth continues to occupy a low relative position, both as to tax rate and as to the small amount taken from the tax levy for school purposes.

CHANGES IN THE TEACHING FORCE

RESIGNATIONS

High School	Fred L. Kennedy
Pond School	Mildred L. Leonard
Asst. Drawing Supervisor	Hazel R. Nietzold

APPOINTMENTS

High School	Norman R. Loud
Junior Annex	Mary B. Thomas (Mrs.)
James Humphrey	M. Frances Lebbossiere
Center Portable	Winifred O. Lennon
Sewing Supervisor	Pauline Ahern

TRANSFERS

James F. Steele	Vocational to High
Joseph K. Whittemore	Shoemaking to Vocational
Philip T. Jones	High to Bicknell
Marion E. Ray	Assistant Drawing Supervisor to Pond
Katherine C. Fogarty	Penmanship Supervisor to Junior Annex
Anita L. Petrucci	Junior Annex to High
M. Alice Owen	Center Portable to Bicknell
Philip T. Jones	Bicknell to High
Josephine E. Ray	James Humphrey to Pond
Marion E. Ray	Pond to Assistant Drawing Supervisor

The net result of changes in the teaching force during 1933 shows two teachers less than appeared on the list at the close of 1932.

In the interests of economy the positions of High School Coach and Penmanship Supervisor were abolished, and the drawing departments have been carried on with one less assistant. Although much might be said about the loss to the school children because of these retrenchments, complaints would not be in order under existing economic conditions. It is the hope of all connected with or interested in the School Department, however, that these vacancies may be refilled with the advent of better times.

The Shoemaking School was discontinued on January 1, 1933, and the director transferred to the Vocational School, thus freeing one academic teacher for transfer to the High School.

The opening of two extra rooms for High School purposes became necessary in September. In order to make this provision,

an eighth grade room in the Junior Annex was closed, the four rooms being taken care of by three teachers. The handwork department of the Opportunity Class was transferred to a room arranged in the basement of the old High School by partitioning the area previously occupied by the old kitchen of the lunchroom. With the transfer of two teachers from the elementary grades, the situation has been satisfactorily adjusted for the present school year.

In September two rooms opened in the Pond School enabled the discontinuance of the portable in use at the Edward B. Nevin School. Two teachers and about fifty pupils living in the Pond Plain district were transferred.

One appointment was caused by the resignation of a teacher who was to be married, and one by the retirement of a temporary teacher. The position of sewing supervisor, which had been abolished during 1932, was refilled in January because of the insistent demands of parents that the girls as well as the boys in the seventh and eighth grades have the opportunity to profit by weekly instruction in handwork. The two remaining appointments were for teachers who had previously been on a temporary basis.

HIGH SCHOOL

(Report of Mr. F. W. Hilton, Principal)

As a preface to my annual report on the High School, I wish to speak concerning the status of education throughout the country, with the hope of bringing a clearer light upon the situation in our own town.

We are faced with a peculiar situation of distribution, where a large part of our population is in want,—idle, an eager market for goods, without the means to pay. Riches are in the hands of a comparatively small group, but largely in the form of debts which cannot be collected, and manufacturing and transportation facilities which are idle. There is no question about the undeveloped wealth of the country, nor is there any question that we have sufficient resources so that all the people might have all and more than all of the necessities of life; but apparently there has been a breakdown in distribution, so that untold suffering will be involved unless government planning is able to straighten out our difficulties.

There is little question that with the improvements in machinery, transportation, and invention, we shall be able to produce the necessities in more than ample quantities with less and less hours of labor. What shall be done with this excessive leisure? At present, child labor is frowned upon more and more, because it deprives grown-ups of the opportunity of earning a livelihood; but something must be done with the youth from the ages of thirteen to eighteen and possibly to twenty or twenty-one. Whether we shall be able to satisfy their needs and keep a con-

tented and healthy atmosphere among our youth, depends very greatly upon our public schools.

Considerable talk has been made concerning unnecessary expenditures, costly frills, poorly chosen curricula, largely by public spirited politicians who have not been over-careful in their own distribution of the money of the Commonwealth. I do, however, firmly believe that the people who are enjoying the benefits of the schools, and these are increasingly great, appreciate the service that is being rendered to our communities.

Outside activities, such as carefully directed playground facilities, organized theatricals, musicals, sketch classes, and various clubs, are necessary and essential to keep up the morale of our young people whose time is unoccupied by regular employment, and these have added greatly to the duties of our school faculties. Whether or not the communities appreciate these activities may be best known by their interest and attendance.

Something of the added task which has been thrust upon the high school may be shown in the fact that while in 1890 only 4.5 per cent of the children of secondary school age were enrolled in high school, today more than 50 per cent of such children are enrolled. Throughout the country the numbers of children coming back for postgraduate work have increased over 800 per cent. In our own town, the increase during the past ten years has shown quite a remarkable growth. From the school year 1923-1924 to the school year 1933-1934, our enrollment has increased 147 per cent. Our postgraduates have increased 2700 per cent.

The following tables will show the distribution of our students under various classifications:

BY SEX

	Boys	Girls	Total

The total increase in school budgets, therefore, would seem to be caused by the enormous increase in enrollment and not by unwise expenditure. Our per pupil cost during this time has varied slightly, but has never been excessive as compared with other towns of similar size. I believe that our schools are giving a maximum amount for the money expended, and I sincerely hope that our people will not act in any way that will curtail their efficiency.

Another rational way of employing leisure time is through the use of our libraries. Everything should be done to assist and foster the reading habit. I am glad to say that our school library is in very efficient hands and through the wisdom of our superintendent is not being allowed to suffer from lack of funds. Through this agency, our freshmen are taught how to use a library as a part of their English training. While we are fortunate in possessing such adequate facilities, we are equally fortunate in having the hearty co-operation of our public library.

The value of a varied program of studies is a very important factor in the success or failure of our schools. We have been very

fortunate in this respect, because in addition to the usual College Preparatory, Business, and General courses, we have added various Trade courses, Agriculture, and Domestic Arts. There is a general feeling that foreign languages will tend to give way to social studies and economics. However this may be, a considerable demand still remains for foreign language and until this is satisfied, I believe it is the province of the school to supply these subjects and allow the demand to govern the supply rather than to attempt an abrupt upheaval of our curricula.

I believe that a high standard of scholarship is being maintained under increasingly difficult conditions. When classes grow beyond the thirty mark, it is exceedingly hard for the teacher to look after the individual. Whether or not the work is satisfactorily done becomes more and more the responsibility of the student himself. There is sure to be a final check-up, but often a failure is discovered too late to be effectually corrected. We hope that both parents and pupils will understand this situation and assume their share of responsibility for regular and thorough preparation.

We are glad to give prominence to worthy achievement and wish to announce the following scholarship awards:

Monday Club	Eleanor Bicknell
Weymouth Teachers' Association	John Bentley
Weymouth Teachers' Association	Eleanor Bicknell
Weymouth Teachers' Association	John Chipman
Weymouth Teachers' Association	Parmys Goodale
Weymouth Teachers' Association	Russell Theriault
Weymouth Teachers' Association	Judith Wood
Weymouth High School Alumni Association	Parmys Goodale
Weymouth High School Alumni Association	Russell Theriault
Varsity Club	John Bentley
Varsity Club	Paul Foscett
Catholic Club	John Bentley
Alice W. Dwyer	Mary Jorgensen
Medal for Meritorious Progress	John Chipman
Washington and Franklin Medal for Excellence in United States History	John Bentley

In conclusion, I wish to thank the faculty and school authorities for the faithful way in which they have carried on under adverse conditions. I am optimistic enough to believe that no false economy shall be allowed to hamper our progress, and that a way will be found so that idle hands may again be employed, and a

proper distribution of wealth will bring such prosperity to our nation that depression and gloom will be replaced by happiness and a bright outlook for the future.

VOCATIONAL SCHOOL

(Report of Mr. Francis E. Whipple, Jr., Director)

In the early part of the year the school was the recipient of a very useful gift in the form of a large Premier cylinder press. This machine, capable of printing a wide range of book and color forms, was owned by Mr. Elmer Blenis of South Weymouth. He found himself without room or ready market for it at his Boston shop and decided to give it away. Through the agency of one of our local printers we received it. To find space for such a machine was a problem easily solved, because all partitions in the building are of a movable nature. By simply reducing the adjacent classroom to a smaller size, we were able to greatly enlarge the print shop.

The press has proved an extremely useful piece of equipment and enables us to expand our course of study to include a branch of the trade which, in ordinary times, pays excellent wages.

The printing department was visited during the year by one of the leading printers of Boston when he was on a tour of inspection through the trade schools of the State. He complimented us on the wide range of our color work and the excellence of our typographic layout, something not ordinarily found in school shops. It has always been our ideal to produce jobs which are of the highest quality, avoiding the ordinary and commonplace. He also suggested that, to be in line with current practice in the industry, we should have a linotype machine and some type of automatic press. Both of these machines are everyday necessities in commercial shops.

The course in carpentry was changed this year to cabinet-making. For several years past we have been doing less and less carpentry work and more and more fine cabinet work, so it was felt that the department should be accurately named. With only one instructor in the shop, it is very difficult to handle work outside of the classroom. To do work in some other part of the building requires him to leave his class unattended in the shop for varying periods of time.

For the past two or three years the cabinet shop has lent its talents to the designing and building of stage scenery to be used

in connection with the plays and operetta produced in the High School. Every play presents new problems of scenery construction and handling. "The Ghost Train," produced in June, showed what could be done in the shop and carried out by Vocational School boys. In the fall "Lightnin'" brought new problems which were carried out in a workmanlike manner. All supporting work back stage and the scenery have been handled entirely by the Vocational School.

The automobile repair department will move next year into a new structure built by Civil Works Administration funds near the High School cafeteria. It will be 60x80 feet in size and built of concrete and brick. The preliminary plans and many of the revisions for the building were prepared in the drafting department. Because tentative plans were on file in the department we were able to take advantage promptly of the Civil Works Administration program. The quarters originally provided for this shop were never sufficiently large to accommodate even a small class, and for many years the work has been carried on under difficult and even dangerous conditions. The new building will provide lighter and cleaner quarters to work in.

This year the so-called "week-about" plan of program was adopted. Briefly, it consists of dividing the studies into cycles of two weeks, one entire week being spent in the shop and the other week in the class. As far as we have gone it works out very well with a very much smoother running program. In the classroom it allows the boys to concentrate for a whole week on their academic work without the distraction of a radically different type of activity. During the shop week, a boy may carry a job through to completion without being required to leave some part of it for some other boy to finish. Of course, the result is that every boy takes greater pride in his work and naturally makes much greater progress. While it is impossible at this early stage to give tangible evidence, I believe the week-about plan will result in fewer failures among the students.

In spite of the discontinuance of the shoemaking department last January, our enrollment is larger than last year. The increase is found in the printing and automobile repair departments. The table below gives the enrollment in detail:

	I	II	III	Post-Grads.	Total
Auto Repair	34	14	8	1	57
Cabinetmaking	10	8	9	2	29
Printing	13	11	9	1	34
	—	—	—	—	—
Total	57	33	26	4	120

An analysis of the figures shows that nine of the freshman class came from high schools. The total number of boys enrolled who attended high school at least one year before coming here is twenty-four. The reason in most cases was that the high school course held little of interest to them; they were motor-minded rather than academically-minded. In all but rare cases, a high school boy makes very good progress in the Vocational School, and life for him and often his parents is far happier than before.

We have also enrolled thirteen boys living outside Weymouth, whose tuition is paid by their home towns. They form a serious-minded group of boys who daily travel long distances at their own expense to get training, and their tuition is an important source of income to the town.

The present school year will be noted for the splendid support and co-operation which has been freely given by students, faculty, authorities, and all with whom I have come in contact.

AGRICULTURE

(Report of Mr. Hilmer S. Nelson, Agricultural Instructor in charge of the Weymouth Branch of the Norfolk County Agricultural School)

More than ever, the necessity for vocational training, particularly in agriculture, has become a permanent part of our whole educational program. Whether or not the participant becomes actively engaged in one of the many agricultural enterprises, the knowledge thus secured may become a potent part of his future life. The period is not far distant when leisure time will be a factor which will need thoughtful consideration. Spare moments carefully devoted to the management of a home vegetable garden or a poultry flock will assure greater happiness and firmer economic stability.

As we come to the close of our seventeenth year of existence, we find an increase in enrollment denoting a healthy growth. On account of limited facilities, the entering group of this fall (1933) had to be limited to Weymouth applicants only. On December 31, 1933, we find a total enrollment of twenty-nine students, divided according to their classes as follows:

Seniors	4	Sophomores	9
Juniors	3	Freshmen	13

The average enrollment for the last nine years has been twenty-two students, divided as follows:

1925	17	1930	24
1926	18	1931	21
1927	20	1932	26
1928	19	1933	29
1929	24		

The necessity of meeting certain enrollment requirements has accounted for a variety of productive projects: Poultry, garden, dairy calf, turkey, strawberry, and greenhouse, with other minor activities. Vocationally we learn "to do by doing," and only by such doing may a student receive credit. There is strongly emphasized the home project method of teaching agriculture; this, together with the agricultural theory and work in classroom and the regularly prescribed academic course, strengthens and solidifies an agricultural foundation.

During the school year 1933-1934 the agricultural studies for the course are as follows:

Freshmen and Sophomores: Home vegetable gardening, agricultural survey, botany, farm arithmetic, farm forestry, home landscaping, accounts, diaries, and home project problems, together with actual farm practice at a market garden farm in Hingham and a greenhouse in East Weymouth.

Juniors and Seniors: Dairying, field crops, agricultural chemistry, fertilizers, farm drawing, accounts, diaries, and actual farm practice at a dairy farm in Hingham. During the third term (January through February), this group will have auto-mechanics and farm mechanics.

Again we wish to thank Mr. Albert H. Kress of Hingham for his assistance, advice, and co-operation in allowing us the use of his dairy farm one forenoon each week for actual practice in many farm operations. We also wish to extend to his brother, Mr. Paul E. Kress of Hingham, our appreciation and thanks for his friendly co-operation and advice in the use of the many practical market garden practices at his farm one forenoon each week.

To Mr. Myron P. Ford of East Weymouth we wish to extend our thanks for his advice and co-operation in allowing one of our groups the use of his greenhouses one forenoon each week.

To our Superintendent, Mr. Parker T. Pearson, and to our Principal, Mr. Fred W. Hilton, we extend many thanks for their friendly spirit and hearty co-operation.

COURSES OF STUDY

(Report of Mrs. Flora Haviland McGrath, Director of Courses of Study)

Definite Objectives for 1933

Two objectives have been followed this year with most gratifying outcomes: The first has been to maintain through careful testing and recording of results, the high standards of teaching already set; the second has been to improve methods and devices, wherever such improvement seemed necessary, by suggestion and exchange of ideas.

Language Activities

Inasmuch as language is closely allied to other subjects and activities, it is reasonable to believe that any improvement in this subject is beneficial to the pupil. With this in mind, therefore, the same plan for testing and recording, which has brought satisfactory results the past few years, has been followed throughout the year 1933.

During the month of January, 1933, all grades from IV through VIII were tested in English. The tests for grades IV and V consisted of the language error type which required daily drill in order to establish correct language habits. The tests for Grades VI, VII, and VIII consisted of the important points taken up by the class as outlined in the course of study.

All tests (approximately 2,076) were corrected and returned to the pupils. The median for each room was taken and placed on record. In Grades IV and V, the medians for January, 1933, were compared with those for September, 1932. Of thirty rooms tested, all but one showed a marked improvement.

The final testing in English was given in May and June. The same practice was followed as previously outlined. These medians were then compared with those for January, and in every case a marked improvement was noted.

In September and October, 1933, another complete and careful survey in English was made, and all results tabulated and compared with those for 1931 and 1932.

A substantial general improvement has been noted throughout the entire school system. As a result of this work, there has been a slight decrease in the percentage of freshman English failures. It is the hope of the principals and teachers to reduce to the minimum the percentage of failures in English and language activities.

Arithmetic

The same type of arithmetic test given in December, 1931, in Grades V and VI was repeated in March, 1933. Of thirty rooms tested, all but one showed a decided improvement. This test was given to determine general weaknesses in computation and reasoning. Where the grade was unusually low, immediate remedial work was recommended.

A meeting of principals and teachers was held in order to discuss these tests and to agree on methods for improving the work.

Geography

Every teacher in Grades V and VI was asked to have her class prepare a modified socialized recitation for demonstration. These classes were visited by teacher groups from other parts of the town at the close of school.

The type of work produced by the pupils at these lessons was unusually good. The popularity of the lesson was attested to by the enthusiasm of the students. The greater part of the work was done after school hours under the direction of the teacher. Not only did the work itself prove profitable, but the visits of the teacher groups to the various schools and classes had a salutary effect.

It is planned to continue these demonstration lessons in order that the teachers may have a chance to observe other classes and teachers and to give the pupils an opportunity to exhibit their work.

There has been much interest in geography this year as manifested by the large number of teachers (75) who registered for the course in Human Geography given by Helen Goss Thomas, author of "The Americas" and "Nations Beyond the Seas," the geographies now in use in the Weymouth schools.

Spelling

The spelling lists in Grades I, II, and III have been completely reorganized under the direction of the following committee:

Miss Susan M. Tracy, Hunt School; Miss L. May Chessman, Edward B. Nevin School; Miss Mary C. Shea, Jefferson School; Miss Mellissa Chase, Jefferson School; Miss Clara L. Rogers, Bicknell School; Miss Margaret Q. Donahue, Shaw School; Miss Mary E. Crotty, Hunt School; Miss Winifred L. Conant, Edward B. Nevin School; Miss Margaret Dingwall, Athens School.

It is the general consensus that this change is a decided advantage.

A complete survey of spelling is planned for January, 1934, with the hope of making some needed changes in word lists and methods of teaching.

New Courses of Study Completed

In the spring of 1933, I began work on the new courses of study in language for Grades II and III. These courses were completed in June and placed in the hands of the teachers in September.

I wish to acknowledge my indebtedness to the following teachers for the splendid co-operation and helpful suggestions given me while working on these syllabi:

Miss Mellissa Chase, Jefferson School; Miss Mary E. Crotty, Hunt School; Miss L. Eyllen Hollis, Jefferson School; Miss Margaret Dingwall, Athens School.

With the completion of these two courses, every grade from the first through the eighth has a new course of study in English and language activities.

Sources of Failures

It is the desire of the principals of the various schools to reduce to the minimum the number of student failures. It is also their wish to co-operate in every way possible so that the preparation of the student entering high school will be such that the percentage of pupil failures in the first year of high school will be greatly decreased. With this in view, a complete record of sources of student failures in English and mathematics for the first two marking periods of the freshman year was made by Mr. Hilton, Principal of the High School. Then the percentage of failures in English and arithmetic in Grades VII and VIII was found by the teachers of those grades. These percentages were tabulated and complete records sent to every principal. Wherever the percentage of failures was too high, immediate steps were recommended to improve the condition.

Plans for 1934

1. To make a complete revision of spelling from Grades IV through VIII.
2. To give added assistance in arithmetic to the slower pupil.

3. To continue vigilance throughout the system for the establishment of good language habits.
4. To exert greater effort in the field of good mental and social habits.
5. To increase effort to maintain co-operation between the home and the school.

Comments

Perhaps it is not amiss at this time to mention the fact that in addition to my regular duties, I coach dramatic activities several late afternoons and evenings of each week for approximately a period of three months. This is all done in connection with extracurricula school activities, and the time is given with pleasure as a community service.

I realize that in order to keep abreast with the new ideas, there should be some time allowed for occasional attendance at conventions and meetings. However, because of the manifold duties which this position holds, I have found no time for outside visiting. I consider it beneficial and shall hope to find some time in the future.

Conclusion

I wish to express to Mr. Pearson, Superintendent of Schools, my appreciation for the trust which he has placed in me, and to the principals and teachers, I wish to acknowledge my deep gratitude for their splendid co-operation without which all my efforts would have been futile.

DENTAL CLINIC

(Report of Miss Alice A. Conroy, Dental Hygienist)

The Dental Clinic continued its activities the past year with the same objectives in view: first, the filling of baby teeth and newly erupted six-year molars; and second, removal of infectious deciduous and permanent teeth.

The tremendous value of very early filling of deciduous teeth is not realized by most parents. Children should begin at the early age of three years to visit the family dentist. By so doing, small fillings can be put in when needed with no discomfort. A child should never be "hurt" in a dental chair. If sent

early enough, he becomes "tooth conscious" from early training and never has fear of the dentist.

This year 2,442 children were examined and 2,271 were in need of dental care. Notifications were sent to parents of existing defects. In this group, 443 were suffering from infectious deciduous and permanent teeth. These figures show a decrease in the percentage suffering from infection in the mouth over last year. Efforts have been made to remove these foci of infection for deserving children at the clinic.

A group of 46 first-grade children had all work, including filling, extracting, and cleaning, completed. Four special cases requiring X-ray and surgical care were referred elsewhere and successfully treated.

The following is a summary of the clinic activities:

Number Patients	288
Number Visits Made by Above Patients	457
Number Fillings	215
Temporary Teeth	138
Permanent Teeth	77
Number Extractions	685
Temporary Teeth	463
Permanent Teeth	222
Number Treated for Temporary Relief of Toothache	124

DRAWING

(Report of Miss Evelyn Silvéster, Supervisor of Drawing)

The year 1933 has been a very busy and rather unsatisfactory one in our department. When last January Miss Ray was transferred to a grade position to help reduce the school budget, it was with dismay that Miss Nietzold and I added her work to our already full programs and attempted to carry on. As a result, each grade is visited by the Art Supervisor only nine or ten times a year as against our former twenty visits.

This has made our grade work especially difficult, as we have been developing a new course of study in the lower grades which needs closer supervision to get good results. However, we have carried on to the best of our ability, and with the generous cooperation of the teachers we are slowly finding the work developing along the lines we hoped for.

In October Miss Nietzold received a very flattering invitation to become the assistant art teacher at the State Teachers' College at Framingham. Though very sorry to have her go, we are glad such an opportunity came to her. Miss Ray is now back in our department carrying on where Miss Nietzold left off. Some day we hope again to return to the twenty visits a year in our supervision of each room.

The new course of study will extend this year to the fifth and sixth grades and next year to the seventh and eighth. In this work much more depends upon the individual teachers and in having the children grow up in the work; hence its gradual introduction. We are attempting to keep alive the creative genius native to every little child. It is so often stifled as a child becomes older. This spontaneous drawing to illustrate a thing difficult to describe, really graphic description, is the aim of our course.

The Opportunity Class in its new quarters is especially well fixed in its handwork room. Water is now available for caning and basketry, and many new and interesting things are being made. It is an altogether fascinating workshop, and gratifying as well, for it teaches self-reliance and co-ordination in the making of beautiful useful things. It also covers the cost of the materials used by the sale of its attractive products. Any one interested is welcome to visit this class.

We have always been grateful for the co-operation and welcome we receive from the teachers of the town and for the support of our superintendent.

MANUAL TRAINING

(Report of Miss Alice L. Tucker, Supervisor of Manual Training)

During the past year 195 boys had manual training in the seventh and 179 in the eighth grade. The weekly lessons were from sixty to ninety minutes. The seventh grades were taught the use of the common tools, and in the eighth grades articles containing the simpler joints were made. Both grades learned to draw and read their plans.

The boy has the first right to buy his finished product at cost. Then if he does not take it, the article is sold to some one else. Because of the scarcity of money in many homes, mostly small things were made, as, of course, the child is more interested in making anything if he knows he is to have it when it is done. However, any one who wished to make and buy larger articles

was allowed to do so, and telephone stands, costumers, bookcases, magazine racks, sewing screens, tables, and stools were made.

Most children and many parents think that manual training is put into the school curriculum to teach the boy carpentry. Such, however, is not the real object. The fundamental reason for having this subject in the grades is to teach the child accuracy, neatness, perseverance, persistence, and thoughtfulness, and to develop a sense of responsibility. This combined use of hand and brain develops and educates a new side of the child, broadens his outlook, and is sometimes instrumental in opening up a new field for his life work.

Because of the interest of the children and their eagerness to work outside of the regular school hours, many of them bringing their lunches and working all noon and others staying after closing time, much more was accomplished than could otherwise have been done in the short time allotted.

MUSIC

(Report of Mr. Vance W. Monroe, Supervisor of Music)

"Music rightly taught is the best mind-trainer on the list."—Dr. Charles Eliot, President-Emeritus of Harvard University.

This quotation is one way of stating that music and its component parts, rhythm, melody, form, harmony, and design, are necessary to man if he is to keep the balance which nature intended. The emotional side of man's nature is tied up with melody; the physical, with rhythm; and the intellectual, with form, harmony and design.

The intellectual development of children is adequately taken care of under our present curriculum; but children with a naturally slow rhythm are made to feel themselves inferior, subnormal, since they cannot keep up with those fortunate enough to have a faster rhythm; namely, the ability to think and act more quickly.

Emerson once said, "Let me write the songs of a nation; I care not who makes its laws."

As in former years, the operetta was the outstanding musical contribution at the High School. Because of crowded conditions, voice training classes have been temporarily discontinued. This is unfortunate, as this specific instruction forms the background for all good singing. The glee clubs, augmented by the several talented soloists in the school, have filled many engagements with

very gratifying results. Many local organizations have utilized our talent during the past year and may feel free to ask for what we have in the future. Until a room is definitely assigned to music, the program cannot progress much beyond the weekly chorus and incidental glee club work.

Music in the grades progresses in a very satisfactory manner. The pupils and teachers manifest genuine enthusiasm, which is the foundation of all healthy growth. Individual singing, which is taken as a matter of course, develops poise and self-confidence which can be gained in no other way. Sight reading has developed to a point where it is a pleasure to work with special groups.

Each school presented special programs during the year. The most ambitious of these, an operetta, "Penny Buns and Roses," was presented by the pupils of the Bicknell School. Miss Guertin, assisted by Miss Mayo and Miss Roche, did a very finished piece of work.

May I take this opportunity to express my sincere appreciation to all the teachers, without whom nothing could have been accomplished. The special work done as practice teaching by Mr. John Lyons and Miss Pauline Cassese is gratefully acknowledged.

SCHOOL GARDENS

(Report of Miss Sarah E. Brassill, Supervisor of School Gardens and Clubs)

The vital thing about the work this year has been its adaptability to present conditions. Young people who are garden-minded have found in it their opportunity to do their part.

There has been an increase of fifty per cent in gardens reported for summer inspection. Many who did not report for inspection are known to have had gardens. There is evidence that information gathered by the young people was put at the disposal of friends and neighbors.

The gardens varied in size from fifty square feet to more than an acre. Both flowers and vegetables were planted. The vegetable gardens all showed a profit, small in the case of the small gardens, and in all cases without prejudice to professional gardeners. These young people have the time, the willingness, and the land. They have not so much money. Their gardens have supplied food that would probably have been dispensed with otherwise. Even failures would have taught them valuable lessons, such as that there is a right and a wrong way to do things, and that there is a direct connection between cause and effect. Such

lessons, however learned, would be of lasting value and of far-reaching application.

Other lines of voluntary activity have gone on as usual. Tested by the results in exhibits and contests, the work has been well done.

Looking forward to increased leisure and the need of ways of using it, and keeping in mind the growing interest in a home and a town beautiful, one sees a place for a knowledge of "green things growing." Such knowledge should contribute to increased individual satisfaction and lead to better citizenship.

SCHOOL NURSE

(Report of Miss Anna A. MacDavitt, R. N., School Nurse)

The year 1933 has been one of the busiest and in many ways the most successful in the history of school nursing in Weymouth.

There are now in operation two clinics in our schools: the Chadwick Clinic, established in December, 1931; and the Toxin-antitoxin Clinic, in November, 1933.

The Chadwick Clinic re-examined and X-rayed eighty-six children in November. Eighty-two were found improved, and two were discharged as free from tuberculin disease. Four were recommended for summer camp.

The Toxin-antitoxin Clinic was conducted under the supervision of the State Department of Public Health. Each elementary school physician had charge of his own buildings, assisted by a graduate nurse. In the High School two physicians not connected with our schools volunteered their services. The schedule was as follows:

High School	Dr. Kenneth Hutchinson Miss Margaret Mackay Dr. Daniel J. Bailey Miss Herberta L. Stockwell
Adams, Athens and Bicknell Schools	Dr. Wallace H. Drake Mrs. Katherine D. Pratt
James Humphrey School	Dr. J. Herbert Libby Miss Nora McQuade
Jefferson and Washington Schools	Dr. Harris E. Bowmar Mrs. Barbara Gough O'Donnell

Hunt and Center Portable	Dr. C. Sumner Webber Miss Maude Wilbur
Pratt and Shaw Schools	Dr. K. H. Granger, assisted by state physicians Miss Anna A. MacDavitt
Nevin and Pond Schools	Dr. Robert R. Ryan Mrs. F. B. Mathewson

Toxin-antitoxin is a serum which, given hypodermically in sufficient doses, causes immunity against diphtheria for a period of at least seven years, to the greater number of children thus treated. The Fosbek method was employed. As this is an instrument of precision, the work was accomplished in the minimum amount of time. Children are more susceptible to diphtheria between the ages of six months and ten years than at any other age. We invited the pre-school age children to attend our clinic for this reason.

The following figures prove the hearty response given by the parents:

Number pre-school age children receiving three treatments	459
Number school age children from six months to eleven years receiving three treatments	1,317
Number school age children from eleven to sixteen years in the elementary schools receiving three treatments	678
Number students in Junior Annex and High School receiving three treatments	895
Total	<hr/> 3,349

Children numbering at least 363 have been given this treatment by their family physicians previous to and during our clinic. In the elementary grades there were 396 refusals.

In March, 1933, Dr. C. B. J. Schorer, State Psychiatrist, examined twenty children and re-examined seven. It was recommended that nine of these children be sent to the Opportunity Class. Three were returned to the grades from this class and are now doing average work in their respective classes. Miss Doris Partridge, who is in charge of the academic subjects, is doing excellent work with these girls and boys.

The following is a summary of the work completed during the year:

General Inspections	4,992
Weighed and Measured	1,106
Dressings in School	230
Assisted Doctors with Examinations	700
Home Visits	472
Children Taken Home	85
Children Sent to Doctors	92

Excluded for:

Chicken Pox	29	Whooping Cough	5
Measles	4	Impetigo	29
Mumps	2	Scabies	13
Scarlet Fever	8	Pediculosis	22
Colds and Sore Throats	62		

At this time I should like to express my appreciation to those doctors, nurses, and helpers who in any way assisted in making the Toxin-antitoxin Clinic a success. To the entire school personnel, who at all times give me such splendid support, I am indeed grateful.

SEWING

(Report of Miss Pauline Ahern, Supervisor of Sewing)

During the past few years sewing has had a greater appeal to the average girl. Undoubtedly, the uncertain and unusual economic conditions have had a profound influence. Interest is greater, and the girls enter into their work with greater spirit and determination. With this in mind, the program has been arranged so that something useful may be created.

In the seventh grade, after the preliminary foundation of learning all stitches which were applied to a sewing bag, Christmas articles and pajamas were made. Also, the study and care of the sewing machine were taken up.

In the eighth grade blouses, Christmas gifts, skirts, and dresses were made.

The pupils also assisted the charity work of the Weymouth Hospital by making sixty-four different articles cut by Mrs. Emerson.

At Christmas time exhibitions were held in each school. These exhibitions were open to the public, and the interest that was displayed was very gratifying.

SCHOOL SAVINGS

School	Deposits	Withdrawals	Transfers to Bank Books
Adams	\$ 292.11	\$ 14.20	\$ 206.26
Athens	252.79	19.65	240.73
Bicknell	335.35	77.52	300.91
James Humphrey	284.65	72.53	246.18
Jefferson	253.53	25.49	212.47
Junior Annex	53.96	8.52	67.01

CONCLUSION

In conclusion, I wish to thank the teachers and principals for their loyalty and for the faithful way they have maintained the high standard of work, and also for the care they have given to many children in needy circumstances.

To the School Committee, who have served the interests of education so long and faithfully, I take pleasure in extending my appreciation for their assistance given generously at all times.

Respectfully submitted,
PARKER T. PEARSON,
Superintendent of Schools.

APPENDIX

ROLL OF HONOR

Names of Students not Absent during the School Year 1932-1933

* Neither Absent nor Tardy

HIGH SCHOOL

*Marjorie Abrahamsen	*Jean Lindsay
*Arthur Adams	*Josephine Lindsay
*Santa Arena	*Melvin Little
Anna Baulis	*Edward Loud
*John Bentley	Marjorie MacCallum
*Marjorie Bentley	John MacDonnell
*Frances Bicknell	*Kenneth MacLeod
*Barbara Blackwell	*Lloyd Manuel
*Barbara Blake	*Elsie Marshman
*Randall Boyd	*Dorothy Mason
*Louis Bradford	*Robert Mayo
*Dorothy Cain	Catherine McDonald
*Christine Carpenter	*Leo McMorro
*Agnes Colarusso	*Enez Melkon
*Albert Colarusso	*Evelyn Murphy
*Pauline Colarusso	*Lucy Natale
*Henry Coleman	*Ruth Nesbitt
*Mary Connell	Frances Niles
*Laurice Corey	*Vieno Nissali
*Robert Cote	Jerry Nocera
*Marjorie Crawford	*Helen Nye
Rodman Croto	*Ellen Olander
*Louis Dillon	*Robert Olander
*Elsie Elmgren	*Phyllis Panora
*Leonard Ferguson	*Alphonso Pecoraro
*Betty Fielding	*Ivy Pike
*Mary Fielding	*Dominick Pileggi
*Edna Foster	*Edith Pirie
Agnes Galligan	*Lucy Pomarico
*George Gannon	Stephen Pratt
Barbara Gardner	*Glennys Preston
*Helen Gardner	*Arline Price
*John Gould	*Helen Quirk
*Douglas Grant	Alice Raymond
*Beryl Gray	Alfred Rennie
*Mary Harrington	Margaret Rennie
*Marjorie Hayward	*William A. Roberts
*George Hochstrasser	*James Robertson
*Harold A. Jerpi	*Harold Rogers
*Charles Johnson	*Bruce Saunders
*Walter Johnson	Edward Sturtevant
*Andrew Lambe	*Bernard Thibodeau
Jeanne Langille	Arthur Thorp
*Doris Lantz	*Agatha Veerling
*Richard LaPonite	*Mary Villanova
Rita Leonard	*Albert Wheeler
Rose Leonard	*Elliott Wilson

ODE TO THE CLASS OF 1933

Helen Nye

Celestial o'er yon mountain's rugged crest,
 Soft gold-fringed clouds proclaim the coming dawn;
 From this green vale in dewy verdure dressed,
 With eager hearts we greet life's radiant morn.
 That unclimbed summit is our goal on high,
 And "Onward! Upward!" our inspiring cry.

Let us be honest, patient, cheerful, kind,
With our ideal a loyal, noble life;
Zealous and true in heart and thought and mind,
Determined, dauntless in the common strife.
And may our knowledge and our friendships grow!
May faith and hope attend us as we go!

New wonders loom ahead, new dangers rise,
Greater than those our forbears overcame;
Our pathway steep leads upward towards the skies.
We face it clear-eyed, filled with youth's bright flame.
Almighty God, our Guardian and Guide,
Through weal and woe, O be Thou by our side!

REPORT OF VISITOR FOR BOARD OF PUBLIC WELFARE

To the Honorable Board of Selectmen:

The demand upon the Public Welfare Department throughout the country has, during the past few years, exceeded those of any like period in this generation. Weymouth has been obliged to share in this excessive requirement.

It has been my duty to interview all applicants seeking relief who are capable of coming to the Town Office, to visit others at their homes, to receive many at my home, and to answer numerous telephone calls. Most of the applicants make reasonable requests, while others insist on making demands out of reason and regardless of justice.

Welfare has become a problem somewhat difficult of solution just to know how to deal humanely and at the same time economically with the worthy poor. If some of our good citizens, before criticising, would take pains to make thorough personal investigations of reported cases, or would confer with the Board of Public Welfare, a clearer perspective would result with regard to what ought to be done, and what may have been done to relieve the destitution and suffering.

Many good citizens, having used up their life savings, mortgaged their real estate to the full extent, and those who were obliged to cash in their insurance policies, plea for an opportunity to earn by honest labor, and not be obliged to accept charity. With the government's assistance an earnest effort has been made to give work to these good citizens. In order to afford this means, it has necessitated that those, who in normal years received continuous employment, have had to be content with part time work, but it has enabled them to receive something, and with those reduced resources they have carried on. Very stringent investigations have been made in all cases, and the deserving ones have been cared for.

With the assistance of the Committee of Six, Chief of Police, Investigator, and the additional office help, I have been able to carry on this work in the most satisfactory way, and at the same time to do so in a humane manner, sincerely believing that the utmost efficiency and consideration is being given to this work, and that the Town of Weymouth will continue to maintain its attitude of benevolence to the worthy Townspeople who are in need.

I wish to thank the Board of Public Welfare, the Committee of Six, the Chief of Police and his assistants, for their exemplification of their confidence in me, and their hearty co-operation and support.

MARGARET A. HYLAND

AGENT OF OLD AGE ASSISTANCE

Returns as to applications for yearly period:

January 1, 1933 to December 31, 1933

Total applications received	86
Applications accepted and assistance given	68
Applications refused	18

Refusal based on the following reasons:

Not a citizen	1
Not a resident for twenty consecutive years	1
Children able to support	1
Left town before application was acted upon	2
Sufficient resources	8
Waiting for further information	5

MARGARET A. HYLAND

REPORT OF THE SUPERVISION OF WELFARE LABOR

January 15, 1934.

To the Honorable Board of Selectmen:

In addition to my appointment as inspector of building I also received from your Honorable Board the assignment of supervisor of welfare labor.

This work consists of the responsibility for man hours in work equal to the amount of assistance granted at the ratio established by the town, keeping records of the same, and the direction of trucks and other equipment necessary to carry out this work.

As it is a new function of the town I believe definite plans for its operation should be established and maintained, but not with the idea of creating a new department; rather for the purpose of coping with certain conditions as long as they continue to exist.

At this time I wish to express my appreciation for the cooperation given me by the Board of Selectmen. The street department was most cooperative also in the manner in which the use of equipment was planned to the end that no job suffered for lack of it.

The following is a summary of expenditures of the Public Works

\$20,000.00 fund in connection with this work:

Lake Shore Park (streets)	\$ 6,081.45
Weston Park	1,973.72

Idlewell (streets)	1,958.01
Westminster Road	1,155.04
Hunt Avenue	1,104.91
Cutting Wood	856.14
Town Barn	665.01
Chase Parker & Co.	645.35
Greens-Beaches	586.05
Centerhaven (streets)	538.23
Gravel Pit	446.43
Pleasant Street Drain	311.01
C. L. Merritt	300.00
Robinswood Road	278.19
Miscellaneous	238.09
Street Department Transfer	161.00
Randolph Street Ledge	108.00
Equipment	119.38
Total	<u>\$17,526.01</u>

Respectfully submitted,

FLURANCE I. LYONS,
Supervisor.

REPORT OF THE INSPECTOR OF BUILDING

January 22, 1934.

To the Honorable Board of Selectmen:

The year 1933 was slightly better than 1932, the increase in assessable valuation of 1933 being approximately 20 per cent greater than 1932; the increase in receipts approximately 5 per cent.

I believe some changes should be made in the Building Code, especially governing roofing material and private garage construction. I have learned that many municipalities allow the use of wood shingles for roofing material except where fire districts are defined, and Weymouth having no fire districts I should recommend the use of wood shingles be permitted. Regarding garage construction for private use it is necessary, according to our code, to employ the same construction as would be necessary for an apartment dwelling.

Indications now are that this department will be successful in the removing of some buildings harmful to their respective communities.

This office has been used, as well as the time of the inspector, in a supervisory capacity over welfare labor, which absorbed considerable effort. A separate report will go into detail on this subject.

The following is a summary of the activities of the department for the year 1933:

Building permits issued	108
Alteration permits issued	198
Estimated value of buildings	\$104,257
Estimated value of alterations	66,338
Total valuation	\$170,595
Receipts	\$458.00
Elevators inspected	10

Respectfully submitted,

FLURANCE I. LYONS,

Inspector of Building.

January 22, 1934.

To the Honorable Board of Selectmen:

The Board of Appeal considered 90 applications for relief from the provisions of the Building Laws. Careful consideration was given each application, having in mind improvement of property and to make all buildings, as near as possible, conform to the provisions of the By-Laws.

The summary of the records of the Board follows:

Applications approved	84
Applications conditionally approved	3
Applications disapproved	3

Respectfully submitted,

RUSSELL H. WHITING.

Secretary of Board.

REPORT OF THE COMMITTEE FOR THE OBSERVANCE OF MEMORIAL DAY

To the Citizens of the Town of Weymouth:

At the annual Town Meeting held March 6, 1933 it was voted under Article 1, Item 34

That a committee of nine be appointed from the several veteran and hereditary organizations in accordance with the provisions of General Laws (Ter. Ed.), Chapter 40, Section 5, Clause 12, by the Moderator, who shall designate the Chairman.

The following committee was appointed:

Commander T. John Evans, Reynolds Post 58, G. A. R.

Adjutant Waldo Turner, Reynolds Post 58, G. A. R.

Commander John Walsh, Wessagusset Post 1399, V. F. W.

Frank Chubbuck, Wessagusset Post 1399, V. F. W.

William B. Chalke, Jr., Secretary of Committee

Commander Karl O'Neil, Weymouth Post 79, A. L., Chairman

Alfred C. Sheehy, Weymouth Post 79, A. L.

William J. Holbrook, Sons of American Revolution

Arthur G. Taylor, Sons of American Revolution

The committee organized May 4, 1933. Weekly meetings during the month of May were well-attended and harmonious. But for a few minor changes the program of previous years was followed. Parade formed at Hurley Square, North Weymouth, Basil Warren, P. C. Weymouth Post 79, A. L., Chief Marshal, for march to Old North Cemetery. Services and decoration of graves at the various cemeteries in the usual order, followed by assembly at Commercial Square. Parade to Civic Center with Town Officials and Town Colors, Veteran Organizations with full complement of colors, Auxiliaries, Hereditary Organizations, Patriotic Societies, and Boy and Girl Scouts in line. Patriotic exercises in the Lieut. Ralph Talbot Theatre under the direction of Reynolds Post 58, G. A. R., followed by dinner in the High School Cafeteria. The entire program met with the approval of the surviving members of Reynolds Post 58, G. A. R.

Music for the day was furnished by Weymouth Post 79, A. L. Band, Wessagusset Post 1399, V. F. W. Fife and Drum Corps, Weymouth Post 79, A. L. Drum and Bugle Corps and the Drum Corps of Troop 2, Boy Scouts of America and a Junior Drum Corps of James L. Bates Camp, S. U. V.

A flag and a floral tribute was placed on each veteran's grave. Memorial monuments throughout the town were suitably decorated. Purchases of decorations and arrangements for transportation were made through competitive bidding. Expenditures were less than the amount appropriated. A statement of expenses will be found in the report of the Town Accountant.

The committee expresses its appreciation to the Police Department for the able handling of traffic, to the School Department for the use of the High School Cafeteria, to the W. R. C. and the various Auxiliaries for the preparation and serving of the dinner, and to the citizens of the Town of Weymouth for the respect, order and decorum observed throughout the day.

Respectfully submitted,

KARL O'NEIL,
Chairman.

Trustees of Weymouth Fore River Bridge:
Gentlemen:

I have examined the accounts of William L. Foster, Treasurer of the Trustees of Weymouth Fore River Bridge, for the twelve months ending December 31, 1933, and I hereby certify that he has accounted for all receipts that have been reported.

I have also reconciled the bank account and find the balance of \$459.05 to be correct.

Very truly yours,

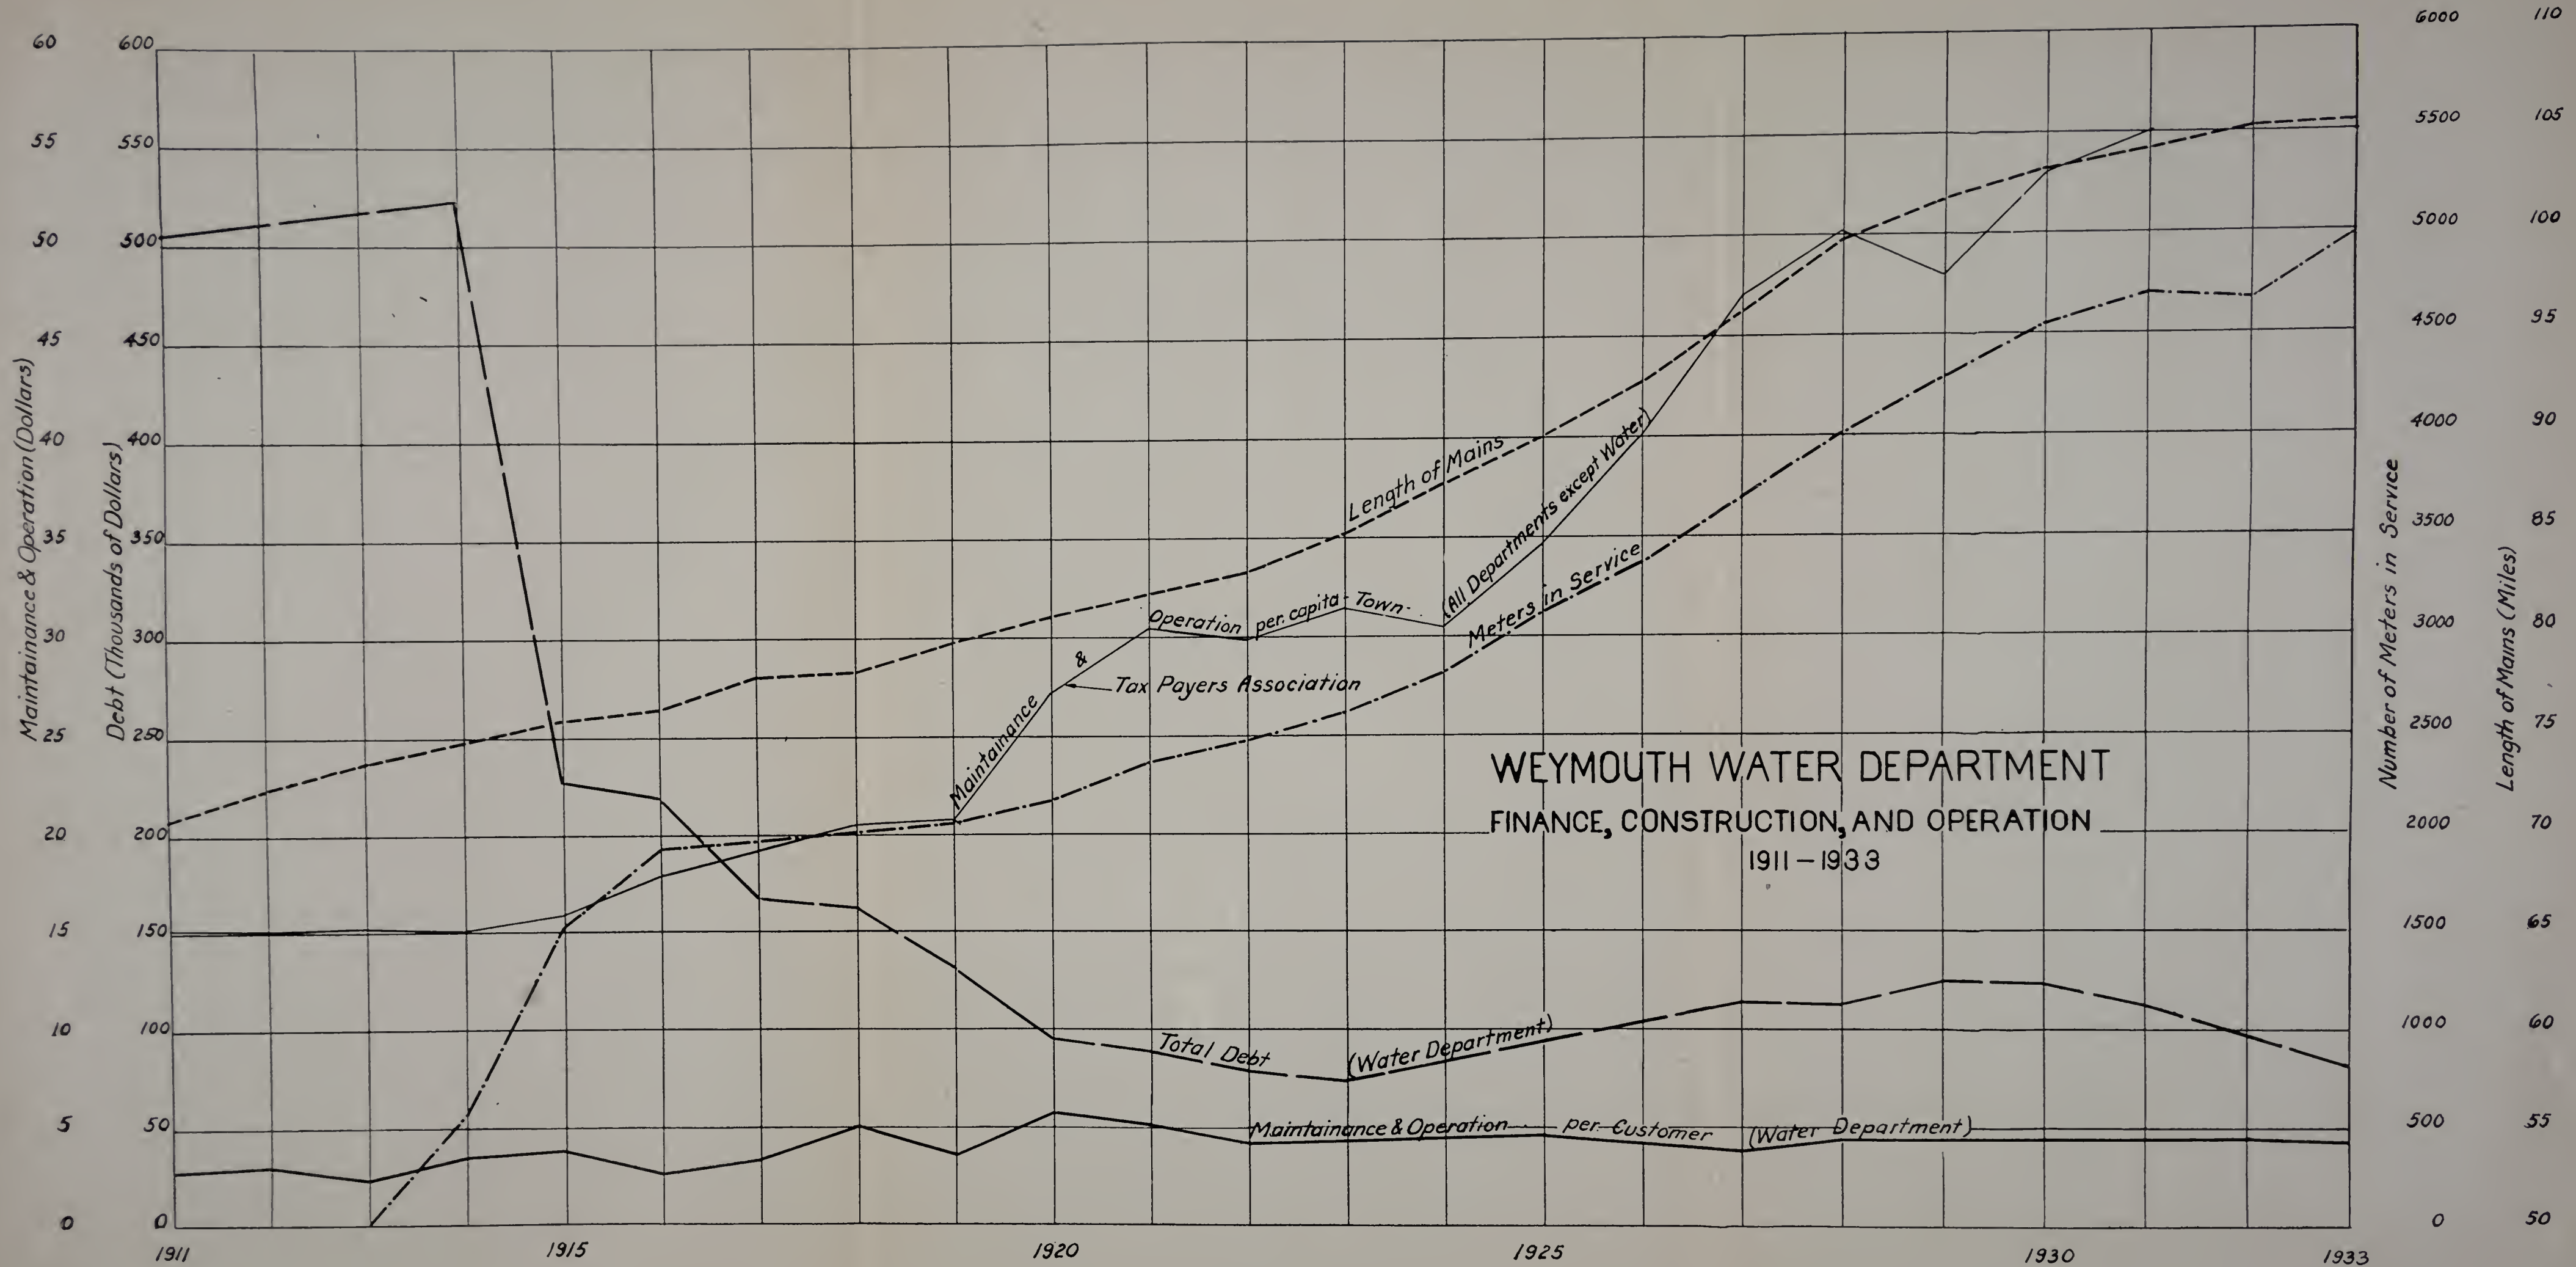

J. IRVING BOTTING, Auditor.

ANNUAL REPORT OF THE WATER DEPARTMENT

WEYMOUTH, MASS.

1933

REPORT OF WATER COMMISSIONERS

East Weymouth, Mass.

January 20, 1934

The Board organized on March 23, 1933 with the election of Howard M. Dowd as Chairman; and Edwin R. Sampson, Clerk and Treasurer.

The following appointments were made for the year 1933:

Fred O. Stevens, Superintendent

Edwin R. Sampson, Collector

Emerson R. Dizer, Accountant

Reports of Superintendent, Collector, Treasurer and Accountant are appended.

Special attention is called to the attached chart presenting graphically the financial construction and maintenance history of the department for the period 1912-1933.

The following appropriations from income are requested for 1934:

Minor Construction	\$14,000.00
Maintenance and Operation	30,000.00
Replacement	6,000.00
Equipment	2,000.00
Commercial Expense	8,500.00
General Salaries	1,650.00
Interest	3,303.75
Debt Retirement	13,500.00
	<hr/>
	\$78,953.75

This total is about 19 percent less than that for 1932.

HOWARD M. DOWD
 GEORGE E. BICKNELL
 GEORGE W. PERRY
 EDWIN R. SAMPSON
 JOSEPH CREHAN

Water Commissioners.

REPORT OF SUPERINTENDENT

To the Board of Water Commissioners:

The following tables and summaries, covering in detail the work of the department for the year ending December 31, 1933, are respectfully submitted:

FRED O. STEVENS,
Superintendent.

SUMMARY OF STATISTICS

Year Ending December 31, 1933

In form recommended by New England Waterworks Association.
Weymouth Waterworks, Weymouth, Mass.

Population, 1932: Winter, 20,000; summer, 24,000.

Date of construction: 1885.

By whom owned: Town of Weymouth.

Source of supply: Weymouth Great Pond.

Mode of Supply: Pumping to reservoir and gravity.

Capacity of reservoirs: 2,120,000 gallons.

PUMPING STATISTICS

1. Pumping Machinery:

No. 1. Allis-Chalmers Single Stage Centrifugal Pump, driven by 70 H.P. G. E. Motor.

No. 2. Worthington 2 Stage Centrifugal Pump, driven by 70 H.P. G. E. Motor.

No. 3. DeLaval Single Stage Centrifugal Pump driven by 150 H. P. Sterling Gasoline Engine.

Capacity of pumps:

No. 1. 1,700,000 gallons per 24 hours.

No. 2. 1,400,000 gallons per 24 hours.

No. 3. 2,600,000 gallons per 24 hours.

1. Total pumpage per year with Gasoline Pump, 850,000 gallons.
2. Electric current used. K. W. H. 190,055.
3. Total pumpage for year with electric pumps 218,016,225 gallons.
4. Average static lift of pumps, 108 feet.
5. Average total lift of pumps, 156 feet.
6. Cost of current per million gallons, \$24.06.
7. Cost per million gallons raised one foot, \$0.154.
8. Cost of pumping per million gallons based on total expense, \$40.70.

RELATING TO DISTRIBUTION

Mains

1. Kind of Pipe: Cast iron, wrought iron, lead and lead lined.
2. Sizes: From one inch to fourteen inches.
3. Extended: 666 feet.
4. Replaced small wrought iron with cast iron, 5,469 feet.
5. Total now in use, 105.17 miles.
6. Length of pipes less than 4 inches in diameter, 20.7 miles.
(Mostly summer lines.)
7. Number of hydrants added during year, 13.
8. Number of hydrants now in use, 575.
9. Number of stop-gates added during year, 7.
10. Number of stop-gates now in use, 866.
11. Number of stop-gates smaller than 4 inches, 146.
12. Number of blow-offs, 20.
13. Range of static pressure on mains, 18 to 105 pounds.

Services

14. Kind of pipe: Cast iron, cement lined, wrought iron, lead and lead lined.
15. Sizes: $\frac{3}{4}$ inch to 8 inches.
16. Extended: 544 feet.
17. Discontinued: None.
18. Total in use: 26.704 miles.
19. Number of services added: 32.
20. Total services December 31, 1933: 6890.
21. Average length of services added during year: 16.7 feet.
22. Number of meters added, 265; discontinued, none.
23. Number of meters now in use: 4957.
24. Percentage of service metered: 72%.

STATISTICS OF CONSUMPTION

1. Population: Winter, 20,000; summer, 24,000; average, 22,000.
2. Total consumption for 1933: 527,582,233 gallons.
3. Average daily consumption: 1,445,430 gallons.
4. Gallons per day per capita: 65.7.
5. Total through commercial meters: 80,622,000.
6. Domestic consumption, (2)—(5): 446,960,223.
7. Gallons per day per capita, based on (6): 55.2.
8. Total through meters: 238,299,000.
9. Per cent accounted for by meters: 45.3.

REPORT OF COLLECTOR FOR WATER DEPARTMENT 1933

To the Board of Water Commissioners:

A study of a graph chart of the monthly receipts of the water rates from January 1928 to December 1933 shows very clearly the extent to which the depression has taken its toll of the property owners of our town and likewise the extent to which the water department is bearing its share of the welfare relief in the community.

The decline in revenue from a monthly average collection of over \$9,000 in 1929 to an average of less than \$7,000 in 1933, explains the present large uncollected balance which has reached a new high mark.

It is somewhat encouraging to note that the low mark was passed in February and March and that there has been a gradual but fairly steady improvement in response to requests to at least keep pace with current water charges. As the year comes to a close there are several hopeful signs that the large amount of water revenue which is frozen now in tax title properties, vacant property, from which the service is now shut off, and property owned by welfare recipients whose allowance does not include enough to pay for water, will soon be liquidated. Among these encouraging features are the C. W. A., the P. W. A., the Home Owners' Loan Corporation, the slight improvement in private industry, the redemption of old tax titles (which usually carry a sizable water bill) and the expression of our customers who have been extended leniency in the matter of payment that they appreciate the attitude of the department and regard the arrears charges as a moral obligation which they will meet, without the necessity of legal measures, as soon as they again find employment.

For those who do not realize their obligation to pay when their condition is improved the collector must invoke the agencies provided by law.

This he will do as fast as the personal canvass of our seven thousand customers, in which he is now engaged, reveals the cases which merit such action.

I thank the Commissioners, other town officials, the Superintendent and employees of the water department and the assistants in my own office for the co-operation shown in my difficult and none too pleasant task.

Respectfully submitted,

EDWIN R. SAMPSON,

Collector.

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass.,
January 25, 1934.

To the Board of Water Commissioners:

Gentlemen:

Herewith is submitted the thirty-second report of the Accounting Department showing the financial transactions of the Water Department for the year ending December 31, 1933.

The cash and securities of the department have been frequently examined and I am satisfied that the reports and records of the collector and treasurer are correct.

Respectfully,

EMERSON R. DIZER,
Town Accountant.

Respectfully submitted,

EDWIN R. SAMPSON,

Treasurer of the
Water Department.

Weymouth, Mass., Jan. 25, 1934

I have examined the accounts of Edwin R. Sampson, Treasurer and Collector of the Weymouth Water Department, and find them correct. The records of the Collector's Department have been checked with the Treasurer at least once a month during the year and I am satisfied that both reports are correct.

EMERSON R. DIZER,

Town Accountant.

REPORT OF PLANNING BOARD

Weymouth, Mass.

January 15, 1934

Your Planning Board has met at frequent intervals, during the past year, but owing to the depression, have felt it unwise to recommend projects, which would entail the expenditure of any large sums of money.

Notwithstanding, we have continued to advocate some of the projects, that we have presented in past years, together with new ones.

We are in favor of traffic lights, at Independence Square, also at Columbian Square, in some form, or another.

We are also in favor of the Town accepting our previous recommendations in straightening Pleasant Street, from a point south of the Weymouth Light and Power Co. in a straight line, past the Police Station, to Riley Avenue. Also beginning at a point east of Chalkes store, on Washington Street, at Lovell's Corner, continuing in a southerly direction, through the swamp, in the rear of the Porter Methodist Church, to the junction of Pleasant Street, opposite the estate of the late Bradford Hawes, continuing along Pleasant Street, with a 50 ft. with, straightening the curve, west of the Pratt School, and also the curve opposite Pine Street.

Also the laying out of Academy Avenue from its present terminus to the junction of Broad and Essex Streets.

We would recommend that a survey of Commercial Street from Madison Square, to the junction of Middle Street be made, and also on Commercial Street, at or near Avonia Spring.

Another Street which your Planning Board, has advocated is the widening of West Street, from the Braintree line to Main Street, the plans of which have been prepared by the Town Engineer.

We organized at the beginning of the year with Frank A. Pray Chairman, Ralph H. Haskins Clerk. We are, as in the past, glad to entertain any suggestions you may care to submit.

Respectfully submitted,

FRANK A. PRAY, Chairman

RALPH H. HASKINS, Clerk

JOSIAH B. REED

INFORMATION

Hours: Main Library: 9 A. M. to 9 P. M. daily. Children's Room 2:30 to 6 P. M. daily; Saturday 9 A. M. to 6 P. M.

Summer hours: July and August, 9 A. M. to 6 P. M. Saturday 9 A. M. to 9 P. M.

Branches: 2 to 5 and 7 to 8 P. M. daily, except Wednesday.

The library and the branches are not open Sundays, legal holidays, nor the 17th of June.

The library is for the use of all the residents of Weymouth. Temporary residents are entitled to the same privileges as permanent residents.

Each card issued to an adult entitles the holder to one book of recent fiction (a book published within the last year), one current periodical, and any reasonable number of other books.

Children under senior high school age are entitled to a card if the application is signed by a parent or guardian. Cards issued to children entitle the holders to two books, only one of which may be fiction.

All books from the circulating department, except the new fiction, may be kept for fourteen days. At the request of the borrower any book not in popular demand will be charged for one month, subject to recall after two weeks if requested by other borrowers. Fiction published within the last calendar year, and recent numbers of magazines are limited to seven days with no renewal privilege.

The vacation privilege allows a borrower to take books which are not recent publications for an extended time.

A book cannot be transferred from one card to another, but any fourteen-day book may be renewed at the library, by mail, or by *telephone, unless another borrower has asked to have the book reserved. The date due, the author and title of the book, and the borrower's name should be stated when the request for renewal is made.

Any book will be reserved at the request of a borrower, who will be notified as soon as the book is available. A charge of one cent is made for this privilege in the case of fiction.

A fine of two cents a day will be incurred for each day's detention of a book after it is due. When a book is sent for by the librarian it will be at the expense of the borrower.

Cases of contagious diseases are reported to the library by the Board of Health, and all books which have been exposed to contagion are burned.

For the convenience of residents living in different parts of the town, books are exchanged through the delivery stations once a week as follows:

Lovell's Corner, W. B. Chalke & Sons	Tuesday
South Weymouth, Fogg Memorial Library	Tuesday
South Weymouth, Alfred S. Tirrell	Tuesday
East Weymouth, East Weymouth Branch	Thursday
North Weymouth, North Weymouth Branch	Friday
Weymouth Heights, Adams School	Thursday

Application for borrower's cards may be made at the stations as well as at the library and branches.

The library publishes a bulletin of new books several times during the year. This will be distributed through the library and its agencies, and sent to any resident upon request.

* Telephone 1309-M

FIFTY-FIFTH ANNUAL REPORT THE TUFTS LIBRARY

The fifty-fifth annual report of the Tufts Library is herewith respectfully submitted:

The year which has just closed has been a period of crisis and difficult readjustment for all our people, and in increasing numbers men and women who have held their determination to fight through and keep their courage, have sought through books a clearer understanding and an increased knowledge of their business, trade, or profession, so that they may be better equipped to meet the future. As a result, the library has been called upon to give the community an ever enlarging service. In the three years since the depression was first acutely felt by the majority of people, the circulation of books in the Tufts Library has increased 29%. The changing interests and needs of the people are reflected in this growth. The demand in this period for books on religion and philosophy has more than doubled; more books dealing with economic and social conditions, both here and in other parts of the world, have been read than of any other type except fiction; and there is a need among our people who cannot read English, and who in times of unemployment turn to the library for books in their own language. A gain of 100% in the circulation of foreign language books shows us our opportunity for Americanization. The increase in the demand upon the resources of the library was felt in largest measure during the first nine months of 1933. The new interests, and the new hope that has come in recent weeks with the re-employment of many of our citizens, has lessened somewhat the amount of reading, but the people will continue to turn to the library for information and guidance, and for the fulfillment of the always urgent need for recreational reading. The public library is almost the only place where wholesome recreation is provided without charge.

During 1933, 104,231 books were circulated from the main library, 39,759 from the North Weymouth Branch and 45,023 from the East Weymouth Branch. Separate figures have been kept this year, also, for the little deposit station which was opened on April 13th in the Adams School. The circulation there since its opening has been 4,591, making a total for all departments of 193,604. This is the largest in the history of the library. It is an increase of 13,477 over the figures for 1932 and is approximately double the circulation for the year 1925.

In these days of retrenchment and of increased work, it is seldom that a library is able to report an enlargement of its facilities for service to the public. But through the cooperation of the school department the Tufts Library was enabled to open a deposit station in the Adams School at Weymouth Heights without incurring a larger expenditure than the former service had entailed. A most attractive room has been fitted up with shelving for books, and a large table at which the books are charged and returned. This was opened to the public the middle of April with 540 books and magazines on its shelves. It replaced the weekly delivery of books which had been made through the Economy Store, and although service is still available only once a week, in the thirty-eight days in which it has been open to the public, its 540 books have circulated 4,591 times. The circulation from January to April through the Economy Store brings the total for the year up to 5,347, a gain of 3,252 over 1932. The library board greatly appreciates all that the school department has done to make possible a more adequate library service to that neighborhood.

Statistics of registration are another index of the growth of the Tufts Library. In 1933 the number of new borrowers who registered for library privileges was 1,451, an average of 121 a month. Sixty-four per cent of these were adults, many of them long time residents of Weymouth who are finding the library a resource during difficult and uncertain days.

The activities of the Children's Room have gone forward normally. There has been from this department a circulation of 25,180 books, which together with the juvenile books circulated through the branches, makes a total juvenile circulation of 52,381. Story hours have been held in the library each Saturday morning during the winter months. There has been an average attendance at these group meetings of twenty-two boys and girls, and the stories chosen have been such as would stimulate interest in reading the more worthwhile of the children's books. The library has cooperated with the schools through loans both of books and pictures. The children's librarian has visited every elementary school in the town, and upon request has given several book talks in the class rooms. A number of exhibits in the Children's Room have called attention to worthwhile books, or books upon some special subject. The outstanding exhibit of the year is always that of Good Book Week, and the Children's Room is visited by many adults as well as children during this annual display of the new books and the fine editions of old favorites. The book week activities are advertised in the schools, and each year there has been a closer cooperation between the two departments.

For the fifth consecutive year the Literary Committee of the Monday Club has cooperated with the library on the reviewing of new books. One hundred seventy-six books have passed through their hands during the last club year. The library greatly appreciates the service given it in this way. On Tuesday of Good Book Week, the group met in the Parents' and Teachers' Room of the library and Miss Bodine, the children's librarian, told them about the outstanding children's books of the year.

The library has also been glad to welcome a group from both the Monday Club and the Old Colony Club who met weekly for six weeks to study parliamentary procedure. The Parents' and Teachers' Room, which opens off of the Children's Room, may be made available for small group gatherings of an educational or civic nature at any time during library hours, upon application to the librarian.

Again this year the library was asked by the Simmons College School of Library Science to take one of the seniors for the period of her practice work, and Miss Martha Kierstadt was working and observing in the library system for two weeks in the spring.

A few changes in the arrangement of the furniture in the main library Reading Room were made in the autumn. The new arrangement is pleasing and gives better working conditions and much more effective supervision. This was essential with the greatly increased use of the library.

On June 14th the library and branches were closed for two hours at the time of the funeral of Mr. Franklin H. Perry, Selectman of the Town of Weymouth and ex-officio a trustee of the Tufts Library.

There have been no changes in the professional staff throughout the year. In July, Mr. Arthur Blanchard, who had been janitor at the East Weymouth Branch, was obliged to retire because of illness. Mr. Benjamin Ells was secured as a substitute and upon the death of Mr. Blanchard, a little later, Mr. Ells was regularly hired for the position.

With the organization of the Civil Works Administration in December the library was asked to cooperate in furnishing employment, and has undertaken a project using five workers in clerical work and on the mending of worn books.

The Trustees wish to extend their sincere thanks to Mrs. Mary Fifield King for her generous gift of many old manuscripts of interest in early Weymouth history and her provision of a cabinet to house the Fifield Collection. The little old books look well behind the leaded glass doors of the new cases and there is ample space for the display of material of historic interest.

They also wish to thank for gifts of books, the following persons: Samuel J. Worthen, Miss Annie E. Richards, Miss Rachael Bodine, Mrs. Wilbur Truax, Mr. T. M. Knappen, Miss Frances Sullivan, Mr. M. T. Chernin, Mr. Andrew Morrissey, Captain Austin, Mr. K. K. Kawakami, Weymouth Historical Society, Society of the Latter Day Saints, American Bureau of Shipping, and the Dennison Manufacturing Co., also, Mr. Franklin Pratt for a set of pictures of Benjamin Franklin.

To the friends and neighbors who have shared their garden flowers with the library both the staff and the readers are grateful. The flowers have been very beautiful and have added much to the attractiveness of the rooms.

The Trustees also wish to take this opportunity to express their appreciation for the gifts of bulletins and reports received from other libraries, and for the exhibits generously loaned by Mr. Eric Kelley, Miss Mae Chessman, Mrs. Edward MacDonald, and the Proctor & Gamble Soap Company.

In accordance with the standards set forth by the council of the American Library Association, the Tufts Library endeavors to give every man, woman and child of Weymouth "the means of self-education and of recreational reading. The library provides materials for education and advice in their use. It diffuses information and ideas necessary to the present welfare and future advancement of the community. It strengthens and extends appreciation of the cultural and spiritual values of life. It offers opportunity for constructive use of the new leisure. It serves all ages and all classes."

Respectfully submitted,

C. P. WHITTLE, Chairman

By order and on behalf of the Trustees.

EMERSON R. DIZER,

December 31, 1933

Town Accountant.

REPORT OF THE TOWN ACCOUNTANT

East Weymouth, Mass., January 31, 1934.

To the Board of Selectmen,
Gentlemen:

I submit herewith the thirty-second annual report of the Accounting Department, classified to meet the requirements of the State Division of Accounts.

The accounts of the several town officials have been examined at intervals during the year, bank balances reconciled monthly and at all times the records and accounts have been found correct.

The audit of the books and accounts of the town in April, 1933, by the state examiners from the Division of Accounts, Department of Corporations and Taxation, was particularly gratifying. The report submitted by Theodore N. Waddell, Director of Accounts, stated that the financial condition of the town was satisfactory and some of the recommendations contained in the report have proved most helpful.

Customary statements relative to the finances of the town are incorporated in this report and will readily convey, to those who have some knowledge of municipal finances, pertinent facts supporting the contention that the financial condition of the town is very satisfactory.

The past year, with its many diversified demands, has been a most difficult one for municipal governments. It has also been a trying time for most public officials who have been called upon to expend time and energy for the benefit of the people far in excess of the usual demands made upon them.

Some consideration was given during the past year to a program which would provide for a systematic control of municipal activities over a five or ten year period. There are many advantages to a set-up of this nature, if properly controlled, which would tend to secure for the Town of Weymouth progressive development and a fairly stable tax rate.

An analysis of the expenditures for the year 1933 reveals that an enormous amount was expended for public relief. It is hoped that the year 1934 will see a return to more normal conditions with a corresponding reduction in the amount necessary for relief purposes.

It is fitting at this time for me to express my appreciation for the efforts of Miss Ford and Miss Oliva whose faithful application to their duties account in large measure for whatever success has attended the work of this department.

Yours very truly,
EMERSON R. DIZER,
Town Accountant.

Respectfully submitted,
EDWIN R. SAMPSON,
Treasurer of the Town of Weymouth.

Weymouth, Mass.
January 23, 1934.

I have examined the accounts of Edwin R. Sampson, Treasurer of the Town of Weymouth, and find them correct. The securities of the town were examined and found to be as stated in the report of the Town Treasurer.

EMERSON R. DIZER,
Town Accountant.

REPORT OF WEYMOUTH VISITING NURSES ASSOCIATION

To the Honorable Board of Selectmen,

Gentlemen:

Another year has drawn to a close for the Weymouth Visiting Nurse Association, a year that has been a most strenuous one for all. Through the kindness and generosity of the Weymouth people the association has been able to continue its work in the community and we are grateful at this time to the various organizations that have given so freely of money, food and clothes and it is this fine spirit of co-operation that has given the Visiting Nurse Association the courage to carry on its good work of the past years.

There have been 10 monthly meetings with an average attendance of 14.

The annual report of the treasurer, Mrs. Nash, shows the association with a fair financial standing at this time with no gain over the previous year.

The Baby Clinic, of which Mrs. William Henly is chairman, has been well managed. We wish to thank the ladies who have helped Mrs. Henly in her work on clinic days. There have been 43 clinics held this year in the Town Hall, with 1091 babies attending, 133 of these were new babies admitted to the clinic. The association is always willing to be of service to the babies and their mothers.

The Pre-School Clinic was most successful this year there being 340 children who were registered, and it pleases me at this time to thank the doctors of the town who so willingly gave their time and services to the children who would have been unable to have medical attention otherwise before entering school.

Through the generosity of the Rotary Club 30 children had their tonsils and adenoids removed at the Weymouth Hospital. Miss Wilbur co-operated with the doctors by taking the children to and from the hospital.

The Supply Closet, which has been perfectly supervised by Mrs. Walter Jordon, has been well filled at all times and there has never been a call for help that has not been answered.

The nurses, Mrs. Pratt and Miss Wilbur, have had a busy year as usual, and as always have carried on their work faithfully and efficiently.

The following figures might be of interest here:

Total Number of Calls	5,811
Medical Cases	654
Surgical Cases	237
Obstetrical Cases	79
Tubercular Cases	26
Instructive Visits	249
Number of Patients (still under care)	28

In March plans were made for a bridge party to be held in Cain's Annex under the direction of Mrs. Pratt. This was made possible through the kindness of Mrs. Merle Cain. The party proved a success and the proceeds were given to the association.

It was at this March meeting that our president, Mrs. Dodge, spoke of the calamity that had befallen the association in the loss of our beloved former president, Mrs. Fred Lunt, a loss both to association and the community. The sentiment was silently voiced by everyone present.

A Plymouth car was purchased for the nurses from Thorpe's Garage in November, also in November a fashion show was held in Clapp Memorial which was a success financially.

The president, Mrs. F. Mills Dodge, goes out of office at this time with the best wishes and kind thoughts of the Weymouth Visiting Nurses Association.

Respectfully submitted,
SUZANE CORLISS MYLES.

REPORT OF THE BOARD OF SELECTMEN AND THE BOARD OF PUBLIC WELFARE

To the Citizens of the Town of Weymouth:

The Board of Selectmen of the Town of Weymouth submit a report for the year of 1933. The Board met on March 14, 1933, and were sworn into office and immediately organized as follows: Everett E. Callahan, Chairman; Joseph A. Fern, Clerk. The following appointments were made:

Thomas J. Kelly, Superintendent of Streets
Flurance I. Lyons, Inspector of Building
Margaret A. Hyland, Welfare Worker
John F. Dwyer, Inspector of Animals
Anthony Veader, Harbormaster
Karl O'Neil, Custodian of Veterans' Graves
Francis Maguire, Jr., Superintendent of Alewife Fisheries
Kenneth L. Nash, Town Counsel
Russell H. Whiting, Town Engineer
Clifford A. Berry, Superintendent of Town Infirmary
Margaret A. Hyland, Agent, Old Age Assistance

The following town doctors were appointed:

Ward 1 Wallace H. Drake, M.D.
Ward 2 J. Herbert Libby, M.D.
Ward 3 L. W. Pease, M.D.
Ward 4 Harold A. Spaulding, M.D.
Ward 5 K. H. Granger

It is a regrettable fact that on June 12, 1933, we were shocked to hear of the death of our late member, H. Franklin Perry, who was a public spirited citizen having spent a good deal of his life in the service of the community.

In the month of November, 1933, Everett E. Callahan resigned as chairman. Mr. Joseph Crehan was appointed to the position of chairman for the remainder of the term.

During the year we were fortunate in being allowed to participate in the Federal Emergency Relief Fund from our National Government to the extent of 90 per cent of one-third of expenditures on welfare. To date we have received from the National Government the sum of \$47,518.16.

The Town of Weymouth was on the alert, took advantage of the Civil Works program, made provisions for many worthy projects and were fortunate in placing approximately 850 men and 75 women to work. Considering the fact that all able bodied men with dependents were taken from our welfare and soldiers' relief rolls, the number of welfare families on our rolls is 289 as against a peak of 839.

Mr. Joseph Crehan, Chairman of the Board, was appointed Civil Works Administrator of the town and worked diligently in behalf of the community.

The Welfare Department, under the supervision of Miss Margaret A. Hyland, has been taxed to the limit. We have endeavored to care for the needy and to prevent abuses. Miss Anna L. Halnan was appointed to assist in the welfare department as an investigator.

We have been assisted very ably by the committee of six, appointed by the Moderator, and also by the Police Department, the latter having conducted a series of investigations.

The Board wishes to extend to all departments their sincere thanks for their co-operation during the year, and we feel that inasmuch as the year has been a most trying one, that all have had in mind the interest of the taxpayers.

Respectfully submitted,

JOSEPH CREHAN, Chairman,

JOSEPH A. FERN, Clerk

EVERETT E. CALLAHAN

WILLIAM A. CONNELL

Selectmen of Weymouth.

H. FRANKLIN PERRY

June 12, 1933

RESOLUTIONS

Whereas it has pleased God in His Wisdom to call H. Franklin Perry from active participation in the affairs of this life to the spirit world in the life beyond,

Be it resolved: that the Board of Selectmen of the Town of Weymouth hereby expresses its sense of loss in the death of a most efficient and valued member.

Be it further resolved: that, as the official representatives of the community, the Selectmen testify that in the passing of H. Franklin Perry the Town of Weymouth has lost a valued citizen and a faithful public servant.

Be it further resolved: that a copy of these resolutions be filed with the town records and a copy of these resolutions be sent to the widow of our departed co-worker.

JOSEPH CREHAN, Chairman
JOSEPH A. FERN, Clerk
EVERETT E. CALLAHAN
WILLIAM A. CONNELL
Board of Selectmen.

REPORT OF THE MOTH SUPERINTENDENT

South Weymouth, Mass., January 27, 1934.

To the Honorable Board of Selectmen of Weymouth:

Gentlemen:

Herein please find my report for the year 1933.

Regarding the Gipsy Moth and Browntail Moths, which are the only ones to which the State laws apply, I will say that while we are not entirely clean we are in comparatively first class condition.

In the scouting for Gipsy Moths we found the most on trees near Stetson's Factory, owing most likely to the big high lights and many cars parked there from all points. Otherwise we have found no colony, but some scattered all over town.

Under the C. W. A. we have six town men and a very competent Foreman (Mr. Frank DeRusha) scouting for Brown Tail Moths. They hunted seven days before they found ONE and then struck a bunch of about forty off Commercial Street near the Hingham line. We sprayed our Street Trees very thoroughly last year and hope that Elm Beetles may not be so bad this year, but you never can tell. Our Wil-lows are being stripped every year and if we don't spray them this year I fear we shall lose them.

Yours respectfully,

CHARLES L. MERRITT,

Superintendent of Moth Department.

REPORT OF TREE WARDEN

South Weymouth, Mass., January 27, 1934.

To the Honorable Board of Selectmen of Weymouth:

Gentlemen:

Herein please find my report for the year 1933.

The work of the Tree Department in the year 1933 has been in the care of the street trees, pruning, fertilizing, removing dead and otherwise objectionable trees.

On September 29 I, with other heads of departments, was called in to state whether or not I had any money to spare from my appropriations. My answer was I can spare \$500.00, which was accepted. The Tax Collector sent cards to the delinquent tax payers, and they brought them to me and I set them to work. When they had set out 100 trees I notified the collector and clerk of your board how many trees they had set. As my bill stated, they set 575. One hundred fifty I have paid for.

Yours respectfully,

CHARLES L. MERRITT,

Tree Warden.
